

FINAL GRANT OF UNCLE SAM TO VILLAGE READY

Cancels \$4500 in Bonds;
Previous Payment
Was \$10,000

Finis is about to be written upon the co-partnership of Uncle Sam and the village of Arlington Heights in the erection and completion of improvements to the water works system of 1934. The contractors were paid in full months ago. The government purchased at par \$40,000 worth of water bonds drawing 4% interest. The government had also paid \$10,000 in cash as part of the outright grant. There still remained final financial settlement. Figures of the village have been checked and rechecked many times by government auditors. The village was entitled to a total grant of \$14,500. Everything must be in order and conclusively proved to be in accordance to the rigid specifications of the government.

Attorney Thal presented a letter to the Arlington Heights village board Monday evening, in which Uncle Sam offered to make final settlement with the cancellation of 2 one thousand dollar bonds due in 1935 and 1936 respectively, and up on the payment of \$500, by the village, cancel the last three thousand dollar bonds of the series, making a total payment of \$4,500 to the village.

The terms of final settlement are agreeable to the village except that the board is asking that the bond due in 1937, be one of those which cancelled in place of a subsequent one.

All of these bonds and interest are protected by a special fund set up by the water department.

Fines inflicted by Judge Kleopfer, police magistrate the past two weeks totaled \$26. Fines turned over to the village by Judge Koppin totaled \$7. There are still nearly 200 owners of autos who have not yet secured village tags. Vehicle tags issued to date are 1035.

The above was the report of the police committee. The fines are the result of renewed activity against the vandals. A new Indian motorcycle has been ordered with delivery in about three weeks.

Special police officers during the race season will be stationed on Euclid at Northwest highway and State road during the rush periods.

The water department for the first time in many months had no leaks to report. The water rate for 1935 has been cut to \$6.00. The street committee reported the completion of the Campbell street improvement, and the cutting of weeds and grass on the parkway adjoining sidewalk.

The committee on public grounds reported completion of work at the northside water tower park with seeding of 45 pounds of seed, and the placing of the bronze plate bearing names of board members, in commemoration of the recently installed \$50,000 water works improvement. Repairs are needed up on the roof of the municipal building.

The sewer committee reported a fine field of hay at the disposal plant for someone who wants it bad enough to cut it. The heavy rains that day, reported Geo. Harris "is sending the water thru the fum at nearly sixty miles an hour."

Bills and payroll amounting to \$1,668.15 were passed for payment when funds are available. List of bills are on page two.

The fire department presented a request for 250 feet of 1 1/2 in. hose with reducers, such hose being used by a great many fire departments at small fires.

Request of the Volunteers of America for a local tag day, was denied. A letter was read from the Public Health committee asking that the village duplicate its support to the health program of last year, which is \$25 a month. The matter was held over until next meeting.

The board will meet to consider the appropriation ordinance, which must be passed during July.

**Vegetable Growers Asked
To Bring Their Troubles
New Growers Association**

A call has been issued for a meeting of the independent vegetable growers association which will be held in the school house on Wolf road, near the Joliet road Monday, July 8 at 8 p. m.

Vegetable growers who have "troubles on their chests" are urged to bring those troubles to this meeting. Christ Struck of Itasca, who is a director, says, "there are a lot of stories being circulated that should be cleared up. At this meeting is the place to do it."

ARLINGTON HTS.

What is the news? Why don't you see ahead of time, we have to be? So we must join in a mad chase, to get news before news take place.

The Fourth is Independence Day, and by it we are free they say; Each one may his own business mind, Or in the race be left behind; Reporters who news items bring, To keep this paper on the swing; With ponies racing all about, Have somehow let the news slip out.

Rumors of a carnival, that has grown into two "Rumas" I mean— but where are they to place the merry-go-round? That's what concerns me.

The last day of June, 1935, was surely a hot sultry day, and Monday, July 1 the races began. Watch your step!

We are glad to hear that Mrs. M. Oeflein is much stronger and has been able to ride out the past week.

Mrs. Raymond Mahrie from Michigan, is spending some time with her nieces, Miss Florence Traub and Mrs. Ella Boeger.

Born, a son, June 24, to Mr. and Mrs. Ernest Heide in their home on North Belmont avenue.

The Presbyterian Aid will serve luncheon each Wednesday in July, from 11:30 a. m. to 1:30 p. m. beginning July 3—price 35 cents.

Miss Louise Roth from Michigan, daughter of Mr. and Mrs. Joseph Roth, came to spend a few days last week with her school friend, Miss Evelyn Jarvis at Jarvis Woods.

The Misses Blume from Edison Park were Sunday guests of their brother, Mr. and Mrs. Henry M. Blume.

Thursday last week, Mrs. Caroline Fiene attended the funeral of Mrs. Wm. Balzer at Addison.

Prof. and Mrs. W. C. Cleveland from Bloomington, Ind., after the closing of the university, began

their vacation, spending a happy week in the home of his parents, Mr. and Mrs. H. C. Cleveland from here they went to Crown Point to visit Billie's grandmother, Mrs. Brannon, also visiting Beaver Dam relatives, also at Waupun closing their stay with Mr. and Mrs. H. C. Cleveland they journeyed to their northern vacation resort.

Mrs. F. A. Whiting spent several days recently with Mrs. A. F. Volz at Geneva Lake.

Mr. Kurt Stoelckel has recently improved his house on North Douglas avenue by putting on an outside coat of gray asbestos shingles, which brings insulation and added warmth.

Mr. and Mrs. Wm. Luehring have gone to make their home with Mrs. D. G. Beatty, who is glad to have them with her to keep away old dreary all-aloneness.

Mr. Hugo Behrel went back to work Monday in his old place of business with an upholstering firm in Chicago, cheerful for him after a long layoff.

Mrs. B. B. Castle and son, Winchester, came home Saturday after spending a fortnight at their summer home at Northport.

Mr. and Mrs. Charles Scherf and Jimmie, with his sister, Mrs. Emma England drove down to Starved Rock the week ending June 22, for a change of scenery, which was pleasing indeed. With them was Mr. Scherf's friend, Mr. Doyle from Chicago.

Mr. and Mrs. Walter H. Dick of North State Road, have gone for a two week's vacation in the beautiful lake and woodland region of northern Wisconsin.

The Welcome club of St. Peter's church, gave a mothers' and daughters' tea in the school hall last week. It proved to be a most pleasing event. Those who presided at the tables to serve tea were Valeria Hartman and Norma Grottkie. A pleasing program was given. Music by Mrs. Pfingsten, pianist. A dialogue sketch, an amusing farce, given by Norma Meyer and Dorothy Kopplin, gave a pleasing diversion. After these numbers were given, came the presentation of three babies, sons of the club members, Mrs. Norbert Leckband, this will no doubt head the future doctors of our town. Another baby of the June trio was the son of Mrs. Dagner and the third is Mrs. Elroy Thompson's son. This Welcome club are planning a picnic to be held in August. There were merry games and a happy social meeting for the closing session of the season.

Mr. and Mrs. Henry Knaack are having a "measly" time of it this season, after two or three cases, a new case breaks out this week. The children seen determined to make it unanimous.

Mr. A. F. Volz left Monday morning for his trip west, the picturesque regions of the Black Hills was his first place of a search for film pictures. There are marvelous scenes to interest him in that wonderful land.

Mr. and Mrs. Joseph Just and their son came from Chicago to visit Mr. Just's sister, Mrs. Adam Lukhaub, Sunday.

Sunday the home of Mr. and Mrs. George Pfingsten was the

scene of a happy family gathering called to help celebrate their ten year old daughter, June's birthday.

Today, July 1, the children of the town are called to the school center for registration, preparing for the vacation education and playtime direction to be sponsored by the P. T. A.

Mr. and Mrs. Albert Kehe from Kankakee were Sunday guests of Mr. and Mrs. William Wilke.

Albert Adams returned to his employment in the city Monday this week, after a two week's vacation spent mostly in work around home.

Mrs. Geffert and her daughter, Miss Julia of West Eastman street, went to Kankakee Wednesday evening to spend the holiday with Mrs. Geffert's daughter, Mrs. Albert Kehe and family.

Mrs. John Kolling, who had been her busy active self until about two weeks ago, when she was taken seriously ill and passed away from earth life in her home with her son's family Saturday, June 29, aged 86 years. After a long active life she leaves of her own children, but one, her daughter, Mrs. S. Schlomann, besides her she leaves to mourn their loss several grandchildren, who are well known among us. The funeral was held Tuesday afternoon.

Glad to hear that our friend, Mrs. W. W. Guild has been able to be taken out on their pleasant porch, where she can enjoy the out of doors view. Some day I'm going to surprise her by coming to sit down by her and have a chat.

Friday last week, Mrs. Nellie Hopkins and her daughter, Mrs. John O'Brien and children, came from Chicago and spent the day with her sister-in-law, Mrs. William Heffern and family.

Mr. and Mrs. Ed. Dieball entertained friends from Chicago Sunday.

Wednesday last week, Mrs. Caroline Fiene accompanied Mr. and Mrs. Edward Pingel to the fiftieth or golden wedding anniversary of Mr. and Mrs. Louis Martin at Itasca. This was a surprise arranged by the children of the long wedded pair. There were between 80 and 90 guests. Among the guests was their aunt, Mrs. Smith, 82 years old and Mr. and Mrs. August Niemeyer from Minnesota; also Mrs. Caroline Fiene, who was bridesmaid for the happy pair fifty years ago. The toastmaster was the schoolmaster of the church school and a more humorous and delightful one could not have been chosen. The pianist was a gifted master of his art. The cake the daughters prepared, the generous refreshments, the beautiful gifts and poem tributes, unbounded waves of genial harmonious entertainment and sincere wishes for another great anniversary, will live in memory and form a golden halo to light future years for Mr. and Mrs. Louis Martin.

Mr. and Mrs. Arthur Schmitz and family came home first of this week from their trip to see their daughter, Mrs. Pierce and their new grandson in the east. En route for home they came through Michigan and called on Ralph Burkill and by way of Park Ridge, to call on John Burkitt. They arrived home in time to give their usual July 4th family entertainment.

Great week this first in July. The races and chases. The carnival, parties, contests and "what have you?"

Plenteous showers, bad time for making hay. You should hear H.

M. Blame tell of his experience in hay making on the race track farms.

Gieseke's Store, Arl. Hts. has just received a large supply of large and small cherry baskets.

Dr. and Mrs. Warner of Chicago were guests of Mr. and Mrs. H. C. Cleveland first of this week. Mrs. Warner gave them a cheery breezy account of her recent auto trip into Canada.

Mrs. Jos. Conklin is leaving Saturday for her home in Ohio, after staying in her sister's home, Mrs. Hermann, since her passing.

Malzahn & Goedke do sewerage, plumbing, heating and sheet metal work; phone 478-479.—Adv.

EVERREADY CLUB

In the year just closed June, 1935, the Evereadies submit the following as the work accomplished.

Donated \$50.00 to local nursing service.

\$1.00 and baby clothes to poor family.

\$3.00 for cookies and candy for the Woodstock orphans.

Layette for the baby clinic consisting of 6 gowns, 8 kimono's, 3 dresses, 3 gertrudes, 26 small diapers, 9 shirts 6 pinning blankets, 12 bands. Mrs. Mollie Herman paid for part of this layette.

Mrs. Pfingsten donated quilt top and patches from which Mrs. Herman and her sister made six quilts for the Lake Bluff orphanage and the Evereadies helped to quilt.

Bought 60 yards curtain goods which Mrs. Coughlin made into 12 pairs of curtains for the Woodstock orphanage. This was Mrs. Herman's last wish to make those curtains.

Mrs. Herman herself donated at numerous times cookies, jellies, canned fruit, boxes of apples and other articles to the orphanage.

Respectfully submitted Katherine Behrel, Secretary A Tribute to Mrs. Mollie Herman Great Heart! Who on life's journey went.

As went the Master doing good, Eveready's true embodiment. Of our kind earthly sisterhood.

In all our work with hand and heart. You did our lives with zeal inspire. And in your noble work impart For greater work to lend desire.

No thought of self or selfish ease, In all your work was given place; No thought of gain yourself to please, In your kind heart held one small trace.

In that fair home beyond our view. We do believe God lets you still; Somehow inspire the work we do, According to the Master's will. Great heart! Still binding here for good. Our Ever Ready sisterhood. A tribute from an Ever Ready Friend.

South Side Breezes

Mrs. R. J. Fellingham of Evanston visited Sunday at the Warren Fellingham home.

When the Elliots went to Champaign last week to bring Mrs. Elliot home, Mrs. George Dobbins accompanied them and visited her sister.

Schoolmates of Kenneth Klehm will be interested to know that he is recovering nicely from an appendicitis operation and is at the Elgin hospital.

June Pfingsten didn't have to wait until July 4th for a celebration this year, for her mother had a party for her July 1, it being her 10th birthday. Several friends from Chicago were her guests.

Mrs. George Costain of Herron, South Dakota is visiting her son, Donald and family for a couple of weeks. Her son is inclined to feel that it is her grandson who is being visited.

Miss Mayme Hunn is finding the days too short to accommodate all her activities. Last week-end she spent with her sister at Libertyville. Monday she represented the local telephone office at a business session at Evanston and this week-end she is planning to take an extensive motor trip.

Other plans for the Fourth and the days following, which make an extended week-end worthy of vacation plans, are being made with apprehensive glances at the weather reports.

Mr. and Mrs. A. D. Hines and children are planning to camp at the Indiana sand dunes. Let's hope the rain clouds stay away.

Mr. and Mrs. Paul Wood and children will probably appreciate their trip to southern Illinois where they have relatives at Carleton. They have been shut in for so many weeks with the children taking turns at measles and scarlet fever.

Mr. and Mrs. Phelps and children are going to Oshkosh, Wis. their two daughters, Opal and Jean, have been visiting there and will return with them.

Mr. and Mrs. Wisersky and children are leaving for a vacation with friends from Downers Grove. They plan to be near Muskegon.

FLYNN AND GABLE - Florists -

Distinctive Flower Service for WEDDING DECORATIONS. PARTY DECORATIONS. CORSAGES. FLORAL DESIGNS. PLANTS. 611 E. Euclid St. Phone 34 Arlington Heights, Ill.

Michigan. Mr. and Mrs. Thomas Pope and children will celebrate the Fourth of July at the Chicago Historical Society, the 131st Infantry of which Mr. Pope is a member, are staging Battle Hamel which occurred in France on July 4th.

Mrs. Albert Cavanaugh and daughter, Evelyn, have no plans for the Fourth, but next week when they get out of quarantine for scarlet fever, they are going to put into action as great many stored up ideas.

VOICE OF PEOPLE

When did the police car of our village become a taxi cab I have been informed that the village board passed an ordinance for no one to be allowed to ride in the new car. Why is this being done? Look any day you want to and you will see someone riding around for their health instead of doing police work. What good is it to pass an ordinance if they don't live up to it. No wonder it cost so much to keep in repair and repair seat. Herald Reader.

Many Auto Owners Finding Tires are Unfit for Summer

Thousands of automobile owners the country over are finding that their tires are unfit for the heat of summer driving conditions as a result of a check-up being made by tire dealers the country over.

"In most cases, according to reports at the Akron offices of the Goodyear Tire & Rubber Co., car owners themselves had not realized that their tire equipment was in need of replacement," declared Mr. Elroy Winkelman, local tire dealer.

"Our method of making an absolute check of the tire's tread

conditions is by showing the customer an inked foot-print of the tire, made by applying an inkling medium to the tread and then running the tire over a white sheet of paper. Unmistakable evidence that tires either do or do not have a safe margin of tread and traction is plainly shown."

In many cities in the country local authorities have welcomed the tire check-up that is being made in their areas, because they realize that it helps to reduce the number of accidents which are in the making when cars with tires in need of replacement are driven on the streets and highways.

During the past few weeks, Mr. Winkelman said that he had foot-printed many local car owners' tires and that right in this section of the state he could substantiate the national report that many tires now in use are in need of attention.

"It puts a little different slant on your efforts when you feel that

NEW SALES TAX NOW IN EFFECT, IN ARLINGTON

Majority of Merchants Will Not Use the Tokens

From all appearances, the token system for the collection of the new Illinois 3 per cent sales tax which went into effect Monday will not be used to any great extent, if at all, in Arlington Heights. Most of the merchants interviewed Monday either said they were not going to use the tokens or that they were not sure. Instead they favor what is known as the "Chicago plan without tokens," which is being used throughout Chicago and the larger cities.

This plan provides:

1c to 14c inclusive	no tax
15c to 50c inclusive	1c tax
51c to 83c inclusive	2c tax
84c to \$1.16 inclusive	3c tax
\$1.17 to \$1.50 inclusive	4c tax

If the use of tokens is not competitively possible the small sale merchants will lose far less by observing the above plan, it is believed, where the drop to 15 cents

Chiropractic Adjustments
Will Remove the Cause of DISEASE

Free Chiropractic Spinal examinations will be given every Thursday from 9 a. m. to 9 p. m. during July and August, to all children under the age of 16 years, brought to this office by their parents.

Learn about the importance of the spinal column for normal growth and health; and also the cause and sad results of spinal curvatures, which have their beginnings, as a rule, in childhood, and can and should be corrected in early age by chiropractic spinal adjustments.

Examinations and instructions will be illustrated with the aid of X-ray pictures of the spinal column.

A friendly service awaits you. No obligations whatever.

is made for his benefit.

Some businesses, such as restaurants which have but three, four or five different prices will adjust the bracket system to fit their own needs.

A news release from officials at Springfield states, "Some of the larger cities have set up brackets for the collection of the tax. The Department of Finance is not interested in how the tax will be collected—it is only interested in seeing that the tax is collected on all sales."

"Under the present set-up, if followed strictly by the merchants, the public is assured that it will pay only the amount of tax levied by law."

The tokens which will be issued this week, and available to merchants at the price of \$1.50 per thousand, are of aluminum and a little smaller than a dime. They will be issued in the denomination of one and one-half mills, which is the tax on a five cent purchase. They will be acceptable for the payment of the sales tax anywhere in Illinois.

OBITUARY

MRS. JOHN KOLLING

Sophia Kolling nee Soehausen was born May 4, 1849, in Germany. Her father having died, she came to the United States at the age of 2 years with her mother who made her home in Northfield, Ill. She was confirmed in the Northfield Lutheran church at the age of 13. In 1866 she was united in marriage to Mr. John Kolling in the Schaumburg Lutheran church by Rev. Schmidt and about the year, 1869 Mr. and Mrs. Kolling came to make their home in Arlington Heights, where she lived ever since.

Seven children blessed this union, but all except one daughter, Mrs. Wm. Schloman, preceded their mother in death. Her husband died in 1912, since which time she made her home first with her son, Henry Kolling and later with her son, Herman. After the death of the latter she continued to reside with her grandchildren.

Mrs. Kolling had remarkable vitality, except poor eyesight the last three years. She spent her time with her flowers and was able to be about the garden until three weeks prior to her death, which occurred June 29, 1935, at the age of 86 years, 1 month, 25 days.

There remain one daughter, two sons-in-law and eight grandchildren.

MR. LORENZ TRAUB

Lorenzo Traub, born June 14, 1855, in Ann Arbor, Michigan, was married to Miss Sophie Haag May 26, 1876, at Detroit, where they lived seven years. After spending some time in Chicago, they came to Arlington Heights about fifty years ago. He died in his home here June 23, 1935.

Mrs. Traub, after a long helpless illness, borne with heroic patience passed from this earth life twenty-one years ago.

They were the parents of seven children, five of whom are living. Abbie and Margaret, twin to Bert, died in infancy. The living children, Florence, Elinor, Fred,

Charles and Bert, who lovingly cherish the memory of their father's devoted patient life—in all its trying vicissitudes.

The funeral of Mr. Lorenz Traub was held in the family home Wednesday, June 26. The Rev. H. A. Kossack of the Presbyterian church, having charge of the service, held in the home that his invalid daughter, Mrs. Ella Boeger might be present. The pastor's sermon was full of comforting assurances for the reunion in the life beyond. The singing was by a Masonic quartette. Pall bearers were chosen from the brother masons. The burial service was conducted according to Masonic rites at the cemetery. The interment was by the side of his wife in the Arlington Heights cemetery.

Those attending the funeral from out of town, Mrs. Raymond Mahler, sister-in-law from Manchester, Michigan; Mrs. Anna Miner, Mr. and Mrs. Woodville, Mr. W. F. Traub, Miss Beryl Traub, Mr. and Mrs. Estabrook, Mr. and Mrs. Fred Traub and family, Mr. and Mrs. John Johnston, Mr. and Mrs. Glen Cobb, Mr. and Mrs. Roy Goeake, Mr. M. Oevitz from Chicago; Mr. Fred Benning, Mrs. Henry Huch and daughter, Ruth, Mr. and Mrs. Charles Traub and family, Des Plaines; Mrs. Harry Schoppe and Mr. Wilson, Palatine; Miss Lillian M. Thies from Park Ridge; Mr. Wm. Flesch, Mount Prospect.

Mr. Lorenz Traub was a member of the Masonic Order No. 1162 Arlington Heights lodge and a life member of the Modern Woodmen. He was for twenty-eight years an engineer at the old machine shop now known as the Seating Company. During the long years of Mrs. Traub's helpless life, Mr. Traub was the very soul of patient care and in later years with the same patient unwavering care he has done all possible to help his daughter, who inherits and shares in his cheerful courage under difficulties, beyond reckoning.

No words can better express this heroic man's character than those used by his own children, "Even in loss of strength, employment and needed means, he never gave way to an impatient word, he never complained."

To say this, what more could be added a strong courageous man in all his life devoted to his family and his home.

Eastern Star Notes

Thursday evening, June 26, Arlington Heights Chapter held Girl's Night, with members of the Girl's club filling the various stations. Dorothy Helm, president of the Girl's club served as worthy matron.

Chapter opened with Jennie Carlson, W. M., and Nat. Carlson, W. P., approaching the East, Nelson Hauff, P. W. P. served as W. P.

The officers of the chapter formed an escort for W. M. Dorothy Helm, and the W. P. Nelson Hauff. They were each presented with a bouquet of butterflies.

The officers serving that evening were Dorothy Helm, W. M.; Nelson Hauff, W. P.; Laverne Nelson, A. M.; Elmer Crane, A. P.; Mildred Thal, Cond.; Lydia Hausam, A. C.; Hilda Wilton, Chap.; Myrtle Frey, Mar.; Marian Peterson, Treas.; Inez Ihle, Sec.; Nellie Kellogg as Adah; Florence Schadt, Ruth; Doris Crane, Esther; Marie Muller, Martha; Marion Jahn, Elect.; Gladys Wilton, Warder; Irving Tesch, Sentinel and Helen Jackson as organist. Miss E. Stryker of Ravenswood chapter, served as soloist. Sister Ina Meyer of Wilmette, Chap. gave part of Esther's work. The soloist sang to the worthy matron and worthy patron.

The guest of honor was Dorothy's mother, Mrs. Helm. She was welcomed by Dorothy and greeted in song by the soloist.

Sister Celia Hausam and Sister Georgiana Pankonin were escorted and seated in the East. Sister Celia as instructress and Sister Georgiana, as mother of the Girl's club.

There were two candidates initiated, Mr. and Mrs. Frank Foster.

Sister Dorothy Helm presented to the chapter in behalf of the Girl's club, a beautiful signet. Sister Carlson, W. M., thanked the Girl's club for this gift.

Remarks were heard from the guests in the east, after which chapter was closed.

The guests were invited to the dining room where delicious refreshments were served by Sister Emma Laurin, P. M. and her committee. The tables were beautiful.

Scout Camp Opens With Large Number

With the largest first week enrollment in recent years, Camp Oh-Da-Ko-Ta the summer home for local Scouts opened last Sunday. In spite of inclement weather during the previous week that made the task of getting the camp ready a difficult one, everything was in good order on the opening day and within a few hours after the local scouts arrived at the camp they were in full swing of camping activities. As usual the scouts had the choice of participating in any one of the four camping programs, a large number choosing the base camp with opportunities for instruction in scoutcraft and merit badge subjects. Others having had this experience chose the pioneer unit with its program of Indian lore and dancing or the nautical unit with its aquatic program of boating, sailing, canoeing, swimming, life saving and similar features.

Second Week Opens Sunday

Another contingent of campers will journey to this beautiful site on the shores of Dyer Lake next Sunday to begin their camping experience. Those going Sunday are: Robt. Passmore, Geo. Pasternak, Kenneth Zerrien, Kenneth Jones, Grant Watson, Paul Dundore, Chas. Banks, Geo. Banks and Tom Humphries. Those already in camp are: Jack Brady, Frank Gregg, Geo. Hand, Robt. Bauske, Ernest Muench, Robt. Muench, Alan Gernhard, Don Henderson, Cliff Walsh, Jack Carr, Allen

"I pack your tank with extra miles"
SAYS *The Engineer* IN EVERY GALLON
TYDOL GASOLINE IS LUBRICATED
THERE IS TOP-CYLINDER OIL IN EVERY GALLON OF TYDOL

THE explanation of the extra miles in Tydol Gasoline is simple. Into every gallon of Tydol is blended a special top-cylinder oil. We call this lubricant, "the engineer in every gallon", because it tunes up your motor, the way an expert engineer would. It makes your motor operate so much more easily that Tydol lasts longer and goes further.

This super-lubricant, which is also a carbon-solvent, is carried by the gasoline itself to the valves, the pis-

ton-heads, and upper-cylinders of your motor...places which your motor oil does not reach. It lubricates those vital spots, protects them from heat and friction, frees them from carbon, and makes their operation effortless and smooth as silk.

That is why "the engineer in every gallon" packs extra miles in any tank. Yet those extra miles cost you not a single extra penny. For hi-mileage lubricated Tydol is priced no higher than ordinary gasolines.

GUERNSEY FIELD DAY IS SET FOR NEXT WEDNESDAY

500 Dairy Farmers are Expected at St. James Farm Near Wheaton

Recent encouraging upturns in the dairy industry are expected to help swell the turnout of Guernsey cattle breeders for the annual field day of the Illinois Guernsey Cattle Breeders' Association which will be held on the St. James Farm, near Wheaton next Wednesday.

Approximately 500 probably will attend, according to those in charge of the program. Prof. C. S. Rhode, of the dairy department, College of Agriculture, University of Illinois, will be master of ceremonies of the day's program, and E. I. Pichard, boys' 4-H club specialist of the college, will be in charge of a Guernsey judging contest open to teams of 4-H club members from any part of the state.

In addition to the contest other features of the program will include an inspection of the St. James herd, which is one of the best representatives of the Guernsey breed in the state. Outstanding animals as well as methods of feeding, breeding, and managing the herd will be attractions.

L. R. McNeil, Tuscola, is president of the Illinois Guernsey Cattle Breeders' Association, which is arranging the field day. H. C. Horneman, Danville, is secretary-treasurer and directors are H. W. Winkler, Belleville; R. E. Muckelroy, Carbondale, and L. C. Studer, Roanoke.

AT THE CATLOW

Jackie Cooper in "Dinky" is proving a very popular number as the high spot of the special Independence program at the Catlow theatre, Barrington. It will be screened for the last time this Friday night, and will be followed by the Saturday night showing of "510 Raise."

Edward Everett Horton as the worker that needed a raise so badly he actually ached for it creates a role that is a circus for movie fans. Karen Morley and Allan Dinehart are co-stars. A comedy titled "The Misses Stooze" featuring Patsy Kelly and Thelma Todd, Cartoon and Pathe news will precede the showing of the feature.

"Oil for the Lamps of China," coming to the Catlow Sunday and Monday, with Pat O'Brien, Josephine Hutchinson and Jean Muir heading a huge cast, tells the story of a courageous young American and his unloved bride fighting for happiness against ten centuries of darkness in the land of the Great Dragon. It is a four-star picture rated among the top-notchers of the entire year.

Tuesday, Wednesday and Thursday brings "Reckless" and William Powell in "Reckless." A 1,000 wonders are crowded into this melodrama interspersed with exciting dancing and novel settings.

Fourteen Now Employed on Local Relief Projects

Although there are a great many awaiting assignment, only fourteen are now employed on relief projects in Arlington Heights. These are the early ones who were first examined since the abandonment of all projects in May. These men are employed upon projects previously approved and started. The improvement at the north side water tower park was completed Monday and as soon as weather will permit, cracks in the pavement are to be tared. A few men have been used on cutting thistles.

With the luxuriant growth of weeds and thistles as well as grass there is an abundant amount of work available. Men not on relief projects are receiving grocery orders in place of cash, which does not please them any too well.

L. Steinbrink, of Palatine, who formerly acted as supervisor of this district has returned to an earlier position and his place is being taken by Mr. Petty, of Niles Center.

Nordic Club Robbed Last Friday Night

Four masked men robbed the Nordic country club, southwest of Itasca, of \$400 late last Friday night. Miss Clara Rash, cashier of the club, was seized in her room and forced to open a safe in an adjoining room and give the intruders access to the club funds.

Although told to "keep quiet," Miss Rash resisted strenuously and with her kicking, screaming and biting caused the masked men no little concern. When one of them grabbed her to hush her screams she sank her teeth into his finger. The robbery was completed without awakening any of the other employees of the club. The intruders were apparently familiar with their surroundings and addressed Miss Rash by name. After getting the money from the safe, the men left immediately.

TAVERN'S MUST OBEY LAW SAYS LIES IN LETTER

County is Firm on the Proper Obedience of Regulations

(DuPage County Story)

Since the nationwide advent of liquor following the repeal of prohibition a few years ago, comparisons of the modern tavern with the "saloon" of a few decades ago have been many and varied.

In judging whether or not this is so, one is left largely to his own recollection and judgment. However, N. W. Lies, head of the local liquor control in DuPage county, recently mailed a letter to tavern owners that shows clearly the efforts being made to regulate the dispensing of liquor.

A year ago taverns and tavern owners were given strict orders from the county as well as the state, concerning the manner in which they should conduct their business. The state had already passed various laws for the tavern owners to follow, if they wished to retain their licenses, but the county also thought that it should supply additional control.

Following, in part, is the letter mailed on the first year's anniversary of the county's supervision: DU PAGE TAVERN OWNERS: As you have been informed by the Liquor Commission on several occasions, the liquor business will have been on probation for one full year. It is the intent of the local liquor control commissioner to have this business conducted in such a manner that will put it on a par with other business and hereafter each and every Tavern Keeper will be compelled to obey the law of the State in that regard as well as the rules and regulations as laid down by the county board. Failure on the part of any tavern keeper to comply with the law and these rules and regulations will mean just one thing, which will be the revocation of their license.

We wish to place a special emphasis on the matter of compliance with the State Fire Marshal's rulings. The above conditions are final and will be enforced to the letter. Do not ask anyone to intercede for you for it will avail you nothing. Very truly yours, N. W. LIES, Local Liquor Control Commissioner, DuPage County, Ill.

Mother of Du Page Judge Dies Saturday

Mrs. Adolphine C. Knoch, mother of County Judge Win G. Knoch, died suddenly from a heart attack at her home in Naperville Saturday night. She was 66 years of age.

Miss Jackson, Community Nurse Back on the Job; Baby Clinic Tuesday

Miss Jackson, Arlington Heights community nurse, is back upon the job, after a short vacation, which was largely spent right here in Arlington Heights. She has resumed her regular schedule and is now subject to call.

The baby clinic will be held Tuesday, July 9 at the village hall.

ITASCA LEGION CELEBRATES AT BENSENVILLE

Baby Parade is Big Event, All Kinds of Fun; Come Early

Thursday, July 4, the Itasca Post No. 608 of the American Legion, will hold their fourth annual Independence Day celebration. Every one is cordially invited to attend and enjoy the parade, dancing, band concert and many other amusements. Worthwhile prizes will be awarded.

A juvenile parade will start from the high school at 1 o'clock. Dress your youngster up and construct a carriage and let her or she take the prize. All remember what fun was had last year.

The music for the afternoon and evening will be furnished by Ray's Rubes from Bugtown. Gifts will be presented at 9 o'clock.

Everyone is invited to spend the Fourth with the Legion at Kebbe's.

ITASCA

Mrs. Max Bramer returned Sunday from her vacation trip through Tennessee and Kentucky and a visit with her sister, Mrs. Isaac Condelton at Anchor, Tennessee.

Arthur Schroeder of Iowa, visited at the home of his parents over the week-end.

George F. Pfaff has received notice from U. S. Senator J. Ham. Lewis, stating that he has joined with Senator Dietrich in recommending Mr. Pfaff's appointment as permanent postmaster at Itasca.

Mrs. Charles Klein and daughter, Miss Geraldine, visited friends in Chicago Monday.

Miss Peterson of Chicago is spending the summer at the home of her brother, Carl Peterson.

Carl Peterson, Jr., with his family from Chicago, visited at the home of his parents Sunday and little Don Kenneth, returned with his parents after a vacation with his grand parents.

Mr. and Mrs. Elmer Franzen are entertaining Miss Elder, a friend of Mrs. Franzen's from Colorado, who is convalescing from a recent illness.

Mr. and Mrs. Paul Mitchell of Austin and Mr. and Mrs. Lawrence Scharf of Atotoma, Iowa, with their families, were guests at the home of Mr. and Mrs. Elmer Franzen, Sunday.

ROSS WHEAT, JR.

Ross Wheat, Jr., born Jan. 1, 1914, in Chicago, Ill. There he attended the public school. In 1925 he came with father and mother and brother to Bensenville, he held a position at the St. Paul R. R. Since 1931 he worked only part time a hard lot for many young men in these depression years. Wednesday evening, June 26, he was found in the garage, overcome by carbon monoxide, restorations were of no effect, he passed away at an age of 21-5-25 days.

He is mourned by his father, Ross Chapman Wheat, who, at the time, was still in Washington Boulevard hospital, recovering from an operation; also by his mother, Mrs. Elizabeth Wheat, by his brother, Raymond Wheat, by his grandparents, M. and Mrs. Walsh; by his uncles, Herman, Ed, Paynd, Mentor and Hale Wheat; by his aunts, Cary Marshall, Edith and Grace Wheat; and from mother's side, Mamie Lafleur and Edith Carll, and other relatives and friends.

Funeral services were held at Geil's Funeral Home Sunday, June 30, at 2 o'clock, Rev. H. Wagner, officiating. He was laid to rest in Elm Lawn cemetery.

Mrs. Anna Magers sang two consolatory solos, accompanied by Miss Cora Warnecke. Many flower tokens were presented.

IN MEMORIAM

Busse - William Busse, who passed away July 6, 1927: Just a prayer in your memory, Just this token fond and true; Just to say how much I miss you, And how my heartaches for you; But how sweet to know will meet again.

Where parting is no more, And the one I loved so dearly, Has only gone before. For death cannot sever True love forever, Happy with dear Willie and Esther Loving Wife.

BENSENVILLE

Mr. and Mrs. George Bayne entertained eight relatives from Milwaukee, Wis., last week-end.

Mrs. Willet of Flint, Mich., enjoyed visiting her sister, Mrs. Roy Brakke this last week.

Miss Lillian White was confined to her home several days this week due to illness.

Mr. and Mrs. Harry Salsgaber and children, left Tuesday evening for Perry, Iowa, where they will visit his parents.

Bert Johnson, a clerk for the Milwaukee, certainly fooled the boys lately when he has been making such frequent trips to Iowa. Last Thursday Bert returned from his last visit and along with him was a charming wife. The bride is from Clinton, Iowa. Bert's many friends wish he and his wife the best of luck and loads of happiness.

Miss Loretta Adams of Boscabel, Wis., is visiting her sister, Mrs. L. E. Smethurst.

The large number of theft arrests doesn't seem to bother some of the hoodlums that are still seeking their enjoyment ransacking homes. Last Wednesday evening while the Jim Gary family was out someone broke into their home and took several articles which appealed to them and also Mr. Gary's pocketbook which contained several bills and some change. Police authorities were summoned and fingerprints were taken to aid in the capture of the molesters.

Mr. Wm. Sawyer, who has been making his home with his son, Owen, left Thursday for Missouri where he will stay with his daughter, Lena.

Last week one of our local boys who is in a COC camp in Waterloo, Illinois, wrote his mother, Mrs. A. P. Heim asking her if he couldn't subscribe for the Register and have it sent to him at camp. We are now sending copies to Russell and hope he enjoys each issue. Several of our subscribers now vacationing in Florida, California and Oregon, are receiving their papers weekly and each look forward to each issue.

Mr. and Mrs. Ronald Perry and son of Winona, Minn., are enjoying this week at the Elmer Harkness home.

It certainly isn't a pleasure to walk along our streets with the weeds and grass as tall as the average person. Perhaps if some of our residents would send our cleaning and repairing bills to the village, we would have a little action in getting them cut. There are plenty of fellows who would be glad to spend a day cutting them and would appreciate the chance to earn a couple of dollars.

Mr. and Mrs. Charley Draper of Franklin Park celebrated their silver wedding anniversary at Koebbe's pavilion last Friday evening.

Mr. and Mrs. Thor Kleven and children are enjoying a visit with relatives in Milan, Minn.

Mr. and Mrs. Robert Dival enjoyed the week-end in Lancaster, Wis.

Mr. Castle Kuhn is enjoying a visit with his sister who is here from Indiana.

Mr. Leonard Runge, who is employed in Chicago, spent the week-end with his parents, Mr. and Mrs. George Runge.

Mrs. Neighbors of Maywood, formerly, Dorothy Harrison, is the proud mother of a baby son, born at the West Lake hospital June 20.

Russell Smull is seen dashing about in a new Plymouth car.

Mrs. Owen Sawyer and Mrs. Wm. Kleven spent Wednesday in Chicago.

Mr. and Mrs. Charles Buell and children are enjoying a few days in Terra Haute, Indiana.

Mr. Wm. Rands was guest of honor at the home of Mr. and Mrs.

ROSELLE LIONS INVITE ALL TO THE BIG PICNIC

Free Dance all Afternoon, Rides, Amusements and Refreshments

Roselle will hold the annual July 4th celebration at Roselle Park next Thursday. With weather favoring a record crowd is expected to participate in this day of recreation and amusement which is sponsored by the Roselle Lions club.

As in former years, all the usual attractions are going to be available at Roselle. Rides of various kinds which are the delight of the kiddies, skill and coin games and like amusements which win the favor of the older folk, and plenty of fun will be in store for all who attend.

Perhaps the leading attraction is the free dancing to good music all afternoon on the cool confines of the grove on a spacious floor. Along with the popular dances of the day the famous tunes of yesterday will be played and the older people will be given an opportunity to show how it used to be done, and if unpracticed limbs and feet will permit, how it still can be done today.

In the evening will be the big dance with music furnished by an excellent orchestra. Folks who can not arrange to be in Roselle during the afternoon should arrange to be on hand for the evening amusement.

There will be an abundance of good food and refreshments on the grounds afternoon and evening. Plenty of parking space has been made available by the Lions organization. Out of town people are invited to bring their picnic lunch and spend all day in Roselle.

David Rands Monday. The occasion in honor of his birthday.

Mr. and Mrs. Wm. Burnett and children and Mr. and Mrs. Henry Davis are enjoying this week at Gull Lake, Michigan.

The Bensenville business men meet at the Wm. Dunteman home Monday evening.

Mr. Robt. Harmon and lady friend of Chicago, spent Sunday at the Wm. Harney home.

Mr. and Mrs. Arthur Bissel of Rome, New York and Mr. and Mrs. Geo. Shaw spent Monday in Madison, Wisconsin.

Don't forget the dance at Hack's Tavern Saturday evening.

Mrs. Richard Payne spent Wednesday in Chicago with her sister.

ADDISON

Mr. and Mrs. Harber visited Mr. and Mrs. Atz Potenhauer Friday. Miss Ellen Marquardt spent Sunday with relatives.

Mr. and Mrs. Fred Schultz from California are visiting his parents a week.

Miss Elsie Vermillion spent a few days in Chicago.

Mr. and Mrs. Tode are happy parents of a baby girl.

Louis Oestmann and family spent Sunday with Mr. and Mrs. Wm. Fiene.

Christ Jask moved to Wood Dale last week.

Miss Bertha Osche of Maywood, visited her sister, Mrs. Biesterfeld Wednesday.

Mrs. Sperry spent Thursday afternoon with Miss Hattie Beckenfelder.

The Ladies' Auxiliary had a picnic at the Orphan home Tuesday.

Mr. and Mrs. A. Vanderstout from Elmhurst visited Mr. and Mrs. Hochmuths Saturday.

NOTICE

Take notice that an application for retail liquor dealer's license outside incorporated village or town in Cook county has been made by the following:

Emil Herbold, "Dad's Tavern," located Irving Park Blvd. & Sutton road, R. F. D. Route No. 1, Elgin, Ill.

Joseph Mularski, location Higgins road east of Des Plaines river, Leyden township, Des Plaines, Illinois.

Ruben B. Noren, "Rob Roy Country Club" location Elmhurst road, 1 mile east of McDonald road, Mt. Prospect, Illinois.

Raymond Olsen "Olsen's Barbecue," location Route No. 1, River Road near Lawrence avenue, Leyden Township, P. O., Des Plaines, Ill.

Anthony Sikora, "Donkey Inn" location Plum Grove, 1 mile south of Palatine, Route No. 1, Palatine, Illinois.

Robert White, "Tropical Gardens" location N. W. Cor. Ballard road and Milwaukee avenue, East Maine township, P. O. Des Plaines, Illinois.

Objections to the granting of such license may be made to the president of the County Board as local liquor control commissioner in writing and signed by objector within five days stating specifically the grounds of objection.

CLAYTON F. SMITH, Cook County Liquor Control Commissioner, 523 County Building, Chicago, Ill.

Many Rain Checks In Soft Ball League

With the clouds rolling away for short periods every day, the schedule of the soft ball league has been all shot to pieces. In an attempt to bring order out of chaos, this week's games are being transferred to the end of the schedule, while an attempt is being made to hold the previous postponed games this week. Yet Monday night there was a postponement of a postponed game.

The Tong

Tongs are Chinese secret societies, and feuds between them, which are frequently attended by bloodshed, are called Tong wars.

THEATRE NEWS

At Rialto Theatre

Coming to the Rialto Theatre, Elgin, Sunday for four days, will be "No More Ladies," Metro-Goldwyn-Mayer's new Joan Crawford picture co-starring Robert Montgomery, is one of the finest pictures these two popular stars have ever made.

An uproarious comedy with strong underlying drama of the tactics used by a modern woman to hold the husband she loves, it was cleverly adapted from the Broadway stage hit by A. E. Thomas.

The featured cast is exceptionally brilliant, including Charlie Ruggles, Franchot Tone, Edna May Oliver, Gail Patrick and Reginald Denny. It would be a hair-splitting procedure to determine which turns in the most convincing characterization.

With an inspired wardrobe by Adrian and lavish backgrounds by Cedric Gibbons, Producer Irving Thalberg has framed his picture with characteristic originality and attention to detail. Edward H. Griffith's direction surpasses his customary high standard.

AT THE CHICAGO

"Murder in the Fleet," Metro-Goldwyn Mayer's detective story starring Jean Parker, Robert Taylor, Ted Healy, Una Merkel, Nat Pendleton, Jean Hersholt, Arthur Byron and Frank Shields, comes to the Chicago Theater Friday, June 28.

The action of the picture takes place, practically in its entirety, aboard the ship. Murders are committed on visitors day, and civilians and naval crew find themselves in detention while a young naval officer turns detective to trail the killer. Every person on the ship is suspected, and the solution comes as a surprise in the final scenes. Desperate fights in the hold of the vessel, in a flooded powder magazine, the race to build a new firing gear, and other exciting details figure.

The ship's armory, power magazine, bridge, fire control rooms, and other details were part of the elaborate replica of a warship, housed on the largest stage at Metro-Goldwyn-Mayer for the picture.

LET US MAKE YOUR VACATION TRIP SAFER

BEFORE you start on your holiday trip, let us completely inspect your car. There is no charge for this service and it will assure you of a safer and more enjoyable trip.

For the convenience and safety of car owners Firestone has established more than 500 Auto Supply and Service Stores throughout the country, and thousands of Firestone Dealers are also equipped with complete Auto Supplies and complete Service Departments, to test and service your tires, brakes, batteries, spark plugs, in addition to power lubrication and crank case service.

AVOID THE DANGER OF BLOWOUTS

Firestone removes the danger of blowouts by preventing their main cause—internal friction and heat. This is accomplished by Gum-Dipping.

THERE ARE THREE QUESTIONS AND ANSWERS THAT WILL SOLVE YOUR PROBLEM OF WHAT TIRES TO BUY:

1 "Will the tread give me the greatest traction and protection against skidding?"

University tests show Firestone High Speed Tires stop cars 15 to 25% quicker.

2 Gum-Dipped cords give greater blowout protection. Gum-Dipping is not used in other tires.

3 Wider, flatter tread gives more than 50% longer non-skid wear.

FINAL PLANS MADE FOR STAGING BIG FIREWORKS DISPLAY AT MT. PROSPECT

Events Arranged by Committees Include Soft Ball Game, Barrel Contest by Village Firemen; All Organizations Lend a Hand

The big Fourth celebration will be staged on next Thursday night beginning at 6:30 with the soft ball game on the soft ball diamond. At 8:00 o'clock the water fight will take place on Elmhurst, and at 9:00 program will terminate with a display of fireworks at the intersection of Elmhurst and Busse avenues.

The plans for the Fourth celebration received the final approval on Monday night at the general committee meeting. Almost enough money has been turned in to make the whole program assured, and enough has been secured to make the celebration a success.

The committee has had a very short time to do its work and there has been little opportunity for any publicity, but cooperation on the part of the Village board, the Improvement Association, the Masonic club, the V. F. W., the American Legion, the Lions club, and interested citizens has made the big event possible.

Married Men vs Single Men
No celebration in the Village would be complete without a soft ball game. The married men will attempt to prove to the single men that marriage is no handicap and will try to avenge the defeat of last year. The final plans are made and teams are being formed for the game which will be staged on the soft ball diamond at 6:30 o'clock. Mr. C. R. Hennix is taking care of the arrangements for the soft ball game, which will be the first event on the program of the evening.

Water Fight Assured
The Village firemen have consented to have a water barrel fight. The barrel to be used has received its final coat of paint at the hands of Fred Busse in the Busse-Biermann store, and painted red, white and blue will be more easily seen than it was last year. The water fight will be staged on Elmhurst avenue at the same location as last year. The poles used for the fight last year are still in place, having been left by the telephone company. An exciting time is expected when two teams of expert fireboys turn streams of water under high pressure on the barrel.

Fire Works Display
The third major event of the program is the fireworks display which will be in charge of Mr. Leslie of the Thearle Duffield company who handled the display so well last year. This event will take place in the same location as last year, on the south side, in the area west of Elmhurst avenue and north of Busse avenue. The site selected last year proved ideal for the spectators who will have a clear view from the high ground east of Elmhurst avenue. The firemen have expressed a willingness to handle the crowds and will see to keeping the streets clear of cars in the area. The grass will be cut and removed. Edwin Haberkamp reported, before Thursday so the danger from fire will be eliminated. The display has been bought by Ralph Gould, C. L. McCoy, and Otto Landeck, and there will be aerial bombs, rockets, sky illumination, and ground pieces of various forms, following in sequence that will keep everything going from the first bomb. If the unexpected happens and there is rain on the evening of the Fourth, the display will be given on the first fair night afterwards, within a week.

The Boy Scouts will have a booth on the street where they will sell refreshments to the spectators. They will have ice cream, pop, cake and sandwiches for sale.

It was voted at the meeting of the general committee to ask the Lions club to take the responsibility of starting the planning for the Fourth celebration next year a little earlier than it was started this year. The representatives of organizations all expressed a wish that the Lions club planning just to get the celebration started, but not necessarily to sponsor it. A final meeting of the general committee will be held next Monday night in the Village hall, to hear the final reports of the various committees.

The committees making the canvass of the Village reported a total of \$146.85 collected and \$15.00 promised but not yet collected. The goal set was \$200.00. Enough money has been raised to assure the success of the celebration, but not quite enough to carry out the complete plans made. If anyone has not been seen he should make his contribution directly to Otto Landeck at his store before Thursday.

Out of Town Cars Collide on Highway At Main Street

The average of one accident a week was maintained when a car driven by John Pulaski of Norwood Park west bound on Main street failed to stop at the red light and crashed into a car driven by Wm. M. Murray of West Chicago south bound on North West highway last Wednesday morning at 11:30.

Mr. Pulaski was extracted from his car by Policemen George Whittenburg and kept at the police station until he made bond. He is said to have been drinking and the local officer experienced some difficulty with him. When the prisoner came to his senses he apologized profusely for his conduct.

The front and fenders of both cars were damaged to the extent of more than twenty dollars each, but Mr. Pulaski assumed the payment of the damages.

MOUNT PROSPECT

Mrs. P. H. Frey and Mrs. E. M. Luckner were guests of Mrs. Evans on Friday afternoon in Chicago.

Dr. A. L. Buck was a visitor at the Lions meeting Thursday night. He also visited the Village Sunday for the donkey ball game.

Betty Hohmann, daughter of Mr. and Mrs. Hohmann of S. Ioka avenue, sprained her ankle Monday.

Miss Bernice Tatge, Milton Sporleder, his sister, Louise, and his mother went to Chicago on Sunday to celebrate the birthday of Mr. Sporleder's niece, Nancy.

The highway was flooded at the under-pass in Des Plaines on Monday evening and cars were experiencing a great deal of difficulty in getting through. Many detoured to Des Plaines by Elmhurst road.

Mr. Fred Mueller and daughter, Alice, attended the funeral of Mrs. Brockmeyer of Edison Park on Friday.

The Falkangers have returned from their vacation.

On Sunday, June 30, Mrs. P. H. Frey entertained about 25 relatives with dinner at the Chocolate Shop in Park Ridge. After dinner they returned to Mt. Prospect and enjoyed the remainder of the day in the P. H. Frey home. At a late hour the party disbanded and everyone wished for Mrs. Frey many more happy birthdays.

Our Children

WHY?

"I WISH I knew some way of making Clarisse practice her music."

"Doesn't she practice?"

"I should say not. If I didn't force her to go to the piano and stand there until she began playing she would not touch it. I've promised her everything but it's all no use."

"Why don't you try letting her alone for a change?"

"She wouldn't do a thing. I'm telling you. Know what she did last week? So deceitful. I was so upset I cried. I made her go to the piano and I stayed there until she got her music on the rack and began running her fingers up and down. I had people coming to dinner so I had to go. I listened every once in a while and I heard her playing. At least I heard the piano going."

"Well, her father came home early on account of the company and he came to me in the pantry and said, 'Mary, is Clarisse supposed to be practicing or what?'"

"She's supposed to be practicing."

"But as a matter of fact she was reading a shocker and the kitten was doing the practicing."

"There she sat reading a perfect awful book and every once in a while touching the keys, and letting her kitten go up and down the keyboard to fool me into thinking she was playing."

"I'd stop giving her music lessons."

"It's just a shame when Mrs. Clure's Marie plays like a streak. She gave a recital at the town hall last week and everybody was crazy about it. And I can't get Clarisse to do a thing."

You can't get Clarisse to do a thing but cheat if you feel like that. Making a child learn to play a musical instrument, take a professional course, learn to dance for public appearances so that you can enjoy the applause won't do. Children do not learn that way. An art must have its source in the child's soul. If it is not there you can never put it there. It is unfair to use a child that way and no good comes of it.

Fathers sometimes make the mistake of trying to make star sportsmen of their sons. A place on the big team, a seat in the shell, a medal for a first in track or field sometimes becomes so important that it wrecks a boy and shakes a home to its foundations.

If you have a star, well and good. Let it shine. If you have a pleasant rushlight tend it well and let it shine happily within its own little circle. It is better that way.

Genoa Throbs With Life

Genoa, Italy's animated Mediterranean port, throbs with modern life, with fine palaces and historical buildings which evoke memories of a glorious past. Genoa's works of art include the Cathedral of San Lorenzo and the Sixteenth and Seventeenth century palaces.

SEWER PROBLEM STILL IS NOT SETTLED

Various Plans Suggested; Nothing Decided At Meeting

The bad weather of last Friday night kept quite a number of people from attending the mass meeting for the discussion of the sewerage problems of Mt. Prospect, but about fifty representative citizens were there. All who attended had the privilege of hearing the problems discussed by experts and asked questions about phases of the matter and made suggestion to solve the problems.

Mr. H. J. Thal, Village attorney, spoke first and outlined two possible ways of financing the sewerage treatment plant. The first plan was that the Village sell bonds locally and make a charge on each user of the sewer system to pay the bonds, with some sort of a fee which would equalize the payments on each house built after the sewerage treatment plant was in operation. The other plan was that the Village borrow money from the federal government and pay back the money by a service fee based on the use of water by the home owner. The biggest item of expense, Mr. Thal pointed out, in the construction of a sewerage treatment plant would be an intercepting sewer to pick up all drainage into Willow creek and connecting that sewer with a treatment plant.

Mr. C. E. Schwob, State Sanitary Engineer showed slides depicting the history of the development of handling sewage from the earliest history of mankind down to the present. He showed surveys made of all of the state of Illinois and he pointed out many bad places of contamination over the whole state. A hearing was held on May 18th and the Village was ordered to correct its sewage disposal. He stated that there are ten outlets into Willow Creek and one into the Des Plaines river from the Village which would be connected to a treatment plant. He suggested securing a loan and grant from the Federal Government to finance the construction.

Mr. Smith, of Consoer, Townsend and Older, next spoke and brought out that the flow of Willow Creek is insufficient to dispose of wastes from the Village. He suggested that all sewage, including storm water, would eventually have to be treated, but that overflows could be constructed at this time permitting only the treatment of the ordinary sewage and allowing rain and storm waters to run untreated into the creek. The first he named a chemical precipitation plant, which would be expensive to build and expensive to maintain. A trickling filter plant with a rock filter would treat and remove 90 per cent of the contamination, would be a little less expensive to build and would be less expensive to operate. An activating sludge plant which cost much less to build but more to operate was the third suggestion. According to an unofficial estimate given the meeting by Mr. Smith, the costs of building would be about 60 per cent for material and 40 per cent for labor, on the the plant construction. The intercepting sewer would have only about a 35 per cent cost for material. If the service charge were to be used as a basis of levying costs against the house owner, the water bill in the winter time would be taken and not the summer bill when sprinkling was done.

The chief questions seemed to be why other towns have not been cited by the State. The construction costs would be about twelve to fifteen dollars per population served. The meeting closed without anything definite decided upon, but with the whole problem to be settled by the Village board.

A Rhyme O' Health

Here's a toast to health and charm And cheeks as smooth as silk, Fruits, vegetables—protective foods— And with them drink fresh milk!

BRAVO! we cry and cheer with vim, at sentiments like these; for milk and fruit and vegetables are a combination sure to please! It's unanimous! Mother, Dad, Brother and Sister agree on that without a dissenting murmur!

You've heard about eating to live and living to eat? Here's a suggestion: Why not compromise on the two ideas—do one to accomplish the other?

After all, there are just so many different types of food, and everything that you eat is just a variation of those types according to preparation, amount, and personal taste. There are some foods, however, that are considered absolutely essential for a well balanced and adequate diet.

Now, if you would like to be able to live long in order to eat include in your daily diet two servings of fruit (one citrus or tomatoes), two vegetables besides potatoes (one green leafy or yellow) and a quart of fresh pasteurized milk. If you do, you'll find that you're eating to live—healthily, happily, and "lengthily."

IN THE LION'S DEN

The Lions meeting on last Thursday night with the wives of the members present was very interesting. The speaker of the evening, Mr. A. Carlson of Maywood, made a very interesting talk. His subject was "A Philosophy of Life." His definition of a satisfactory philosophy was "One should live so that life will be better for some one else." All impulses should be subjugated to that which is good, he said. Everything should be taken in its relationship if it is to be of value. And good is that action which makes it easier for some one else to live. That is the philosophy of co-operation.

He said also that all our convictions are colored by our experiences. The pleasure seeking person is not worth much. His philosophy is not good, because it leads to individualism. Neither is the person who is entirely subjected to law regardless of its goodness or badness worth a great deal. This is the philosophy of the one who brags, "I can take it." And the philosophy of the person who says that the individual is a part of the whole is not a good philosophy. This is the philosophy of Hitler. Of course we are all a product of what we have from others but this philosophy doesn't fit these days.

Following the dinner and the speech of Mr. Carlson the new members of the Lions were inducted into the organization in a very fitting manner, with Lion-tamer Frank Biermann officiating. The installation of the newly elected officers followed. T

DONKEY GAME PROVES BIG HIT SUNDAY

Interesting Game for Spectators as Well as for Players

The good time promised last week by the news that a donkey soft ball game was to be played on Sunday afternoon between the American Legion team and the Lions club team was put very mildly. The donkey ball game was one which will be remembered for a long time by all those who attended it. The sight of staid, sedate business men riding, or trying to ride the diminutive animals was quite uproariously funny, to say the least.

While the rules of the donkey game were very definite, they were quite a bit different from the rules of the ordinary game. The catcher and the pitcher were the only ones besides the umpire who were not mounted. The batter hit the ball while unmounted, then climbed aboard a donkey, if he was fortunate enough to get one of the two which could be mounted. If he was lucky enough to draw the third donkey, he didn't climb aboard, he only tried. Though two men did manage to stay on the balking donkey, they gave a very undignified exhibition of riding.

After hitting the ball, the donkey mounted, the problem became one of getting to the first base before the fielder rode over to the batted ball, climbed off his donkey, climbed back on then threw the ball to a baseman. This all took time, of course, and the whole game was a study in slow motion.

The high light of the game were Frank Biermann stealing second base on his slow-moving animal with the whole infield of the Legion team gathered around to prevent him. He made it. The catcher of the Legion team so busily engaged in watching the antics of the base runner that he forgot he was playing and permitted Fred Meeske to make the one count for the Lions team. Doc Cunningham riding the balking donkey was another high spot of the game.

The crowd was estimated at well over five hundred persons, and the income from the game was quite satisfactory, it is said. The Lions and the Legion post will each use their share of the money for some project of betterment in the community.

The final score was tied at one to one, after an hour and a half of play. Following the donkey game a regular soft ball game was played with the same men participating who had played from the backs of the animals. The final score of that seven inning game was 5 to 4 in favor of the Legion.

SO THEY TELL ME

ARLINGTON HEIGHTS OF THE FUTURE
In spite of the present park assets, Arlington Heights is still behind many progressive communities in providing for a large park area to serve as a community center. With the PWA providing for 45% of the cost for this kind of public improvement and with the necessary property available today much below its real value, a project of this nature, while not being promoted by the Herald, is well worth the consideration of Arlington Heights citizens who have an eye to the future.

WHO CARES?
Will Arlington Heights have a centennial celebration or not? 1935 marks the year of the One-hundredth birthday of the village of Arlington Heights but who knows it? And who cares?

Des Plaines and Deerfield are celebrating the century mark with a big celebration. Mount Prospect, our small neighbor, remembered its birthday last year. Elgin has made plans for its celebration this month. Arlington Heights should be no less proud of its name and age. None of us shall ever see an even hundred birthday candles on the birthday cake of Arlington Heights again. Shall we let the year 1935 roll by unnoticed?

The Herald will be glad to receive suggestions.

OUR HEALTH SERVICE
At this time of the year the Arlington Heights health committee asks the village, the high school, elementary school, and other societies to pledge amounts which will make possible the continuation of the present health service.

The Herald feels that the health work being done by our community nurse is so worth while that it should not be curbed in any manner.

It is as important as any of the departments in the village government. It equals the work of any teacher in any of the schools within this village. It enters a field of its own and does some of the "nasty jobs" that only a big hearted, level-headed, sympathetic and hard working health worker can handle. Perhaps Arlington Heights has

RED WINGS JOIN MIDWEST BALL LEAGUE

Tough Games Scheduled for Arlington Ball Club; Finalists at Cubs Park

The Arlington Red Wings are now members of the strongest semi-pro baseball league in Chicago, a league that has been organized for better than 15 years. This will be a guarantee to their fans that only the best ball teams will be scheduled to play at Arlington Heights as the Red Wings are registered as a home club, they will play all games at home, until the finals, providing the Red Wings can manage to stay in the running, will be played off at the Cubs ball park.

Next Sunday, July 7, a Midwest team, who has not lost a game so far this season, the Geo. Forth Coals, will play here. This team was formally the Miller High Lites now sponsored by Geo. Forth and is not the Geo. Forth Coals that played here the beginning of this season.

The Red Wings will travel July 4, to Elgin and play the Trade Council team, who are members of the Ill.-Wis. football league.

"Our boys will appreciate if the fans will travel to Elgin and give their support," says Chas. Page. "Elgin has an enclosed baseball park, and seating capacity sufficient to enable every one a seat, so lets everyone be on hand to encourage the boys to win, as the next three games will be plenty tough competition. July 4 at Elgin, July 7 Geo. Forth Coals and July 14 Peter's Union Giants at Arlington."

Last Sunday the Red Wings defeated the All Nations, score 14 to 2. Batteries for Red Wings, Wm. Deidrich, pitcher; Rox Bolte, catcher.

become so accustomed to Miss Jackson and her work here that some people do not realize the loss its abandonment would occasion to the community.

GOLDEN EGGS

Tidy sums in "butter and egg money" are made by farm women who use the telephone. A telephone call is a quick, easy and dignified way to sell. One call to the local market determines the highest prices being paid. Another call to each customer clinches the sale, assures delivery and often results in additional orders for poultry and seasonal produce at the best prices available. This is only one of many things the farm telephone can do at a profit! Employed every day, for a variety of uses, it can and repeatedly does show a profit above its cost. Remember, it works for small pay.

JULY 4—OLD TIME DANCE

MUSIC BY THE DIXIE HAYSHAKERS

So good follows good, and a staunch friend and fellow sufferer in our seemingly lost bank deposits tells us we are to have another so-called "dividend." He also says we should be glad our bankers have brought about a safe assurance of our life savings by their own efforts without having to call on Washington for help. We never did lose faith, nor will we blame those not to blame.

When all creation seems to be jittered out of gear, there is nothing so calm and assures us, as a garden. Have just been out to see—well a few potato bugs—but we know how to deal with them, found one perky little tomato as big as the end of your thumb; peas, oh, ever so little. Of course Mrs. Cleveland had peas for Sunday dinner a fortnight ago. We don't mind, didn't start ours so early.

Ours is a most satisfying garden full of promise just like our statesmen. In it are flowers, a mass of color, corn flowers of every shade and color; brilliant poppies and oxeye daisies. A sweet briar like a mountain of fragrance and wild rose shaped blossoms. Do you know the fragrance of the sweet briar?

I am sorry for the gardener who cannot sell his stuff; And also for the farmer who has troubles enough. Yet I hope it isn't wicked when my heart gives joyful beats to see out in our garden. A year's supply of eats.

Another cause for being glad for the good that is motivating the people of our townsmen, cutting the grass and weeds along the streets and parkways, and if all men who with their hurt pride who engaged in this work do that work as thoroughly and as well as the man who cut, even with a damaged scythe, the stiff wiry quack grass, over two feet high. I say if all did their work as well as that man who cut in front of our home, I'm sure they deserve high praise and a better job.

We see thistle commissioner Louis Clark busily marshalling his forces to stay the Canada thistles that have no respect for boundary lines, leagues of peace, but creep in our garden from all points of the compass. Like their boasted progenitor, their's is a dominion on which the sun never sets.

Here this old pen propels me and rattles on about everything in nature and the garden when should think about our great national Independence Day. Maybe it was realizing that Independence that led me to write as I felt "moved" by the spirit of freedom.

It was the Fourth of sixty-one, A flag rang loud across our land; Our flag torn down by rebel hand, And the mad civil war begun.

It was the Fourth nineteen fourteen, From foreign shores a war cry came, Urging our youths under the screen, "To make the world safe for Democracy."

It was the fourth in thirty-three a century new, When all the world rejoiced in Peace, Our great fair spread a dazzling view, And everywhere showed wealth increase.

This nineteen hundred thirty-five We hail our Independence Day, With foes within, who stir and strive, To take our glorious rights away.

We are so stirred within, without, And men who boast learning their pride, Of "isms" fantastic write and shout, Spreading dissension far and wide.

For our foundations, tried and strong, Wake up! Our countrymen unite, To put such foes where they belong, Foes to our freedom out of sight.

All right, lets have a picnic, some one read the declaration of Independence, Will Rogers advice to make a map of Arlington Heights, while someone serves some of Huey Long's salad such as he served to the suffering senators that memorable night. Come on lets have a picnic, bring a good strong soap box and let each occupy it while airing long pent up opinions. Come on!

Maybe the prospect of that dividend has made us all a bit cheerful, for we heard from a busy business man this morning. That in his hawk they had three times the busi-

ness they had this time last year, and we know our neighbor, Mrs. Bauer worked nine hours a day last week and at the Seating company we hear the saw singing busily all day.

Another pleasing feature of the closing schools, we are glad to note that Miss Harriet, eldest daughter of Rev. and Mrs. H. A. Fricke, was graduated from St. Peter's church school with highest honor. She gave the valedictory and conducted her part most creditably. She now receives a scholarship entrance into the Arlington high school. We congratulate her on her well deserved success.

Coming to Arlington Heights after twenty-one years residence in the east Mr. B. L. Traub finds some difficulty in finding the old landmarks. So many changes in the homes and outlines of the old town. The expansion of the town is bewildering, yet he finds no difficulty in finding old friends of his family who are indeed glad to see him and to find he has grown to be a successful business man. Fortunately at the time of his father's illness he has been in Chicago.

One begins to realize their years when these people we think of as children are now almost grandparents. Here comes Bertie telling of his son seventeen years old, the trouble is when one doesn't keep up with their own added milestones.

This is to be a "hurry up" week in preparation for the Fourth. Many plans and parties are on the air, many of them like our president "must" edicts can you remember "way back when" someone asked you if you were "going to the Fourth?" Yes it was a genuine Yankee too, so we can't lay that to a foreigner. Newspapers and magazines are full of directions as to preparing lunches for picnics and yet we haven't found out what "Andy" took to the "Van Porters."

Despite the headlines and the honors we read about in the newspapers, the good outweighs the evil and we do read between the lines, in reports from all our Christian churches, there is a cry for return to the faith of our fathers; a more earnest realization of our spiritual life and our need of its deeper control in our lives. Too much do we magnify the body and neglect our spiritual growth the real living part of us.

Athletics are well enough, but when we strive to build the body and neglect the mind and spirit, we make a great mistake. Sport is well for sports sake, but strife to outdo someone else is harmful. If we could only look on the real ego, the mind, the soul. We need to build and strengthen our moral sense and as a saving grace, let me add "A sense of humor." Now forgive a digression and let us seriously consider "What is your wish for our town—Arlington Heights?"

What is your wish for our town, In all its spaces up and down; Your wish that it may be? The one great feature east or west To make it grow to be the best Of all the towns you see.

What is the one most needed thing Into our home town you would bring.

To bless humanity, One factor building highest good, For all our broader brotherhood, Your prayer for it to be. The old time faith, the old time trust.

In God, that every Christian must Build in his family. Towers and public halls may rise, Our town is built in families In beauty yet to be.

What is the gain in all we say, If we forget the Sabbath day Forget children to guide? Autos dash on and far away, Games and parties wild and gay, Over the country side.

Physical culture, great athletes, Hold in our schools the favored seats; Physical strength is well, Yet, if in building we forget The spirit being greatest yet Of this do leaders tell?

Strength of body, strength of mind Ruled by the spirit, thus combined In all our lives should dwell. Building the brutal pugilist, Who wins his millions with his fist The hords of crime still swell For our new age, our later time, Brings us great miracles sublime; O let us not forget God brings these to the human mind.

His spirit moving all mankind Gives greater blessings yet. For every goodly gift that comes Into our schools, churches and

MORTON GROVE RAMBLERS
TO HOLD ANNUAL OUTING

All arrangements have been completed for the annual outing of Morton Grove baseball club, which will be held next Sunday at Grays Lake. A cool, clean lakeside grove has been secured and from all advance indications a large turnout of fun-seekers will be in attendance. The committee in charge has arranged a very interesting program of varied events for both men and women, young and old alike.

There will be the usual dashes, a women's baseball throw, a horse-shoe contest, tug-of-war, and the ever comical nigger-in-the-wood-pile game. A straight load of George Muscogee waterlogged melons will be available to quench the thirst of the watermelon addicts. The program will reach its climax in late afternoon when the Ramblers team meets the Grays Lake Greys in a regulation game at the home team's field.

The time for departure has been set at 9:30 and the automobiles will leave en masse from Monument Park on Lincoln avenue.

Last Sunday the Ramblers took another scalping from the Algonquin Indians. Inability to hit in the pinches by the losers and some very effective hurling by Jim Tally, Algonquin's full blooded Black-foot Indian pitcher, meant the difference in the 6 to 2 score. The Ramblers' only consolation was the commendable performance of centerfielder Brown, whose delirious fielding was the feature of the game.

ST. JOHN'S EV. LUTHERAN
CHURCH

L. A. Grotheer, Pastor
Sunday, July 7, two services will be held.
German at 9:30 a. m.
English at 11 a. m.

These services are held for your benefit and edification. Don't fail to be regular in your divine worship during the summer months, also.

Sunday afternoon at 2 o'clock our regular quarterly voter's meeting will be held. Voting members, please take notice.

homes,
Thank God, and own the best
Is the old faith, the reverent trust,
The basic rock on which we must
Build our town strong to rest.
I'm just one humble mortal
Trudging along to heaven's portal;
Not to claim a crown,
Yet with hope and prayer sincere
That God will lead His people here
To build for Him our town.
Elinore Crisler Haynes.

EXAMINATION FOR
POSTMASTER

To fill the vacancy in the position of postmaster in Arlington Heights, the United States Civil Service Commission has announced, at the request of the Postmaster General, and in accordance with an order of the President, an open competitive examination.

To be eligible for the examination, an applicant must be a citizen of the United States, must reside within the delivery of this post office, must have so resided for at least one year next preceding the date for close of receipt of applications, must be in good physical condition, and within the prescribed age limits. Both men and women are admitted.

Under the terms of the Executive order, the Civil Service Commission will certify to the Postmaster General the names of the highest three qualified eligibles, if as many as three are qualified, from which the Postmaster General may select one for nomination by the President. Confirmation by the Senate is the final action.

Applicants will not be required to assemble in an examination room for scholastic tests, but will be rated on their education and business experience and fitness. The Civil Service Commission will make inquiry among representative local business and professional men and women concerning the experience, ability, and character of each applicant, and the evidence thus secured will be considered in determining the ratings to be assigned to the applicants.

The Commission states that presidential postmasters are not in the classified civil service and that its duties in connection with appointments to such positions are to hold examinations and to certify the results to the Postmaster General. The Commission is not interested in the political, religious, or fraternal affiliations of any applicant. Full information and application blanks may be obtained from the secretary of the local board of civil service examiners at the Arlington Heights post office, or from the United States Civil Service Commission, Washington, D. C.

GLENVIEW

Girls Club Night at the Order of the Eastern Star was a happy event Friday, June 28, in the Glenview Civic building. The chapter room was beautifully decorated with baskets of flowers. There were visitors present from Chicago, Evanston, and Arlington Heights. The following served as officers:

Gladys Harrison—Worthy Matron.

Arthur Palmgren—Worthy Patron.

Julia Meyer—Associate Matron. Walter Hanneman—Associate Patron, Edison Park Chapter, Secretary—Muriel Tarbell, Utopia Chapter, Chicago.

Treasurer—Agnes Stickrah. Conductress—Mildred Kehle. Associate Conductress—Myrtle Freese.

Chaplain—Dorothy Mittelstaedt. Marshal—Adeline Rugen. Organist—Anna Baumhardt. Adah—Dorothy Helm, Arlington Heights Chapter.

Ruth—Laura Krueger. Esther—Florence Miller. Martha—Juliana Greening. Electa—Fern Krueger. Warder—Lillie Palmgren. Sentinel—Clara Rugen.

Soloist—Olive Rugen Borland. Guest of honor was Laurine Harrison Borre, who was escorted and introduced.

Following the meeting and business, remarks were heard from the acting matron and patron, Gladys Harrison and Arthur Palmgren. Also we heard from Evelyn Meyer, Laurine Borre and Marvella Kraykora, past president of the Girl's club, and George K. Volz of Arlington Heights, who was called the "daddy" of the club. Delicious refreshments of strawberry shortcake and coffee were served. The officers' table was beautifully decorated with pretty flowers and favors. Entertainment included a number of tap dances by a troupe of three girls, pupils of Mrs. Vivian Burt of Glenview, and two readings by Julia Meyer. Evelyn H. Meyer of Niles Center and Wilis J. Staples of Chicago are the present matron and patron.

The trustees of the Congregational church held their July monthly meeting at the home of Mr. and Mrs. J. W. Snydam of Milwaukee avenue Tuesday night.

Mrs. Ernestine Freese and daughter, Myrtle, are spending this week on a tour to Washington, D. C. via the Pennsylvania railroad. The Glenview Volunteer Fire company sponsored an old-time dance in Dilg's pavilion and grove Saturday night, the proceeds to go toward the purchase of new equipment. Those present report the usual good time.

Announcement was made last week of the marriage June 22, of Mr. Walter J. Hoffman, son of Mr. and Mrs. Harry Hoffman of Glenview, and Miss Ardath Walter, daughter of Mrs. Anna Walter of Glencoe. Mrs. Hoffman was formerly a teacher at the Glenview public school, Mr. Hoffman is the new village manager. Both are graduates of the University of Illinois.

Special services in the remodeled auditorium of St. Peter's Evangelical Neighborhood church, on Sherman avenue between Glenview and Northbrook, were held Sunday, June 30. The churches of the neighboring communities were invited to join in the services. An organ recital by Martin C. Dahlberg, music instructor at Northbrook school, was offered at the evening service. The congregation will celebrate the 90th anniversary of its founding this summer. The Rev. Armin Bizer is the pastor.

Mr. and Mrs. Bert Olcott of Detroit, Michigan, and their three children have been visiting at the home of Mr. and Mrs. Henry Mompier the past two weeks. Mrs. Olcott is the former Alice Mompier.

Elmer W. Ruesch had the misfortune of being in an automobile accident last Saturday. It happened while driving the Royal Blue delivery truck.

Mr. and Mrs. F. L. Noetting and Mrs. Wille, motored to Camp Oh-Da-Ko-Ta Sunday to get their son, Frank, Jr., who had spent the previous ten days at camp. Boy Scouts Schoenberger, Schmidt, Mayer and Throop, returned Friday after having spent a week.

Miss Erna E. Koellner of Norwood Park was a Sunday dinner guest at the home of Mrs. Louise Klehm.

Mrs. Armin J. Mayer was a dinner guest of Mr. and Mrs. Charles Bugg of Rogers Park on Monday night.

Mr. Richard Kottke took Elmer Baumhardt with him to his summer cottage at Crivets, Wisconsin, to spend a couple days.

The A. G. Mayer family was very happy to have Ben Smith from Melbourne, Florida, as their guest Sunday.

Mrs. Adam Koester of Brown street is very sick at St. Francis hospital. Due to her diabetic condition, an operation for a tumor is impossible at this time.

The Schlote family of Keating avenue, returned Sunday from 10 day's vacation.

The Brown grocery store is now located on Cicero avenue, having moved into their new building the 1st of June.

The Hawks defeated the Glenview team Sunday on the Terminal diamond in a tight game 1 to 0. It allowed the visiting team six scattered hits, while the Hawks only made four hits off the Glenview pitcher, a walk and two hits gave the Hawks the lone score of the game.

Audrey and Carl Goberville entertained about twenty friends at a party Saturday.

The Louis Burnmeister family are happy over the arrival of another grandson, the son of Mr. and Mrs. Raymond Burnmeister of Glenview.

EAST MAINE

Reverend Julius Toepel preached a mission sermon at Burlington, Wisconsin, Sunday, June 30, and accordingly Divine services at St. Matthew's Lutheran church were dropped for that day.

Emil W. Bergman is having a new barn erected on his farm on Cumberland and Dempster to replace the old structure recently destroyed by fire. Work is progressing steadily.

Fred Finnern is up and around again after being severely ill with a touch of appendicitis and inflammation of the intestines.

Mr. and Mrs. John Moeller have been busy moving into and are now all settled in the Christ Jaacks home on Ballard road.

Committees are busy making arrangements for St. Matthew's annual church picnic which is to be held on the church grounds, Sunday, July 14, to which neighboring friends and congregations are heartily invited. There will be games and amusements for all, and plenty of good things to eat, so

come one and all, you are welcome. East Maine folk in goodly numbers went to Des Plaines Tuesday evening, June 25, to watch the parade which officially inaugurated the Centennial celebration there. Of course they got wet along with the rest of the crowds who were present but enjoyed the parade; also the historical pageant staged the remainder of the week.

Welcome Park Unterstuetzung's Verein held their annual picnic and outing at Gage's Lake June 27, and their arrangement committee must have had a stand-in with the weather control for they happened to select one of the days when it didn't rain. A large crowd attended; there were games, swimming, plenty of refreshments and picnic baskets filled with good things to eat, so all had a marvelous time.

MORTON GRC

Reserve the week-end of July 20 and 21, for Wheeling days. The Chamber of Commerce and Volunteer Fire Dept. are working together and planning a two day program. Watch for detailed announcements later.

Miss Lona Belle Ackerman spent last week with her uncle in Milwaukee.

Mrs. Grover Burnham and Miss Billie Poelman are vacationing in Wisconsin.

Three little girl friends helped Peggy Kruse celebrate her sixth birthday Friday afternoon, May 28.

About 300 Wheeling people motored to Naperville on Sunday afternoon to attend a special service at the DuPage Presbyterian church, it being the 30th anniversary of the ordination of the Rev. H. J. Wiegand. Rev. Wiegand held the pastorate of the Wheeling church for 22 years prior to taking his present charge. Rev. E. L. Shaw, his successor at Wheeling, delivered the sermon of the afternoon. A gift consisting of a dollar for each year he had spent in the ministry, was presented to Rev. Wiegand as a surprise from his people. After the service a bounteous supper was spread for all by the ladies of the church, and the DuPage church proved themselves a very hospitable congregation.

Miss Leonora Rogalski entertained a group of young friends in honor of her ninth birthday on Saturday afternoon.

Members of his Sunday school class from Chicago, by a picnic at his home here Saturday. Seven boys came to enjoy the days outing in the country.

Voicing Tone in Organs
Voicing is a term applied to regulating the quality of tone in organ pipes. Tuning has to do only with correctness of pitch; but in voicing a certain quality is aimed at. The requirement is that all the pipes must be made uniform. This is done by carefully regulating the amount of wind admitted and the angle at which it strikes the paper lip and also by slightly changing the edge of the lip. Fine pipes and reed pipes require different treatment, so that voicers generally make a specialty of either of these pipes. Voicing requires a very fine ear.

APPROPRIATION ORDINANCE

BE IT ORDAINED by the President and Board of Trustees of the Village of Palatine, Cook County, Illinois:

Section 1. That the following sums of money, or so much thereof as may be authorized by law, are hereby appropriated from the sources indicated, for the fiscal year beginning June 1, 1935, and ending May 31, 1936, for the purposes designated, to-wit:

(a) For Police and Light:

Police salaries	\$ 3,600.00
Special police	200.00
Street lighting	3,000.00
Labor and supplies	200.00
Total	7,000.00

Appropriated from sources other than taxation:

Estimated revenue from Liquor licenses	1,500.00
Appropriated from taxes to be levied for General Corporate purposes	5,500.00
Total	7,000.00

(b) For Fire and Water:

Engineer salary	1,800.00
Electric power	800.00
Labor and supplies	1,400.00
Fire Dept. salaries	600.00
Water meters	500.00
Total	5,100.00

Appropriated from sources other than taxation:

Estimated revenue from water sales	5,100.00
Appropriated from taxes to be levied for General Corporate purposes	0.00
Total	5,100.00

(c) For Streets and Drainage:

Street cleaning labor	800.00
Other labor	1,000.00
Teaming	500.00
Supplies	200.00
Vehicle tags	75.00
Total	2,575.00

Appropriated from sources other than taxation:

Estimated vehicle licenses year 1936	2,000.00
Estimated 2% of Pub. Serv. Co. gas receipts	400.00
Appropriated from taxes to be levied for General Corporate purposes	175.00
Total	2,575.00

(d) For Judiciary and Printing:

Printing and publishing	300.00
Supplies	200.00
Liability insurance	425.00
Treasurer's bond	100.00
Telephone	75.00
Total	1,100.00

Appropriated from taxes to be levied for General Corporate purposes

	1,100.00
Total	1,100.00

(e) For Grounds and Buildings:

Fuel	400.00
Supplies and labor	200.00
Electric light and gas	100.00
Miscellaneous	300.00
Total	1,000.00

Appropriated from sources other than taxation:

Estimated rentals	300.00
Appropriated from taxes to be levied for General Corporate purposes	700.00
Total	1,000.00

(f) For Salaries and Election:

President's and trustees' salaries	450.00
Election clerks and judges	45.00
Village attorney salary	40.00
Treasurer's commission	600.00
Total	1,975.00

Appropriated from taxes to be levied for General Corporate purposes

	1,975.00
Total	1,975.00

(g) For Contingent Fund:

Miscellaneous	500.00
Appropriated from taxes to be levied for General Corporate purposes	500.00
Appropriations from Special Taxes in addition to the levy for General Corporate purposes	0.00
Total	1,000.00

(h) For Interest and Sinking Fund:

Bonds maturing during year	1,000.00
Interest on bonds at 5%	2,600.00
Total	3,600.00

Appropriated from taxes to be levied specifically for this purpose

	3,600.00
Total	3,600.00

For Library Fund:

Operation and maintenance of public library to be expended by the Palatine Library board	1,500.00
Appropriated from a special tax to be levied for this purpose as authorized at a special election held May 31st, 1924	1,500.00
Total	3,000.00

(i) For Public Benefit Fund:

To cover amounts levied against the Village as public benefits in special assessment proceedings	1,500.00
Appropriated from a special tax authorized for this purpose	1,500.00
Total	3,000.00

Section 2: That all ordinances or parts of ordinances in conflict herewith, be and the same are hereby repealed so far as said conflicts exist.

Section 3: That this Ordinance shall take effect, and be in full force and effect upon and after its passage, approval, and publication.

A. R. GODKNECHT,
President of the Board of Trustees of the Village of Palatine, Illinois.
Attest: E. P. STEINBRINCK,
Village Clerk.
Passed July 1, 1935.
Approved July 1, 1935.

DROUTH GONE BUT BUGS MAY COST FORTUNE

Vegetable Growers Told How to Combat Insect Menace

While Illinois gardens are not being ruined by drouth this year, gardeners and vegetable growers still stand to lose between four and five million dollars from insects if the season is average. This is pointed out in a new circular, "Saving Garden Crops From Insect Injury," which has just been published by the College of Agriculture, University of Illinois.

Insecticides are essential in the control of injurious insects, but cultural practices are also of great benefit in reducing the damage, according to the circular, which was prepared by L. H. Stimpson, field entomologist, and C. C. Conington, associate entomologist, Illinois State Natural History Survey, who are cooperating with the college.

Some 54 insects which commonly attack garden plants are listed in the circular. A description of each insect, its habits, method of injury, life history and the best means of control is given. Illustrations are included to help gardeners recognize the various kinds of injurious bugs.

Insects attacking each of the major vegetable and truck crops are grouped separately and control measures outlined for each of them. There are separate sections for insects attacking cabbage and related crops, potatoes, sweet corn, tomatoes and eggplant, vine crops, onions, peas and beans, asparagus, beets, spinach, lettuce, celery and dill; carrots and parsnips, horse radish and sweet potatoes.

NOTICE

Take notice that an application for retail liquor dealer's license outside incorporated village or town in Cook county has been made by the following:

Clarence E. Moeller, concessionaire, Mission Hills Golf Club, location, Northbrook, Illinois.

Thomas J. Hecklin "Arlington Country Club" location Dundee road, 2 miles west of Wheeling, Northfield, Illinois.

Objections to the granting of such license may be made to the president of the County Board at local liquor control commissioner in writing and signed by objector within five days stating specifically the grounds of objection.

CLAYTON F. SMITH, Cook County Liquor Control Commissioner, 523 County Building, Chicago.

EXECUTOR'S SALE OF REAL ESTATE

Notice is hereby given that on Tuesday, the 16th day of July, at 11:00 o'clock A. M., Daylight Savings Time, in the Board Room of the Board of Appeals of Cook County, Room 337, Cook County Court House, Chicago, Illinois, the undersigned will offer for sale at public vendue to the highest and best bidder, for cash, to pay the debts of the Estate of Christof Wilke, the following real estate, to-wit:

Lot One (1) (except the South 16 feet thereof) of Block One (1) of a subdivision of Lots Twenty-three (23) to Twenty-five (25) of Assessor's Division in Section Thirty (30), Township Forty-two (42) North, Range Eleven (11), East of the Third Principal Meridian, in the Village of Arlington Heights, Illinois, known as No. 315 West Campbell Street, Arlington Heights, Illinois.

Said premises will be sold subject to an encumbrance of \$1000, now against said premises. No deed or deeds will be delivered until such sale has been approved by the Probate Court of Cook County.

Dated, Arlington Heights, Illinois, June 24, 1935.

HERMAN W. FRIESE, Executor of the last Will and Testament of Christof Wilke, Deceased.
H. J. Thal, Attorney. (7-6)

Water in Panama Canal

The Panama canal has salt water in the sea level locks at each end, and all the other locks contain fresh water from Gatun lake.

PALATINE

Twin Lakes and fishing again called Jim Toynont and son, Hollis, Bob Moser, and Francis Southard last week.

The class of '34 of P. T. H. S. held their class reunion Sunday on the beach at Crystal Lake.

A week of vacation at the Aeronautical University releases Russell Godknecht and James Ketterman, who are attending the school this summer. Russell is taking up an engineering course while James is studying from an administrative viewpoint.

Mr. and Mrs. Ed. Orth are spending this week in Milwaukee visiting Mr. Orth's mother.

Rain interrupted the picnic of the Sunday school class of Miss Vivian Stewart just as they were leaving for Deer Grove Monday.

Another Wisconsin fishing group included Don Thompson, Bill Schroeder, and Norman Schroeder.

The Palatine "Merchants" ball club defeated Long Grove 6 to 4 in a ten inning game last Sunday at Long Grove. Next Sunday the club will meet the Elgin "Parkies" on the home grounds of the local team, east of the high school.

Robert Mosser, of the legion committee, which recently conducted a carnival in Palatine, has been busy replacing card table tops, which proved defective.

S. P. Sorensen, an experienced registered pharmacist, who happens to reside near Palatine, is assisting at the O. A. Schroeder drug store.

Mr. Schroeder returned last week from his vacation, which he spent in the far north. Much of the usual pleasure was lacking, due to the cold weather.

Daniel E. Poellot has accepted a supply call as assistant pastor to the Rev. Ad. Pfotenbauer of the Lutheran congregation at Addison.

Mr. John Goetz and Miss Anne-Marie Petersen were united in marriage Saturday, June 29, in the Lutheran parsonage by Rev. Daniel Poellot.

Wayne Henry and Jane Alvina, twin children of Mr. and Mrs. Henry Schroeder, were baptized Sunday, June 30, in the Palatine Lutheran church by Rev. Daniel Poellot.

Mr. and Mrs. Gus Arps, Mrs. Anna Brockway and Mrs. Elvora Foster, attended the reception at the Soldiers and Sailors' Home at Wilmington, Tuesday in honor of Mrs. Ethel Mae Johnson, department president of the Woman's Relief corps and her staff of officers of which Mrs. Foster is the department press correspondent. There were 189 at the luncheon and members from thirty corps were present. Mrs. Lizette Coady of Detroit, Michigan, the national president of the Woman's Relief corps was present.

Sutherland Woman's relief corps will meet Friday afternoon at which time the July Birthday group will have a "Bundle Day Sale" and a tye parade. The corps will not meet again until August, the evening of August 16.

Dr. and Mrs. E. W. Wilson are here for the week. Mr. and Mrs. Rollin Wilson and daughter of Chicago, were guests at their home Monday.

Mrs. Mabel Tyson and daughter of Chicago, spent a few days with her mother, Mrs. Henry Bruhns, while Mr. Tyson was away on a business trip.

SPORT SHIRTS

They're the big style hit this season

\$1

by Wilson Brothers

Once you've tried sports shirts you won't be without them for your summer sports. These are in smart waffle and rope stitch weaves which give you the ultimate in coolness, comfort and freedom. Their style and tailoring make them extraordinary values at \$1. White and assorted colors.

Palatine Cleaners
C. C. Uhrhammer
Men's Furnishings
Laundry - Tailoring

Mrs. Sarah Catlow of Evanston spent last week at the home of Mrs. Anna Brockway.

Mrs. Emma Longrehr has returned from the hospital where she underwent an operation.

Mrs. Vernon Drewes and daughter, Kathryn, spent Sunday at Benton Harbor, Michigan.

The Rebekah Circle gave a card party Tuesday night at the Odd Fellows hall, which was well attended. Mrs. Lena Deverman was chairman.

Cards have been received from the Clarence Hans family telling of the grand time they are having on their trip through the west, they are expected home this week.

Mr. and Mrs. John Umbdenstock and Johnnie O'Brien, went to Minneapolis, Minnesota, with Mr. Wm. O'Brien and family when they returned home from their visit here and at Grafton, Ohio.

Virgil and Betty Jane Bockelman are spending a week of their vacation with their cousin, Miss Ruth Leffenburger near Long Grove, Ill.

Mr. and Mrs. Reusser are visiting friends in Iowa.

Harry Kruse is entertaining his sister, Mrs. Alma Kruse of Green Bay, Wis.

The telephone directories were issued by the Illinois Bell Telephone company this week.

Dr. J. C. Clayton was taken suddenly ill Sunday morning, necessitating his removal to the Woodlawn hospital. He is still unable to return to his practice.

The Lutheran choir enjoyed their annual outing Sunday at the John Kretz woods. A soft ball game between the married and single men featured the afternoon. The married men were entirely outclassed losing to their brothers 21 to 9. Incidentally Postmaster Wm. Kehe has definitely retired from baseball.

He attempted to stop a line drive which was coming so fast that his hand was bruised and lacerations resulted that were very painful. Will has always considered himself in the young men's class. "In this case the only trouble was that there were some boys younger than I," says Mr. Kehe.

Paul Pohlman, Jr., of Barrington is planning to attend the Jamboree of the Boy Scouts of America in Washington, beginning August 19.

Mrs. Charles Morris is recovering from a knee injury she received when she fell at the Fair Store in Chicago recently.

Word received from Alfred Regenburg tells of the interesting experience he is having in New York. Alfred is employed at one of the downtown hotels there.

Mrs. Ketterman is missing four of "her boys" this month. Le Roy and Lloyd Blake are spending their vacation on a farm near Woodstock; Clarence Lehman and Elery Cadiz are visiting relatives in Chicago.

Callers at the home of N. L. Thompson Sunday were Miss Harriet McCune, Jim McCune and Mr. Gray of Chicago.

George Herrmann, Jr. and Roy Skibbe left last Friday for a camp near Eagle River, Wis.

Mr. and Mrs. Gladys Voegel and children of Chicago are spending the summer at the home of McDowell. Mrs. Higgins, mother of Mrs. McDowell, returned recently to Chicago after spending several weeks with Mrs. McDowell.

Mr. and Mrs. Gray Sanborn will leave Saturday on a vacation trip that will take them around Lake Michigan. They will make a short stop at the home of a friend in Michigan.

Robert Mosser, J. H. Toynont and Hollis still have faith that there are fish at Twin Lakes. A reconnoitering trip of last week was followed by a trip Wednesday night when they were all armed with the "implements of war." We go to press to early to report casualties.

St. Paul's young peoples societies was represented this week at a three day conference held at Elmhurst. Miss Francis Neitz was a delegate from the Sunday school and Misses Mildred Bittner and Alice Neitz represented the young peoples society. They attended part of the sessions of the leaders' training school, which is in session at Elmhurst college from July 2 to 12.

Miss Phyllis Iler of Downers Grove spent this week with Miss Louise Wentz.

Dr. and Mrs. Ben Wilson are home for a week from Sterling. When he returns to his job Monday, he will be located at Warren, Ill.

There will be quite a party of young people at the Smith summer place near Oshkosh, over the week-end. Mrs. A. G. Smith with George and Harlow left for there Tuesday. Others arriving for the Fourth are Kathryn and Gilbert Smith, Misses Virginia Thorsander, Alberta Wetterer, Alice Smith and Herbert Schermer.

S. E. Pollock of Antioch, former M. E. pastor here, was a Palatine visitor last Friday evening.

Erwin Orth was called to Milwaukee Friday by the severe illness of his mother.

Art Uhrhammer and Wallace Nieske have improved their places on North Brockway street even if

First Installment of R.F.C. Loan Means Early Dividend at Barrington

William O'Connell, district bank receiver, reports that \$20,000 has been received as part payment of the R. F. C. loan for the First State bank of Barrington receiver-ship. More money is expected to fulfill the request of \$80,000 made some time ago. If the entire loan comes through, a payment of 20 per cent will be made to depositors.

The Indian River
The Indian river along the coast of Florida is really an arm of the sea enclosed by a string of long, narrow islands and a long, narrow peninsula. It stretches along the Atlantic seaboard from the northern extremity of Brevard county to north Martin county, a distance of 110 or 115 miles.

Ice Cream an Old Dish
The origin of ice cream is unknown, but varieties of frozen compounds are said to have been served in Italy as early as 1500 A. D. or a little before. The first factory for manufacturing commercial ice cream was established in Maryland in 1851.—Pathfinder Magazine.

their neighbors called them fugitives from "the chain letter gang." Garbed in overall uniforms and with pick and shovel they built as pretty a wall of stones as any of the boys in Joliet.

PALATINE CHAPTER HOLDS MATRONS AND PATRONS GUEST NIGHT

Palatine Chapter No. 585 O. E. S. entertained nearly a hundred guests Friday night in honor of matrons and patrons night. The chairs were filled by officers of the east, past and present, from fourteen neighboring chapters. A special feature was the presentation of a short play, "Right About Faces" with the cast composed of local members.

The dining room was very prettily decorated in roses with the guest table adorned with rose arbors and climbing roses. The guests filling the stations were:

Gertrude Goosman, W. M. of Campbell, Worthy Matron.
Edward Fund, W. P. Leyden, Worthy Patron.
Anna Dean, W. M. DesPlaines, Associate Matron.

Nathaniel Carlson, W. P. Arlington Heights, Associate Patron.
Jennie Carlson, W. M. Arlington Heights, Conductress.

Beatrice Meyer, W. M. Deerfield, Associate Conductress.
Mrs. Penton, A. P. Bensenville, Secretary.

Wm. C. Muller, Past W. P. Palatine, Treasurer.
Martha Hinton, W. M. Antioch, Chaplain.

Agnes Dobbins, W. M. Milburn, Marshal.
Bertha Hirsch, Past W. M. Park Ridge, Organist.
Estella Guenther, W. M. Norwood Park, Adah.

Amanda Bischoff, W. M. Edison Park, Ruth.
Gussie Linderman, W. M. Bensenville, Esther.

Hattie Barkell, Past W. M. Des Plaines, Martha.
Mae Clark, W. M. Wheeling, Elce.

Otto Skala, W. P. Des Plaines, Warder.

Irving Tesch, Arlington Heights, Sentinel.
Ruth Anderson, Soloist of Park Ridge, Soloist.

Myrna Fosket, Guest of Honor.

Boy Scout News

WHAT'S DOING IN SCOUTING
Friday, July 5—Overnight camp for Methodist camp troops at Methodist campgrounds, Des Plaines.
Saturday, July 6—Boy Scout day at Des Plaines camp grounds.

Thrilled at the thought of being able to participate in so huge an event the Boy Scouts who are registered as members of the Northwest Suburban Contingent to the National Jamboree next August, enjoyed hearing some of the facts and figures concerning that affair at a meeting held in Des Plaines last week. Imagination ran wild as the local group tried to visualize how large a pile the nine hundred bushels of potatoes required for a meal would make. There were similar contemplations concerning the seven thousand eggs or one hundred thousand flapjacks required for breakfast. Two tons of butter and a like amount of sugar together with thirty thousand quarts of milk will be required for one day's food supply. It is expected the Jamboree group will consume at least fifteen thousand pounds of bread daily. These facts along with others having to do with the thirty thousand scouts and six thousand officers that will make up the personnel of the first National Jamboree proved most interesting.

A goodly portion of the evening was given over to discussion of plans for the local group. A special three-day training camp will be conducted at Camp Oh-Da-Ko-Ta about the first of August. Scouts will then return home and on Saturday afternoon, August 17, will bring in their duffle bags for inspection in preparation for leaving via a C. & N. W. Boy Scout train, Monday evening, August 19. Other tentative plans provide for transferring to a B. & O. special train in Chicago to arrive in Washington in mid-afternoon of the next day after a short stop over at Harpers Ferry. The local group will be encamped with other Scouts from Region 7.

In addition to enjoying the Jamboree program with its demonstrations, camping and scouting activities and association with scouts from all states of the union and many foreign countries, they will make a bus tour of Washington, a boat trip on the Potomac to Mt. Vernon and a series of hikes to various points of interest in the Capital city. It is expected that President Roosevelt will personally participate in a number of the programs.

Plan for Additional Recruiting
Although fifteen scouts and leaders are already registered for the Jamboree, members of the local committee anticipate that additional registrations will bring the number involved up to the vicinity of the original estimate of 30. Those registered are: Allen Mathis, Robt. Stewart, Walter Kuhn, Edward Green, Edward Coughlin, Edward Fritts, Jos. Murphy of Park Ridge; Bill Miles of Arlington Heights; Paul Pohlman and Bruce Bierman of Barrington; Raymond Barwick of Des Plaines; LeRoy Walsh of Mt. Prospect; Rex Hampton and Harry Mueller of Morton Grove. The leaders are Edw. H. Stehman of Park Ridge; R. H. Boettcher of Morton Grove and Scout Executive C. O. Nimtz.

With the largest first week enrollment in recent years, Camp Oh-Da-Ko-Ta the summer home of local Scouts opened June 23. In spite of inclement weather during the previous week that made the task of getting the camp ready a difficult one, everything was in good order on the opening day and within a few hours after the local scouts arrived at the camp they were in full swing of camping activities. As usual the scouts had the choice of participating in any one of the four camping programs, a large number choosing the base camp with its opportunities for instruction in scoutcraft and merit badge subjects. Others having had this experience chose the pioneer unit with its program of Indian lore and dancing or the nautical unit with its aquatic program of boating, sailing, canoeing, swim-

ming, life saving and similar features.

Two Local Scouts on Staff
Two Northwest Suburban Scouts are included on the fine staff of young men headed by Howard A. Gately, Scout Executive of the Kenosha council who personally directs the camp. The local leaders are Eagle Scout Armand Baker of Troop 11 of Park Ridge and Edward Foster of Troop 26 of Niles Center. Scout Harpham is assistant director of the Indian unit and has charge of the dining hall while Edward Foster is an assistant at the water front section.

Deer Visits Jewel Park

A lone deer called upon Jewel Tea employees, Barrington, last week and remained in the vicinity for approximately half an hour and then disappeared. No notice has been given of any deer missing

from private places and there is some reason to believe that this one is wild, possibly came from Deer Grove.

Barrington Bank Cashier Elected President of District Bankers Association

Charles A. Elsner, cashier of the First National bank, was honored last week at the annual meeting of the northeastern district of the Illinois bankers association by election to the office of president. The district includes the country and suburban towns of several counties in the metropolitan district. Mr. Elsner has been cashier of the Barrington bank for the last three and one-half years.

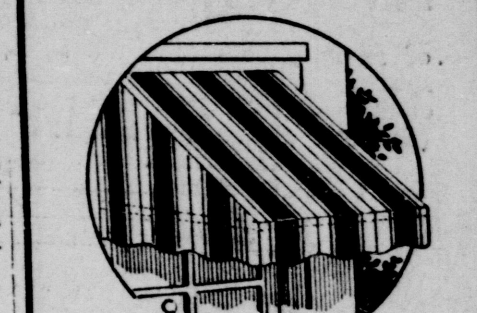

Contain 100 Fireplaces
The English houses of parliament contain about 100 fireplaces.

Large Attendance At Barrington Pool

1934 attendance at the Barrington Park pool was the largest in 4 Park Board. A total of 112,027 swims have been recorded since its opening. The record for daily attendance at the pool reached 926 last year. Not only residents of Barrington attend the pool but a large proportion are from the surrounding communities.

FIND STILL NEAR CARY
Reminiscent of prohibition days, Federal officers raided the Charles Zogus farm near Cary last Tuesday and uncovered a large still with alcohol and mash vats. When the officers approached the operators fled into a rye field and made their escape. The still was of 60,000 gallon and capable of producing 1000 gallons a day.

YOU ALWAYS GET BETTER QUALITY AT NO HIGHER PRICE WHEN YOU BUY A FIRESTONE TIRE WITH FIRESTONE NAME AND GUARANTEE

TIRES may look alike on the outside, but on the inside where blowouts start, they are different. Firestone Tires are made blowout-proof by Gum-Dipping, a patented extra process which soaks every cotton cord and insulates every strand with pure liquid rubber. In fact, every 100 pounds of cotton cords absorb eight additional pounds of liquid rubber. This special process prevents internal friction and heat, the main cause of blowouts. No other make of tire is Gum-Dipped, yet you pay no more for Firestone blowout-proof protection than you are asked to pay for tires built without this patented safety construction feature.

The make of tires you buy for your car becomes a matter of vital importance when you realize that there were 882,000 automobile accidents in 1934 injuring 954,000 people and killing 36,000 and that 43,000 of these accidents were caused by blowouts, punctures and skidding.

Firestone High Speed Gum-Dipped Tires hold all world records on road and track for safety, speed, mileage and endurance. These records emphasize the undisputed evidence that Firestone Tires are not only blowout-proof but give greatest protection against skidding.

THERE ARE THREE QUESTIONS AND ANSWERS THAT WILL SOLVE YOUR PROBLEM OF WHAT TIRES TO BUY

1 "Will the tread give me the greatest traction and protection against skidding?"

Recent tests by a leading University show that Firestone High Speed Non-Skid Tires stop a car 15% quicker than any other of the leading makes. For eight consecutive years Firestone Tires have been on the winning car in the dangerous Pike's Peak Race where a skid means death. This is undisputed evidence that Firestone gives car owners greatest protection against skidding.

2 "Are they blowout-proof?"

Firestone Gum-Dipped Tires have the most amazing records for being blowout-proof of any tires ever built. In the gruelling 500-Mile Race at Indianapolis, May 30th, every one of the 33 cars was equipped with Firestone Gum-Dipped Tires. Kelly Petillo won the race and broke the record over this 26-year-old rough brick track without tire trouble—in fact, not one of the 33 drivers had tire trouble of any kind.

Ab Jenkins drove his 5,000 pound car on Firestone Gum-Dipped Tires over the hot salt beds of Utah, 3,000 miles in 23½ hours, at an average speed of 127.2 miles per hour, with temperatures as high as 120°, without tire trouble of any kind. These are most amazing proofs of blowout protection ever known.

3 "Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

Firestone High Speed Tires not only give you more than 50% longer wear, but also lowest cost per mile. This is made possible by the tough, wear-resisting tread built with higher shoulders and a wider, flatter contour. This thick, rugged, scientifically designed tread is held securely to the Gum-Dipped cord body by Firestone's patented construction of two extra layers of cords under the tread. This is a special construction feature not used in any other tire. Unequaled mileage records by thousands of car owners add undisputed evidence of the longer wear and greater economy of Firestone High Speed Tires.

PRICE \$2.00 PER YEAR

FINAL GRANT OF UNCLE SAM TO VILLAGE READY

Cancels \$4500 in Bonds;
Previous Payment
Was \$10,000

Finis is about to be written upon the co-partnership of Uncle Sam and the village of Arlington Heights in the erection and completion of improvements to the water works system of 1934. The contractors were paid in full months ago. The government purchased at par \$40,000 worth of water bonds drawing 4% interest. The government had also paid \$10,000 in cash as part of the outright grant. There still remained final financial settlement. Figures of the village have been checked and rechecked many times by government auditors. The village was entitled to a total grant of \$14,500. Everything must be in order and conclusively proved to be in accordance to the rigid specifications of the government.

Attorney Thad presented a letter to the Arlington Heights village board Monday evening, in which Uncle Sam offered to make final settlement with the cancellation of 2 one thousand dollar bonds due in 1935 and 1936 respectively, and up on the payment of \$500, by the village, cancel the last three thousand dollar bonds of the series, making a total payment of \$4,500 to the village.

The terms of final settlement are agreeable to the village except that the board is asking that the bond due in 1937, be one of those to be cancelled in place of a subsequent one.

All of these bonds and interest are protected by a special fund set up by the water department. Fines inflicted by Judge Kleopfer, police magistrate the past two weeks totaled \$25. Fines turned over to the village by Judge Koppin totaled \$7. There are still nearly 200 owners of autos who have not yet secured vehicle tags. Vehicle tags issued to date are 1035.

The above was the report of the police committee. The fines are the result of renewed activity against speeders. A new Indian motorcycle has been ordered with delivery in about three weeks.

Special police officers during the race season will be stationed on Euclid at Northwest highway and State road during the rush periods. The water department for the first time in many months had no leaks to report. The water rate delinquencies have been cut to \$600. The street committee reported the completion of the Campbell street improvement, and the cutting of weeds and grass on parkways adjoining sidewalk.

The committee on public grounds reported completion of work at the northside water tower park with seeding of 45 pounds of seed, and the placing of the bronze plate bearing names of board members, in commemoration of the recently installed \$50,000 water works improvement. Repairs are needed upon the roof of the municipal building.

The sewer committee reported a fine field of hay at the disposal plant for someone who wants it bad enough to cut it. The heavy rains that day, reported Geo. Harris "is sending the water thru the fum at nearly sixty miles an hour."

Bills and payroll amounting to \$1,668.15 were passed for payment when funds are available. List of bills are on page two.

The fire department presented a request for 250 feet of 1 1/2 in. hose with reducers, such hose being used by a great many fire departments at small fires.

Request of the Volunteers of America for a local tag day, was denied. A letter was received from the Public Health committee asking that the village duplicate its support to the health program of last year, which is \$25 a month. The matter was held over until next meeting.

The board will meet to consider the appropriation ordinance, which must be passed during July.

Vegetable Growers Asked To Bring Their Troubles New Growers Association

A call has been issued for a meeting of the independent vegetable growers association which will be held in the school house on Wolf road, near the Joliet road Monday, July 8 at 8 p. m.

Vegetable growers who have "troubles on their chests" are urged to bring those troubles to this meeting. Christ Struck of Itasca, who is a director, says, "there are a lot of stories being circulated that should be cleared up. At this meeting is the place to do it."

Former Arlington Lads Named in Indictments

A stolen automobile found in the possession of Alf Kellum and Edward Magoon of Des Plaines, formerly of Arlington Heights, led to the indictment of six men, by the Cook County grand jury last week. The six men are charged with operating a "cat-stripping ring" in Kane and northwestern Cook counties.

'Our Parks' Arlington's Best Feature

It is doubtful whether many of the people of Arlington Heights realize that they can boast one of the prettiest parks for a community this size in metropolitan Chicago, or for that matter in the state of Illinois. Never-the-less the creation of Sargent Square is probably one of the most noteworthy civic achievements in the last 15 years.

Sargent park which is railroad property contains about 6 acres on both sides of the Chicago and Northwestern right-of-way. The village arranged to take these tracts over in 1925. They were then in a shabby condition and gave an ugly appearance to Arlington's business district. The village set up a park board and arranged to lease this property year by year and to maintain it. The park is named after the president of the Northwestern, Sargent.

Today the distinction that this improvement gives to Arlington, is one which has won the praise of many visitors and speaks of the foresight and progressiveness of the officials who arranged with the Northwestern railroad for this park and their successors who have carried forward the work of beautification.

Under the PWA much costly work was done in the way of beautification with very little expense to the village. Many men were employed setting out shrubbery, terracing, building flower beds, planting grass. Included in this PWA work was the impressive stone wall between Dunton and Evergreen avenues.

B. E. Terpening, general superintendent of the Northwestern railroad, has expressed his gratification at the appearance of the park and the South Side park. On one occasion called the attention of the vice-president of the railroad to it while they were passing through Arlington Heights.

The maintenance cost of Sargent park is about \$1500 a year. The work is in charge of Henry Mueller.

Arlington's park system includes the Veterans' Memorial park and the South Side park. Very little has been done to improve this tract and no name has even been given to it.

Arlington's park system is under the jurisdiction of a park board consisting of five elected officials serving six year terms. They are: George K. Volz, president; Paul Taage, William Windheim, Elmer Crane and Thomas Wilson. Otto Bolte is secretary. The board meets once a month.

500 Chicago-Detroit Friends Attend Wedding Celebration At Heights

One of the largest wedding celebrations held in recent years at Arlington Heights occurred at the home of the groom, Geo. Prasinos, 1012 W. Euclid, Sunday evening.

The bride was Miss Baker of Detroit. The ceremony took place in the Greek Orthodox church, corner of Winthrop and Hollywood avenue, Chicago, which was crowded to its doors. There were four flower girls and six bridesmaids. Following the ceremony the invited guests, numbering 500, came to the groom's home, where a wedding supper was served cafeteria style upon the spacious lawn. There was an outdoor dance floor and two orchestras for Greek and American music.

Mr. and Mrs. Prasinos left that evening on their honeymoon trip, presumably to Arkansas.

Mt. Prospect Cop Tries "Morgue Treatment" on Two Women Speeders

It was June 21, the morning that two autoists were killed in an accident at Stonegate. A speeding car was stopped by Officer Whittenberg of Mt. Prospect. The driver was a woman. The officer with the wisdom of a King Solomon, ordered the car to follow him to Stonegate, where he asked the occupants, two ladies, to leave their car. Pointing to blood stains upon the pavement, he said, "right here two people met their death three hours ago. They were traveling no faster than you were."

The driver surrendered the wheel to her companion and promised to continue her journey to Madison at 35 miles an hour.

Arlington Resident For Seventy Years Was Buried Tues.

Mrs. Sophia Kolling, 86, wife of the late John Kolling died Saturday at her home, 22 South State road, Arlington Heights. She had resided in Arlington Heights seventy years.

The funeral was held Tuesday at St. Peter Ev. Lutheran church. Rev. Noack and Rev. Fricke officiating. Mr. Pruess presided at the organ. Interment was in St. Peter Lutheran cemetery. Funeral arrangements were by Karstens.

THREE YOUTHS FIND DEAD MAN IN OLD FACTORY

Bensenville Authorities
Believe Him Hobo; Remains
Unidentified

An unidentified man between 45 and 50 years of age was found dead in the old brick paint factory west of the Geo. Franzen Lumber Company in Bensenville Wednesday morning by three youths who had gone there to get sawdust.

The man, who is believed to be a hobo, was seen there lying on an old mattress Tuesday morning by the same youths, Fritz Wolf, Roy Imble and Eugene Patterson who thought he was asleep and did not disturb him. Finding him in the same position twenty four hours later they investigated and found him dead.

Harry Kolze, police officer, was notified and later the body was moved to the Geils Funeral home where it awaited the county coroner who was expected to take charge of the case Wednesday.

It is believed that the man has been dead a week or ten days. His dress and appearance indicate that he was a typical hobo. He wore a khaki shirt and overalls and in an old flour sack carried all the paraphernalia necessary to the life of a wayfarer. The bag contained scissors, comb, needle and thread, knife, fork and spoon, other articles and clothes. He carried no money and nothing was found to tell who he was, where he lived, or where he had been.

Authorities believe it unlikely that he died of hunger or want. It is probable that he passed away from a heart attack or from some chronic ailment.

The old brick building where he was found has been unoccupied for many years and during this time has been known as a "hobo retreat."

LEGISLATIVE CRIST HEAVY THIS SESSION

Old Age Pension Bill Gets Horner's Immediate Approval

The 59th General Assembly which has just wound up a busy session at Springfield has probably put as many laws upon the statute books as any previous legislature in the history of the state. Not all of the bills have been signed by Governor Horner, but it is probable that most of them will be.

Among bills passed and awaiting the governor's signature is the state auto license reduction bill which reduces the old \$8 fee to \$6.50 and the \$12 fee to \$9.

Perhaps the most popular piece of legislation passed by this legislature is the old age pension law which has already received the governor's approval. The law provides a pension of \$5,000,000 has been made toward these pensions. It is understood that an amendment to the pension bill will be necessary before the law goes into effect January 1, 1936. The Federal government will shoulder a portion of the pension expense. The law will be administered by the individual counties in the state.

Another bill awaiting the Governor's signature reduces the county collector's bond from ten to five per cent during preceding three instead of five years and changes other requirements on the county collector's bonds so as to reduce them.

A bill of importance locally provides for four year terms for all city and village elective officers. This law, if signed by the Governor, will take effect in 1937.

A law which will be of interest to taxpayers throughout the state of Illinois, outside of Cook county has to do with the publication of the delinquent tax list. Ever since the law requiring publication of delinquent taxes was first passed, this list has been published in one paper in each county. Under the new law just enacted, publication must be made in the city or village where taxes are collected, or if there is no newspaper so published then in the nearest newspaper.

The life of Relief in Illinois has been extended to 1937. \$43,000,000 has been appropriated.

The 3 per cent sales tax which increases the old sales tax by one percent became effective July 1.

JUNIOR LEAGUE DANCE

Hear ye, hear ye, come one, come all, to the Arlington Heights Junior League Summer Frolic on Saturday evening, July 6th at Kildeer Country Club, Long Grove and McHenry roads, Long Grove, Ill. Dance to the sweet music of Bode's Revellers. Bids are only \$1.50 per couple and can be purchased from any Junior League member or at the door the evening of the dance.

AUTO ACCIDENT NEAR CAUSE OF GIRL DROWNING

Miss Verlie Wickenkamp, of Arlington Heights had a narrow escape from drowning and sustained severe injuries at 3 a. m. Sunday when the car in which she was riding was hit by a speeding auto and overturned into the ditch west of the race track.

Miss Wickenkamp sustained two fractures of the lower jaw and other bruises, and is in the Community hospital at Palatine. The driver of the car was Arthur Porep, the driver and Otto Kuhl, who were uninjured. All were thrown into the water. The boys were able to get their companion out of the water, but first aid had to be used for her to regain consciousness.

Arlington Heights Receives Bids for A New Street Truck

Bids on a new street dump truck of 1 1/2 tons capacity were opened Monday night by the Arlington Heights village board. Allowances for the old truck varied from \$50 to \$200. All bids were accompanied by specifications. Definite action by the board will be taken at its next meeting. The bidders were: Gaare Motor Sales, Studebaker, \$1146.99; allowance \$175; Purnell & Wilson, Ford, \$885; allowance \$175; Roeh, \$995; \$1061, allowance \$50; State Road Motors, Chevrolet, \$894.85 (157 in. w. b., \$1072.77), allowance \$200; International Harvester Co., \$1115, allowance \$115.

Mayor Flentie Gets "Promise" of Material For Street Widening

When B. F. Terpening, general manager of the C. & N. W. was in Arlington Heights last week, Mayor Flentie took the opportunity to speak rather plainly to him regarding the freight depot but was unable to convince Mr. Terpening that said building had outlived its usefulness.

He did, however, get a little further in his plea for railroad help in widening the cross streets passing over the tracks, which are now bottle necks to traffic. The mayor is hoping to get over 200 barrels of cement and other needed material for the work, which will be done by relief labor. Still the mayor from past experiences is not holding his breath.

The depot is in the hands of painters, anyway.

"Darkest Corner" In Arlington Heights Is Near Busiest Corner

Here is something to think about. The "darkest corner" in Arlington Heights is the center of the business district. So the members of the village board were informed Monday night. The intersection of Dunton and Des Plaines with a street light. After the adjoining stores close for the night, it is as near a black wilderness as any place in the village. It will soon be changed, however, and become more like the brightest place in town. The board ordered a new light placed there, even if they have to rob some other corner to get it.

Homer J. Byrd Shows Improvement; Mrs. Byrd Returns Home

Mrs. Homer J. Byrd, who accompanied Mr. and Mrs. B. Hoss to Washington, D. C. to see her husband who was recently injured in a plane accident, returned home last week. She reports that some of the complications have been overcome and bones are knitting nicely. Homer is keeping up his nerve and is looking forward to a return home before the end of the summer.

Mr. Byrd was injured when a plane in which he was a passenger, struck an air pocket and fell some distance before it could be righted. He was thrown against the ceiling of the cabin and back to the floor.

Wm. Busse, Jr., Member of Agricultural Com. of State Bankers Assn.

Wm. Busse, Jr., president of the Mt. Prospect State Bank, was informed this week that he had been appointed to the important agricultural committee of the State Bankers association.

There is probably no business association in the state of Illinois that is more active than the Illinois State Bankers association. All of the banking officials in the state are kept informed relative to conditions, which in turn often influences the policies of local banks.

Dr. Stork Delivers Another Prize Package to His Able Assistant

Dr. Leckband, who has always been an enthusiastic assistant to Dr. Stork, found the tables turned on him this week, when a "prize package" was left in the care of Mrs. Leckband at the Wesley hospital. The youngster is a boy weighing 7 1/2 pounds.

Sun Shines On Opening Of Carnival

As this paper goes to press, the sun is shining and strange as it may seem, the Arlington Heights carnival will have a perfect evening for its opening. The carnival is located on East Wing street, between Dunton and State road, easy to reach and with all the attractions that have made previous Arlington Heights carnivals so popular.

SUGGESTS RIDANCE OF MOSQUITOES

Engineer Outlines Use of Relief to Rid Town of Pests

Edgar A. Rossiter, an engineer in a letter to the Palatine board Monday night suggested a plan to rid the neighborhood of the mosquito and green bottle fly infested swamp that lies north and west of Palatine.

Mr. Rossiter is well known to many Palatine residents. During the C.W.A. activities in and around Chicago, he was one of a group of engineers that approved projects throughout the state, and later was given charge over C.W.A. purchasing agents in Illinois. At that time a number of property owners sought Mr. Rossiter and asked that he include in a project the elimination of a mosquito breeding swamp near the village. However the township and village authorities were reluctant about going ahead and doing anything about it.

After all, the swamp lay beyond the village limits, says the village, but still it affects the people within the community, says the township. With no one willing to step ahead and take charge, the owners have expressed the belief that they can obtain sufficient cash to pay for the land necessary in projects of this kind, if the village board will take charge of the project and make application to the Work Relief authorities to the end that the work be carried on.

Mr. Rossiter has also sent reports to the Director of Work Relief and the director of Public Health, requesting that they use their influence in promoting this work while project.

It is suggested that a ditch be constructed sufficiently deep to take care of the surface water. Many persons on relief could be used in the work. Mr. Rossiter claims that it would not be a difficult task. The State Highway department has offered to do its part in lowering or changing culverts to make possible the opening of the creek north of town.

The board Monday night took no definite action.

Auto Jumps from N-W. Highway to R.R. Track

If the Herald employed a detective reporter, or if one of the regular staff had the time, somebody would find the car which jumped the pavement, demolished a coal pile and landed upon the track of the North Western railroad last Thursday night near Stonegate. The car being found, we could publish the name of the lad, for whom this was the fourth time that he had damaged his father's car in an accident.

The police know nothing, the garage knows nothing and here is hoping that the dad does not find it out. But here is a warning, son. Keep the story away from the Arlington Heights police department, or you will not drive any more cars in Arlington Heights until you learn how to handle a wheel.

Soft Ball League Rained Out But The Game Goes On

The schedule of the Palatine soft ball league may be all shot by the storms every 24 hours, but the game must go on, even if the players must resort to bathing suits and boots.

Fast Pitching Section
The La Londe Boosters are still undefeated with Meyer Boosters in second place and Lowrys and Ecnos in third holding each other down in the cellar. Last week La Londe defeated Lowrys 18 to 9 and Meyer Boosters defeated Economy Fuse 10 to 3.

Slow Pitching Section
The standing in the slow pitching section is Gaare Service, Pure Oil, DePues and Comforts. The latter has not a single win to its credit while DePues have only tasted victory once. The Comforts were defeated twice the past week by Gaare 29 to 5, by DePues 18 to 3.

The boys are still talking about those new uniforms, after which the spectators will be asked to chip in a nickel a game.

PALATINE BALANCES ITS BUDGET

Economy Measures Prove
Worth While; Corporate
Expense Is \$17,000

The finances of the village of Palatine were conducted upon a balanced budget last year, according to the figures contained in a report that was made Monday evening to the board by Arthur Mess, chairman of the finance committee.

This balanced budget means that the expenses incurred were \$1500 less than the revenue, estimating that 60% of the 1934 taxes will be collected and paid into the village treasury.

However, the financial condition is still very bad due to the withholding of tax funds by the county treasurer, a situation with which readers of this paper are familiar. Efforts are now being made to get some of the many thousands of dollars belonging to the village and in the hands of the county. The village has very little money in the treasury today, but the situation is much better than it was a year ago.

The report of Mr. Mess is not given in lieu of an annual financial statement, but the following figures are interesting:

Receipts	
Liquor licenses	\$1,441.67
Water receipts	8,052.43
Water taps and meters	135.00
Vehicle licenses	2,471.75
Pub. Serv. Co., a/c gas	
receipts	441.67
Rent, dog tax, etc.	526.43
Total taxes	
levied	\$10,075.00
Estimated loss	
in collection	4,000.00
	6,075.00
Total revenue	19,143.00
Expenses	
Police and light	\$ 6,428.00
Fire and water	5,687.64
Streets & drainage	1,987.02
Judiciary & printing	972.73
Salary and election	1,907.43
Sidewalks	16.72
Contingent	768.06
Total gen'l corp exp.	\$17,767.60

Property owners in Mcintosh were represented by Paul Timmerman, who asked that the previous plans for improving the roads in that subdivision be completed as soon as possible. He was informed that relief projects were stopped about the time that the work was to be done and as soon as men are again assigned to such work in Palatine, the roads in question would receive prompt attention.

Special police stars have been issued to W. R. Comfort, Henry Ross, Oscar Weide and Fred Moss.

An amendment to existing ordinance regarding size of treasurer's bond was passed, which now gives the board the authority to themselves fix the amount of bond in accordance with the funds that will be handled.

A communication from the fire underwriters offering Palatine a class five insurance rating, was read. The new fire inspection ordinance which the underwriters are asking that the village pass, after being in the hands of the attorney, was again referred to the committee, which instructions to present same for passage at the next meeting.

The annual tax levy ordinance was passed and appears upon page seven of this issue.

Request of the Volunteers of America for a tag day, was denied, as the board's policy is to restrict tag days to local charity organizations.

Woman Killed as Auto Fails to Obey Stop Sign

Mrs. Helen E. Nielsen, 35 years old, Hinsdale, was killed and her husband, Otto, a cost engineer for the International Harvester company, was injured when Nielsen, according to the Elgin state police, apparently disregarded a stop sign and crashed into a milk truck at Algonquin and Barrington roads last week. The driver of the truck, Charles Wagner, 27, owner of the Wagner Dairy Company, 2242 So. Ridgeland avenue, and Miss Alice Johnson, 21, 5844 South Sacramento avenue, who was riding with him escaped uninjured. Nielsen suffered lacerations of the scalp and face.

State police report two arrests have been made since the accident for failure to obey the stop sign on the fateful corner.

Palatine Doctor Addresses Graduating Nurses

Doctor J. C. Schmidtke of Palatine gave the address at the graduation exercises of the Sherman Hospital School of Nursing, Elgin, Thursday evening, June 27. The topic of his address was "By-paths of Nursing." Dr. Schmidtke is a past president of the staff.

Cloverdale Lumber Office Robbed Sunday

The George Franzen Lumber Company office at Cloverdale was robbed Sunday night. Among the items taken were an adding machine, a typewriter and \$50 in cash.

Rain Does Not Stop New Play Time Projects

Seventy-five boys and over twenty-five girls were on hand at nine o'clock at the northside school house, Arlington Heights Monday morning for the playtime recreation that is to be continued two months, with trained directors in charge. The girls were asked to return on Tuesday on account of the non-arrival of their director. The boys entered enthusiastically into their program in the morning, but the heavy rain in the afternoon postponed the program the balance of that day and also Tuesday morning.

In spite of the downpour Tuesday morning 35 girls were on hand. They were taken into the school house for their period.

This week is a sort of an experiment and by next Monday it is expected that the project will be working on full schedule.

A Silver Dividend Impromptu Fire at Kitty Korners

The Palatine Legion is handling the sale of fire works in Palatine this year. One of their stands is at Kitty Korners, where Saturday night an impromptu display of fireworks threatened the entire stock. When a rocket and a Roman Candle or two which were upon the table counter, starting spouting fire, Art Haldean dashed to the rescue, upsetting the counter, which saved the balance of the stock, but scattering the silver change about the pavement. Apparently, the bystanders declared themselves a silver dividend, but the entire loss was not more than \$5.00. The fire department was called but the excitement was over when it arrived.

DesPlaines Camp Grounds To Be Host to Boy Scouts Of The Chicago Area

Invitations have been extended to Boy Scouts and troops of Methodist churches in the entire Chicago area to attend an overnight camp and Boy Scout day at the Des Plaines campgrounds today and tomorrow. It is expected groups will arrive between 4:00 and 8:30 p. m. today to set up camp and prepare for an evening in the grove at the eastern part of the campgrounds. At 8:30 p. m. a huge campfire will be lighted and a program of entertainment and inspiration will keep both boys and their guests and laymen of the Methodist church that will be assembled occupied for at least an hour. Bishop Ernest Lynn Waldorf will personally speak to the group at this time and the entertainment will include Scout Executive Carl Passas of Elgin, with his group of Boy Scout Indian dancers. Scouts will retire early to get a good night's rest for Saturday's big program. Scouts will prepare their own morning and evening meals. Lunch will be served by the Campgrounds association. A short inspirational service and swimming activities will occupy a large part of the morning's program. In the afternoon scouts will compete in a series of scoutcraft events which include water boiling, flapjack cooking, signalling, tent pitching, compass contest, undressing and dressing contest, fire building by friction and flint and steel, first aid and knot tying. The affair, the first of its kind, will close with a fellowship campfire, Saturday evening. The officials and committee in charge are: Rev. P. T. Bohi, L. S. Inckman, Douglas Cork, P. A. Pribbenow, E. J. Anderson of Des Plaines; C. M. Finnell, C. J. Luedders, Carl E. Halen, A. Metz of Chicago; Edw. H. Stehman of Park Ridge; A. C. Ward of Berwyn; Merle W. Tibbets of Lake Forest; Jos. Butella of Downers Grove, and Benjamin Core of Wilmette, and Chas. O. Nimitz of Park Ridge.

The huge racing plant with its shrubs, rose hedges, trees, lakes and sweeping acres of bush green grass is a beautiful sight and with the attractive program arranged for the best horses in training Arlington Park should be host to many thousands during this month and should have a more successful season than for some years.

The classic bids fair to be a race of derby winners and contenders and should turn out to be one of the best races of the year, a race in which any one of a half dozen or more starters has a good chance to grab gold and glory.

Off to a good start despite the bad weather, it seems all Arlington needs to come out on the right side of the ledger this year is a break from the weather man and since it has been raining ever since the racing season opened May 1, it seems probable that the law of averages should be in the favor of the track and give the big Arlington plant a break for the better.

Arlington Girl Wins Four Year Scholarship

Miss Marcia Martens of 402 Vail avenue, Arlington Heights, was awarded a four year scholarship to the University of Illinois. In a competitive examination held in the office of the county superintendent June 1, Miss Martens placed second in the contest. Although only first place usually deserves such a scholarship, Miss Martens was also elected because of her high scholastic average, taking the award that another county had failed to qualify.

Jobless Make Soap

Unemployed residents of Hinsdale are making use of their spare time in making soap. They maintain a factory of their own and expect to install a soap flake machine soon.

Hiccoughs Three Hours, Then Halted by Doctor

Hiccoughs defied the efforts of a doctor for three hours Saturday night. Mrs. Walter Swanson of Arlington Park was affected with the spell.

ARLINGTON OPENS IN THE RAIN

Lower Admission Price;
The Country's Best
Stables Represented

Arlington Park's thirty day \$400,000 race meet got off to a flying start Monday afternoon in the worst rain of the season. History repeated itself for a year ago Arlington's opening was also staged in the heaviest rain of the season. The only thing missing to make Monday's opening a duplicate of last year was the absence of Indian Runner, winner of the 1933 and 1934 inaugural handicap, but Warren Wrights Some Pomp took care of the feature race this year by bounding home a winner by six lengths after having led the procession all the way.

Mondays opening day crowd was of good proportions. Considering the weather, it was considerably better than last year, and the mutual handle appeared to be considerably better than a year ago.

Arlington Park's cut in the price of admission to 75 cents including tax, seemed to meet with popular approval from the race fans. The 75 cent admission prevails on all days except Saturdays and the Fourth of July on which days the admission will be \$1.00, all tax included. These prices are the lowest ever offered to the public by any of the big tracks and this new policy of Arlington Park is found to meet with hearty public approval and increased attendance.

It was Arlington Park which first introduced dollar admission prices and set the pace for lowered admission prices at all tracks in the Chicago area, correspondingly low prices prevail for admission to the enclosure.

The long shot players had a banner day at the opening and got off to a flying start when Bibbies Choice at over 50 to 1 romped home with the opening dash. Not until the last race on the program did a favorite win. In the last race Easy a favorite, did reward the form players by coming home in front.

Despite the terrific showers, all afternoon, the time made was surprisingly good during most of the program.

ARLINGTON HTS.

What is the news? Why don't you see ahead of time, we have to be? So we must join in a mad chase, to get news before news take place.

The Fourth is Independence Day, and by it we are free they say; Each one may his own business mind.

Or in the race be left behind; Reporters who news items bring; To keep this paper on the swing; With ponies racing all about, Have somehow let the news slip out.

Rumors of a carnival, that has grown into two "Rumas" I mean—but where are they to place the merry-go-round? That's what concerns me.

The last day of June, 1935, was surely a hot sultry day, and Monday, July 1 the races began. Watch your step!

We are glad to hear that Mrs. M. Oefelein is much stronger and has been able to ride out the past week.

Mrs. Raymond Mahrie from Michigan, is spending some time with her nieces, Miss Florence Traub and Mrs. Ella Boeger.

Born, a son, June 24, to Mr. and Mrs. Ernest Heide in their home on North Belmont avenue.

The Presbyterian Aid will serve luncheon each Wednesday in July, from 11:30 a. m. to 1:30 p. m. beginning July 3—price 35 cents.

Miss Louise Roth from Michigan, daughter of Mr. and Mrs. Joseph Roth, came to spend a few days last week with her school friend, Miss Evelyn Jarvis at Jarvis Woods.

The Misses Blume from Edison Park were Sunday guests of their brother, Mr. and Mrs. Henry M. Blume.

Thursday last week, Mrs. Caroline Fiene attend the funeral of Mrs. Wm. Balzer at Addison.

Prof. and Mrs. W. C. Cleveland from Bloomington, Ind., after the closing of the university, began

their vacation, spending a happy week in the home of his parents, Mr. and Mrs. H. C. Cleveland from here they went to Crown Point to visit Billie's grandmother, Mrs. Brannon, also visiting Beaver Dam relatives, also at Waupun closing their stay with Mr. and Mrs. H. C. Cleveland they journeyed to their northern vacation resort.

Mrs. F. A. Whiting spent several days recently with Mrs. A. F. Volz at Geneva Lake.

Mr. Kurt Stoeckel has recently improved his house on North Douglas avenue by putting on an outside coat of gray asbestos shingles, which brings insulation and added warmth.

Mr. and Mrs. Wm. Luehring have gone to make their home with Mrs. D. G. Beaty, who is glad to have them with her to keep away old dreary all-aloneness.

Mr. Hugo Behrel went back to work Monday in his old place of business with an upholstery firm in Chicago, cheerful for him after a long layoff.

Mrs. B. B. Castle and son, Winchester, came home Saturday after spending a fortnight at their summer home at Northport.

Mr. and Mrs. Charles Scherf and Jimmie, with his sister, Mrs. Emma England drove down to Starved Rock the week ending June 22, for a change of scenery, which was pleasing indeed. With them was Mr. Scherf's friend, Mr. Doyle from Chicago.

Mr. and Mrs. Walter H. Dick of North State Road, have gone for a two week's vacation in the beautiful lake and woodland region of northern Wisconsin.

The Welcome club of St. Peter's church, gave a mothers' and daughters' tea in the school hall last week. It proved to be a most pleasing event. Those who presided at the tables to serve tea were Valeria Hartman and Norma Grotke. A pleasing program was given. Music by Mrs. Pfingsten, pianist. A dialogue sketch, an amusing farce, given by Norma Meyer and Dorothy Koplin, gave a pleasing diversion. After these numbers were given, came the presentation of three babies, sons of the club members, Mrs. Norbert Leckband, this will no doubt head the future doctors of our town. Another baby of the June trio was the son of Mrs. Dagner and the third is Mrs. Elroy Thompson's son. This Welcome club are planning a picnic to be held in August. There were merry games and a happy social meeting for the closing session of the season.

Mr. and Mrs. Henry Knaack are having a "merry" time of it this season, after two or three cases, a new case breaks out this week. The children seem determined to make it unanimous.

Mr. A. F. Volz left Monday morning for his trip west, the picturesque regions of the Black Hills was his first place of a search for film pictures. There are marvelous scenes to interest him in that wonderful land.

Mr. and Mrs. Joseph Just and their son came from Chicago to visit Mr. Just's sister, Mrs. Adam Lukhaub, Sunday.

Sunday the home of Mr. and Mrs. George Pfingsten was the

scene of a happy family gathering called to help celebrate their ten year old daughter, June's birthday.

Today, July 1, the children of the town are called to the school center for registration, preparing for the vacation education and playtime direction to be sponsored by the P. T. A.

Mr. and Mrs. Albert Kehe from Kankakee were Sunday guests of Mr. and Mrs. William Wilke.

Albert Adams returned to his employment in the city Monday this week, after a two week's vacation spent mostly in work around home.

Mrs. Geffert and her daughter, Miss Julia of West Eastman street, went to Kankakee Wednesday evening to spend the holiday with Mrs. Geffert's daughter, Mrs. Albert Kehe and family.

Mrs. John Kelling, who had been her busy active self until about two weeks ago, when she was taken seriously ill and passed away from earth life in her home with her son's family Saturday, June 29, aged 86 years. After a long active life she leaves of her own children, but one, her daughter, Mrs. S. Scholmann, besides her she leaves to mourn their loss several grandchildren, who are well known among us. The funeral was held Tuesday afternoon.

Glad to hear that our friend, Mrs. W. W. Guild has been able to be taken out on their pleasant porch, where she can enjoy the out of doors view. Some day I'm going to surprise her by coming to sit down by her and have a chat.

Friday last week, Mrs. Nellie Hopkins and her daughter, Mrs. John O'Brian and children, came from Chicago and spent the day with her sister-in-law, Mrs. William Heffern and family.

Mr. and Mrs. Ed. Dieball entertained friends from Chicago Sunday.

Wednesday last week, Mrs. Caroline Fiene accompanied Mr. and Mrs. Edward Pingel to the fifteenth or golden wedding anniversary of Mr. and Mrs. Louis Martin at Itasca. This was a surprise arranged by the children of the long wedded pair. There were between 80 and 90 guests. Among the guests was their aunt, Mrs. Smith, 82 years old and Mr. and Mrs. August Niemeyer from Minnesota; also Mrs. Caroline Fiene, who was bridesmaid for the happy pair fifty years ago. The toastmaster was the schoolmaster of the church school and a more humorous and delightful one could not have been chosen. The pianist was a gifted master of his art. The cake the daughters prepared, the generous refreshments, the beautiful gifts and poem tributes, unbounded waves of genial harmonious entertainment and sincere wishes for another great anniversary, will live in memory and form a golden halo to light future years for Mr. and Mrs. Louis Martin.

Mr. and Mrs. Arthur Schmitz and family came home first of this week from their trip to see their daughter, Mrs. Pierce and their new grandson in the east. En route for home they came through Michigan and called on Ralph Burkill and by way of Park Ridge, to call on John Burkitt. They arrived home in time to give their usual July 4th family entertainment.

Great week this first in July. The races and chases, the carnival, parties, contests and "what have you?"

Plenteous showers, bad time for making hay. You should hear H.

M. Blame tell of his experience in hay making on the race track farms.

Gieseke's Store, Arl. Hts. has just received a large supply of large and small cherry baskets.

Dr. and Mrs. Warner of Chicago were guests of Mr. and Mrs. H. C. Cleveland first of this week. Mrs. Warner gave them a cheery breezy account of her recent auto trip into Canada.

Mrs. Jos. Conklin is leaving Saturday for her home in Ohio, after staying in her sister's home, Mrs. Hermann, since her passing.

Malzahn & Goedke do sewerage, plumbing, heating and sheet metal work; phone 478-479.—Adv.

EVERREADY CLUB

In the year just closed June, 1935, the Evereadies submit the following as the work accomplished.

Donated \$50.00 to local nursing service.

\$1.00 and baby clothes to poor family.

\$3.00 for cookies and candy for the Woodstock orphans.

Layette for the baby clinic consisting of 6 gowns, 8 kimono, 3 dresses, 3 gerttrades, 25 small diapers, 9 shirts 6 pinning blankets, 12 bands. Mrs. Mollie Herman paid for part of this layette.

Mrs. Pfingsten donated quilt top and patches from which Mrs. Herman and her sister made six quilts for the Lake Bluff orphanage and the Evereadies helped to quilt.

Bought 60 yards curtain goods which Mrs. Coughlin made into 12 pairs of curtains for the Woodstock orphanage. This was Mrs. Herman's last wish to make these curtains.

Mrs. Herman herself donated at numerous times cookies, jellies, canned fruit, boxes of apples and other articles to the orphanage.

Respectfully submitted Katherine Behrel, Secretary A Tribute to Mrs. Mollie Herman Great Heart! Who on life's journey went,

As went the Master doing good, Eveready's true embodiment Of our kind earthly sisterhood.

In all our work with hand and heart.

You did our lives with zeal inspire, And in your noble work impart For greater work to lend desire.

No thought of self or selfish ease, In all your work was given place; No thought of gain yourself to please, In your kind heart held one small trace.

In that fair home beyond our view, We do believe God lets you still; Somehow inspire the work we do, According to the Master's will.

Great heart! Still binding here for good, Our Ever Ready sisterhood.

A tribute from an Ever Ready Friend.

South Side Breezes

Mrs. R. J. Fellingham of Evanston visited Sunday at the Warren Fellingham home.

When the Elliots went to Champaign last week to bring Mrs. Elliott home, Mrs. George Dobbins accompanied them and visited her sister.

Schoolmates of Kenneth Klehm will be interested to know that he is recovering nicely from an appendicitis operation and is at the Elgin hospital.

June Pfingsten didn't have to wait until July 4th for a celebration this year, for her mother had a party for her July 1, it being her 10th birthday. Several friends from Chicago were her guests.

Mrs. George Costain of Herron, South Dakota is visiting her son, Donald and family for a couple of weeks. Her son is inclined to feel that it is her grandson who is being visited.

Miss Mayme Hunn is finding the days too short to accommodate all her activities. Last week-end she spent with her sister at Libertyville. Monday she represented the local telephone office at a business session at Evanston and this week-end she is planning to take an extensive motor trip.

Other plans for the Fourth and the days following, which make an extended week-end worthy of vacation plans, are being made with apprehensive glances at the weather reports.

Mr. and Mrs. A. D. Hines and children are planning to camp at the Indiana sand dunes. Lets hope the rain clouds stay away.

Mr. and Mrs. Paul Wood and children will probably appreciate their trip to southern Illinois where they have relatives at Carrolton. They have been shut in for so many weeks with the children taking turns at measles and scarlet fever.

Mr. and Mrs. Phelps and children are going to Oshkosh, Wis. their two daughters, Opal and Jean, have been visiting there and will return with them.

Mr. and Mrs. Wisersky and children are leaving for a vacation with friends from Downers Grove. They plan to be near Muskegon.

Mr. and Mrs. Thomas Pope and children will celebrate the Fourth of July at the Chicago Historical Society, the 131st Infantry of which Mr. Pope is a member, are staging Battle Hamel which occurred in France on July 4th.

Mrs. Albert Cavanaugh and daughter, Evelyn, have no plans for the Fourth, but next week when they get out of quarantine for scarlet fever, they are going to put into action as great many stored up ideas.

VOICE OF PEOPLE

When did the police car of our village become a taxi cab I have been informed that the village board passed an ordinance for no one to be allowed to ride in the new car. Why is this being done? Look any day you want to and you will see someone riding around for their health instead of doing police work. What good is it to pass an ordinance if they don't live up to it. No wonder it cost so much to keep in repair and repair seat.

Many Auto Owners Finding Tires are Unfit for Summer

Thousands of automobile owners the country over are finding that their tires are unfit for the heat of summer driving conditions as a result of a check-up being made by tire dealers the country over.

"In most cases, according to reports at the Akron offices of the Goodyear Tire & Rubber Co., car owners themselves had not realized that their tire equipment was in need of replacement," declared Mr. Elroy Winkelman, local tire dealer.

"Our method of making an absolute check of the tire's tread

PROVED! 43% MORE MILES of REAL NON-SKID—frequently exceeded.

PROVED! GOODYEAR MARGIN of SAFETY stops cars quicker in emergency.

PROVED! SUPERTWIST CORD gives PROTECTION against blow-outs—in every ply.

conditions is by showing the customer an inked foot-print of the tire, made by applying an inking medium to the tread and then running the tire over a white sheet of paper. Unmistakable evidence that tires either do or do not have a safe margin of tread and traction is plainly shown.

In many cities in the country local authorities have welcomed the tire check-up that is being made in their areas, because they realize that it helps to reduce the number of accidents which are in the making when cars with tires in need of replacement are driven on the streets and highways.

"It puts a little different slant on your efforts when you feel that

you are really doing something that is constructive and may help declared, "and I am sure that when the plan of checking tires before the accident happens is understood by the car owners of a community generally, they will feel the same way about the procedure."

NEW SALES TAX NOW IN EFFECT, IN ARLINGTON

Majority of Merchants Will Not Use the Tokens

From all appearances, the token system for the collection of the new Illinois 3 per cent sales tax which went into effect Monday will not be used to any great extent, if not at all, in Arlington Heights. Most of the merchants interviewed Monday considered tokens an inconvenience to themselves and their customers. Instead they favor what is known as the "Chicago plan without tokens," which is being used throughout Chicago and the larger cities.

This plan provides:
1c to 14c inclusive.....no tax
15c to 50c inclusive.....1c tax
51c to 83c inclusive.....2c tax
84c to \$1.16 inclusive.....3c tax
\$1.17 to \$1.50 inclusive.....4c tax
If the use of tokens is not competitively possible the small sale merchants will lose far less by observing the above plan, it is believed, where the drop to 15 cents

Chiropractic (SPINAL) Adjustments Will Remove the Cause of DISEASE

Free Chiropractic Spinal examinations will be given every Thursday from 9 a. m. to 9 p. m. during July and August, to all children under the age of 16 years, brought to this office by their parents.

Learn about the importance of the spinal column for normal growth and health; and also the cause and sad results of spinal curvatures, which have their beginnings, as a rule, in childhood, and can and should be corrected in early age by chiropractic spinal adjustments.

Examinations and instructions will be illustrated with the aid of X-ray pictures of the spinal column.

A friendly service awaits you. No obligations whatever.

H. Etzelmueller, D. C., Ph. C.
KRAUSE BLDG.

is made for his benefit.
Some businesses, such as restaurants which have but three, four or five different prices will adjust the bracket system to fit their own needs.

A news release from officials at Springfield states, "Some of the larger cities have set up brackets for the collection of the tax. The Department of Finance is not interested in how the tax will be collected,—it is only interested in seeing that the tax is collected on all sales."

"Under the present set-up, if followed strictly by the merchants, the public is assured that it will pay only the amount of tax levied by law."

The tokens which will be issued this week, and available to merchants at the price of \$1.50 per thousand, are of aluminum and a little smaller than a dime. They will be issued in the denomination of one and one-half mills, which is the tax on a five cent purchase. They will be acceptable for the payment of the sales tax anywhere in Illinois.

Sort of Prophet
Jud Tunkins says don't say "I told you so." It's a sort of prophetic motive that's liable to get in the way.

OBITUARY

MRS. JOHN KOLLING

Sophia Kolling nee Soehausen was born May 4, 1849, in Germany. Her father having died, she came to the United States at the age of 2 years with her mother who made her home in Northfield, Ill. She was confirmed in the Northfield Lutheran church at the age of 13.

In 1866 she was united in marriage to Mr. John Kolling in the Schaumburg Lutheran church by Rev. Schmidt and about the year 1869 Mr. and Mrs. Kolling came to make their home in Arlington Heights, where she lived ever since. Seven children blessed this union, but all except one daughter, Mrs. Wm. Schloman, preceded their mother in death. Her husband died in 1912, since which time she made her home first with her son, Henry Kolling and later with her son, Herman. After the death of the latter, she continued to reside with her grandchildren.

Mrs. Kolling had remarkable vitality, except poor eyesight the last three years. She spent her time with her flowers and was able to be about the garden until three weeks prior to her death, which occurred June 29, 1935, at the age of 86 years, 1 month, 25 days.

There remain one daughter, two sons-in-law and eight grandchildren.

MR. LORENZ TRAUB

Lorenzo Traub, born June 14, 1855, in Ann Arbor, Michigan, was married to Miss Sophie Hang May 26, 1876, at Detroit, where they lived seven years. After spending some time in Chicago, they came to Arlington Heights about fifty years ago. He died in his home here June 23, 1935.

Mrs. Traub, after a long helpless illness, borne with heroic patience passed from this earth life twenty-one years ago.

They were the parents of seven children, five of whom are living: Abbie and Margaret, twin to Bert, died in infancy. The living children, Florence, Elinor, Fred,

Charles and Bert, who lovingly cherish the memory of their father's devoted patient life—in all its trying vicissitudes.

The funeral of Mr. Lorenz Traub was held in the family home Wednesday, June 26. The Rev. H. A. Kussack of the Presbyterian church, having charge of the service, held in the home that his invalid daughter, Mrs. Ella Boeger might be present. The pastor's sermon was full of comforting assurances for the reunion in the life beyond. The singing was by a Masonic quartette. Pall bearers were chosen from the brother masons. The burial service was conducted according to Masonic rites at the cemetery. The interment was by the side of his wife in the Arlington Heights cemetery.

Those attending the funeral from out of town, Mrs. Raymond Mahrie, sister-in-law from Manchester, Michigan; Mrs. Anna Miner, Mr. and Mrs. Woodville, Mr. W. F. Traub, Miss Beryl Traub, Mr. and Mrs. Estabrook, Mr. and Mrs. Fred Traub and family; Mr. and Mrs. John Johnston, Mr. and Mrs. Glen Cobb, Mr. and Mrs. Roy Goetake, Mr. M. Oevitz from Chicago; Mr. Fred Benning, Mrs. Henry Husch and daughter, Ruth, Mr. and Mrs. Charles Traub and family, Des Plaines; Mrs. Harry Schoppe and Mr. Wilson, Palatine; Miss Lillian M. Thies from Park Ridge; Mr. Wm. Flesch, Mount Prospect.

Mr. Lorenz Traub was a member of the Masonic Order No. 1162 Arlington Heights lodge and a life member of the Modern Woodmen. He was for twenty-eight years an engineer at the old machine shop now known as the Seating Company. During the long years of Mrs. Traub's helpless life, Mr. Traub was the very soul of patient care and in later years with the same patient unwavering care he has done all possible to help his daughter, who inherits and shares in his cheerful courage under difficulties, beyond reckoning.

No words can better express this heroic man's character than those used by his own children. "Even in loss of strength, employment and needed means, he never gave way to an impatient word, he never complained."

To say this, what more could be added a strong courageous man in all his life devoted to his family and his home.

Eastern Star Notes

Thursday evening, June 26, Arlington Heights Chapter held Girl's Night, with members of the Girl's club filling the various stations. Dorothy Helm, president of the Girl's club served as worthy matron.

Chapter opened with Jennie Carlson, W. M., and Nat. Carlson, W. P., approaching the East, Nelson Hauff, P. W. P. served as W. P.

The officers of the chapter formed a escort for W. M. Dorothy Helm, and the W. P. Nelson Hauff. They were each presented with a bouquet of butterflies.

The officers serving that evening were Dorothy Helm, W. M.; Nelson Hauff, W. P.; Laverne Nelson, A. M.; Elmer Crane, A. P.; Mildred Thal, Cond.; Lydia Hausman, A. C.; Hilda Wilton, Chap.; Myrtle Frey, Mar.; Marian Peterson, Treas.; Inez Ihle, Sec.; Nellie Kellogg as Adah; Florence Schadt, Ruth; Doris Crane, Esther; Marie Muller, Martha; Marion Jahn, Elect.; Gladys Wilton, Warder; Irving Tesch, Sentinel and Helen Jackson as organist. Miss E. Stryker of Ravenswood chapter, served as soloist. Sister Ina Meyer of Wilmette, Chap. gave part of Esther's work. The soloist sang to the worthy matron and worthy patron.

The guest of honor was Dorothy's mother, Mrs. Helm. She was welcomed by Dorothy and greeted in song by the soloist.

Sister Celia Hausman and Sister Georgiana Pankonin were escorted and seated in the East. Sister Celia as instructress and Sister Georgiana, as mother of the Girl's club.

There were two candidates initiated, Mr. and Mrs. Frank Foster.

Sister Dorothy Helm presented to the chapter in behalf of the Girl's club, a beautiful signet. Sister Carlson, W. M., thanked the Girl's club for the gift.

Remarks were heard from the guests in the east, after which chapter was closed.

Scout Camp Opens With Large Number

With the largest first week enrollment in recent years, Camp Oh-Da-Ko-Ta the summer home for local Scouts opened last Sunday. In spite of inclement weather during the previous week that made the task of getting the camp ready a difficult one, everything was in good order on the opening day and within a few hours after the local scouts arrived at the camp they were in full swing of camping activities. As usual the scouts had the choice of participating in any one of the four camping programs, a large number choosing the base camp with opportunities for instruction in scoutcraft and merit badge subjects. Others having had this experience chose the pioneer unit with its program of Indian lore and dancing or the nautical unit with its aquatic program of boating, sailing, canoeing, swimming, life saving and similar features.

Second Week Opens Sunday
Another contingent of campers will journey to this beautiful site on the shores of Dyer Lake next Sunday to begin their camping experience. Those going Sunday are: Robt. Passmore, Geo. Pasternak, Kenneth Zerrien, Kenneth Jones, Grant Watson, Paul Dundore, Chas. Banks, Geo. Banks and Tom Humphreys. Those already in camp are: Jack Brady, Frank Gregg, Geo. Hand, Robt. Bauske, Ernest Muench, Robt. Muench, Alan Gernhardt, Don Henderson, Cliff Walsh, Jack Carr, Allen

Branch, James Cooke, Roy Moore, Armin Mayer, Chas. Mazarr, Geo. Michelau, John Michelau, Richard Paroubek, Ivan Paroubek, Walter Rau, Geo. Schmitt, C. Sparrow, Anthony Weber, Walter Wilson, Frank Noetting, Roger Schoenberger, Martin Krier, Jerome Kennedy and Robt. Wiltgen.

Leaders Chosen for Jamboree
Troop

Scoutmaster Edw. H. Stehman, Scoutmaster of Troop 1 of the Methodist church of Park Ridge, will be the Scoutmaster of the Jamboree contingent from the Northwest Suburban Council to the National Boy Scout Jamboree in Washington, D. C. this summer. Assistants to Mr. Stehman will be H. H. Boettcher, Scoutmaster of troop 28 of Morton Grove and Assistant Scoutmaster Edward Fritz of troop 2 of Park Ridge. The group will be accompanied by Scout Executive Nimitz and it is expected that several members of the Executive Board including President Clifford C. Gregg will also take the trip.

"I pack your tank with extra miles"

SAYS *The Engineer* IN EVERY GALLON

THERE IS TOP-CYLINDER OIL IN EVERY GALLON OF TYDOL

THE explanation of the extra miles in Tydol Gasoline is simple. Into every gallon of Tydol is blended a special top-cylinder oil. We call this lubricant, "the engineer in every gallon," because it tunes up your motor, the way an expert engineer would. It makes your motor operate so much more easily that Tydol lasts longer and goes further.

This super-lubricant, which is also a carbon-solvent, is carried by the gasoline itself to the valves, the piston-heads, and upper-cylinders of your motor...places which your motor oil does not reach. It lubricates those vital spots, protects them from heat and friction, frees them from carbon, and makes their operation effortless and smooth as silk.

That is why "the engineer in every gallon" packs extra miles in any tank. Yet those extra miles cost you not a single extra penny. For hi-mileage lubricated Tydol is priced no higher than ordinary gasolines.

GUERNSEY FIELD DAY IS SET FOR NEXT WEDNESDAY

500 Dairy Farmers are Expected at St. James Farm Near Wheaton

Recent encouraging upturns in the dairy industry are expected to help swell the turnout of Guernsey cattle breeders for the annual field day of the Illinois Guernsey Cattle Breeders' Association which will be held on the St. James Farm, near Wheaton next Wednesday.

Approximately 500 probably will attend, according to those in charge of the program. Prof. C. S. Rhode, of the dairy department, College of Agriculture, University of Illinois, will be master of ceremonies of the day's program, and E. I. Pilchard, boys' 4-H club specialist of the college, will be in charge of a Guernsey judging contest open to teams of 4-H club members from any part of the state.

In addition to the contest other features of the program will include an inspection of the St. James herd, which is one of the best representatives of the Guernsey breed in the state. Outstanding animals as well as methods of feeding, breeding, and managing the herd will be discussed.

L. R. McNeil, Tuscola, is president of the Illinois Guernsey Cattle Breeders' Association, which is arranging the field day. H. C. Horneman, Danville, is secretary-treasurer, and directors are H. W. Winker, Belleville; R. E. Muckelroy, Carbondale, and L. C. Studer, Rockford.

AT THE CATLOW

Jackie Cooper in "Dinky" is proving a very popular number as the high spot of the special Independence program at the Catlow theatre, Barrington. It will be screened for the last time this Friday night, and will be followed by the Saturday night showing of "The Road to Reno".

Edward Everett Horton as the worker that needed a raise so badly he actually ached for it creates a role that is a circus for movie fans. Karen Morley and Allan Dinehart are co-stars. A comedy-titled "The Misses Stogee" featuring Patsy Kelly and Thelma Todd, Cartoon and Pathe news will precede the showing of the feature.

"Oil for the Lamps of China," coming to the Catlow Sunday and Monday, with Pat O'Brien, Josephine Hutchinson and Jean Muir heading a huge cast, tells the story of a courageous young American and his unloved bride fighting for happiness against ten centuries of darkness in the land of the Great Dragon. It is a four-star picture rated among the top-notchers of the entire year.

Tuesday, Wednesday and Thursday bring Jean Harlow and William Powell in "Reckless." A 1,000 wonders are crowded into this melodrama interspersed with exciting dancing and novel settings.

Fourteen Now Employed on Local Relief Projects

Although there are a great many awaiting assignment, only fourteen are now employed on relief projects in Arlington Heights. These are the early ones who were first examined since the abandonment of all projects in May. These men are employed upon projects previously approved and started. The improvement at the north side water tower park was completed Monday and as soon as weather will permit, cracks in the pavement are to be tared. A few men have been used on cutting thistles.

With the luxuriant growth of weeds and thistles as well as grass there is an abundant amount of work available. Men not on relief projects are receiving grocery orders in place of cash, which does not prevent them any too well.

L. Steinbrink, of Palatine, who formerly acted as supervisor of this district has returned to an earlier position and his place is being taken by Mr. Petty, of Niles Center.

Mother of Du Page Judge Dies Saturday

Mrs. Adolphine C. Knoch, mother of County Judge Win G. Knoch, died suddenly from a heart attack at her home in Naperville Saturday night. She was 66 years of age.

Miss Jackson, Community Nurse Back on the Job; Baby Clinic Tuesday

Miss Jackson, Arlington Heights community nurse, is back upon the job, after a short vacation, which was largely spent right here in Arlington Heights. She has resumed her regular schedule and is now subject to call.

The baby clinic will be held Tuesday, July 9 at the village hall.

Nordic Club Robbed Last Friday Night

Four masked men robbed the Nordic country club, southwest of Itasca, of \$400 late last Friday night. Miss Clara Rash, cashier of the club, was seized in her room and forced to open a safe in an adjoining room and give the intruders access to the club funds.

Although told to "keep quiet," Miss Rash resisted strenuously and with her kicking, screaming and biting caused the masked men no little concern. When one of them grabbed her to hush her screams she sank her teeth into his finger.

The robbery was completed without awakening any of the other employees of the club. The intruders were apparently familiar with their surroundings and addressed Miss Rash by name. After getting the money from the safe, the men left immediately.

TAVERN'S MUST OBEY LAW SAYS LIES IN LETTER

County is Firm on the Proper Obedience of Regulations

(DuPage County Story)

Since the nationwide advent of liquor following the repeal of prohibition a few years ago, comparisons of the modern "tavern" with the "saloon" of a few decades ago have been many and varied.

In judging whether or not this is so, one is left largely to his own recollection and judgment. However, N. W. Lies, head of the local liquor control in DuPage county, recently mailed a letter to tavern owners that shows clearly the efforts being made to regulate the dispensing of liquor.

A year ago taverns and tavern owners were given strict orders from the county as well as the state, concerning the manner in which they should conduct their business. The state had already passed various laws for the tavern owners to follow, if they wished to retain their licenses, but the county also thought that it should supply additional control.

Following, in part, is the letter mailed on the first year's anniversary of the county's supervision: DU PAGE TAVERN OWNERS:

As you have been informed by the Liquor Commission on several occasions, the liquor business will have been on probation for one full year. It is the intent of the local liquor control commissioner to have this business conducted in such a manner that will put it on a par with other business and hereafter each and every Tavern Keeper will be compelled to obey the law of the State in that regard as well as the rules and regulations as laid down by the county board. Failure on the part of any tavern keeper to comply with the law and these rules and regulations will mean just one thing, which will be the revocation of their license.

We wish to place a special emphasis on the matter of compliance with the State Fire Marshal's ruling.

The above conditions are final and will be enforced to the letter. Do not ask anyone to intercede for you for it will avail you nothing.

Very truly yours,
N. W. LIES,
Local Liquor Control Commissioner, DuPage County, Ill.

IN MEMORIAM

Busse — William Busse, who passed away July 6, 1927: Just a prayer in your memory. Just this token fond and true; Just to say how much I miss you, And how my heartaches for you; But how sweet to know will meet again.

Where parting is no more, And the one I loved so dearly, Has only gone before. For death cannot sever True love forever, Happy with dear Willie and Esther Loving Wife.

ROSS WHEAT, JR.

Ross Wheat, Jr., born Jan. 1, 1914, in Chicago, Ill. There he attended the public school. In 1925 he came with father and mother and brother to Bensenville, he held a position at the St. Paul R. R.

Since 1931 he worked only part time—a hard lot for many young men in these depression years. Wednesday evening, June 26, he was found in the garage, overcome by carbon monoxide, restorations were of no effect, he passed away at an age of 21-5-25 days.

He is mourned by his father, Ross Chapman Wheat, who, at the time, was still in Washington Boulevard hospital, recovering from an operation; also by his mother, Mrs. Elizabeth Wheat, by his brother, Raymond Wheat, by his grandparents, Mr. and Mrs. Walsh; by his uncles, Herman, Ed, Paynd, Mentor and Hale Wheat; by his aunts, Cary Marshall, Edith and Grace Wheat; and from mother's side, Mamie Lafleur and Edith Carl, and other relatives and friends.

Funeral services were held at Gell's Funeral Home Sunday, June 30, at 2 o'clock, Rev. H. Wagner officiating. He was laid to rest in Elm Lawn cemetery.

Mrs. Anna Magers sang two comforting solos, accompanied by Miss Cora Warnecke. Many flower tokens were presented.

DEATH OF A FATHER

ITASCA LEGION CELEBRATES AT BENSENVILLE

Baby Parade is Big Event, All Kinds of Fun; Come Early

Thursday, July 4, the Itasca Post No. 608 of the American Legion, will hold their fourth annual Independence Day celebration. Every one is cordially invited to attend and enjoy the parade, dancing, band concert and many other amusements. Worthwhile prizes will be awarded.

A juvenile parade will start from the high school at 1 o'clock. Dress your youngsters up and construct a carriage and let her or she take the prize. All remember what fun was had last year.

The music for the afternoon and evening will be furnished by Ray's Rubes from Bugtown. Gifts will be presented at 9 o'clock.

Everyone is invited to spend the Fourth with the Legion at Kebels.

ITASCA

Mrs. Max Bramer returned Sunday from her vacation trip through Tennessee and Kentucky and a visit with her sister, Mrs. Isaac Condelton at Anchor, Tennessee.

Arthur Schroeder of Iowa, visited at the home of his parents over the week-end.

George F. Pfaff has received notice from U. S. Senator J. Ham. Lewis, stating that he has joined with Senator Dieterich in recommending Mr. Pfaff's appointment as permanent postmaster at Itasca.

Mrs. Charles Klein and daughter, Miss Geraldine, visited friends in Chicago Monday.

Miss Peterson of Chicago is spending the summer at the home of her brother, Carl Peterson.

Carl Peterson, Jr., with his family from Chicago, visited at the home of his parents Sunday and little Don Kenneth, returned with his parents after a vacation with his grand parents.

Mr. and Mrs. Elmer Franzen are entertaining Miss Elder, a friend of Mrs. Franzen's from Colorado, who is convalescing from a recent illness.

Mr. and Mrs. Paul Mitchell of Austin and Mr. and Mrs. Lawrence Scharf of Atotoma, Iowa, with their families, were guests at the home of Mr. and Mrs. Elmer Franzen, Sunday.

Mr. and Mrs. Charles Draper of Franklin Park celebrated their silver wedding anniversary at Koebe's pavilion last Friday evening.

Mr. and Mrs. Thor Kleven and children are enjoying a visit with relatives in Milan, Minn.

Mr. and Mrs. Robert Dival enjoyed the week-end in Lancaster, Wis.

Mr. Castle Kuhn is enjoying a visit with his sister who is here from Indiana.

Mr. Leonard Runge, who is employed in Chicago, spent the week-end with his parents, Mr. and Mrs. George Runge.

Mrs. Neighbors of Maywood, formerly, Dorothy Harrison, is the proud mother of a baby son, born at the West Lake hospital June 20.

Russell Small is seen dashing about in a new Plymouth car.

Mrs. Owen Sawyer and Mrs. Wm. Kleven spent Wednesday in Chicago.

Mr. and Mrs. Charles Buell and children are enjoying a few days in Terra Haute, Indiana.

Mr. Wm. Rands was guest of honor at the home of Mr. and Mrs. Rands.

DEATH OF A FATHER

Mrs. Anna Magers sang two comforting solos, accompanied by Miss Cora Warnecke. Many flower tokens were presented.

BENSENVILLE

Mr. and Mrs. George Bayne entertained eight relatives from Milwaukee, Wis., last week-end.

Mrs. Willet of Flint, Mich., enjoyed visiting her sister, Mrs. Roy Brakke this last week.

Miss Lillian White was confined to her home several days this week due to illness.

Mr. and Mrs. Harry Salsgaber and children, left Tuesday evening for Perry, Iowa, where they will visit his parents.

Bert Johnson, a clerk for the Milwaukee road, certainly fooled the boys lately when he has been making such frequent trips to Iowa. Last Thursday Bert returned from his last visit and along with him was a charming wife. The bride is from Clinton, Iowa. Bert's many friends wish he and his wife the best of luck and loads of happiness.

Miss Loretta Adams of Boscabel, Wis., is visiting her sister, Mrs. L. E. Smethurst.

The large number of theft arrests doesn't seem to bother some of the hoodlums that are still seeking their enjoyment ransacking homes. Last Wednesday evening while the Jim Gary family was out someone broke into their home and took several articles which were appealed to them and also Mr. Gary's pocketbook which contained several bills and some change. Police authorities were summoned and fingerprints were taken to aid in the capture of the molesters.

Mr. Wm. Sawyer, who has been making his home with his son, Owen, left Thursday for Missouri where he will stay with his daughter, Lena.

Last week one of our local boys who is in a COC camp in Waterloo, Illinois, wrote his mother, Mrs. A. P. Heim asking her if he couldn't subscribe for the Register and have it sent to him at camp. We are now sending copies to Russell and hope he enjoys each issue. Several of our subscribers now vacationing in Florida, California and Oregon, are receiving their papers weekly and each look forward to each issue.

Mr. and Mrs. Ronald Perry and son of Winona, Minn., are enjoying this week at the Elmer Harkness home.

It certainly isn't a pleasure to walk along our streets with the weeds and grass as tall as the average person. Perhaps if some of our residents would send our cleaning and repairing bills to the village, we would have a little action in getting them cut. There are plenty of fellows who would be glad to spend a day cutting them and would appreciate the chance to earn a couple of dollars.

Mr. and Mrs. Charles Draper of Franklin Park celebrated their silver wedding anniversary at Koebe's pavilion last Friday evening.

Mr. and Mrs. Thor Kleven and children are enjoying a visit with relatives in Milan, Minn.

Mr. and Mrs. Robert Dival enjoyed the week-end in Lancaster, Wis.

Mr. Castle Kuhn is enjoying a visit with his sister who is here from Indiana.

Mr. Leonard Runge, who is employed in Chicago, spent the week-end with his parents, Mr. and Mrs. George Runge.

Mrs. Neighbors of Maywood, formerly, Dorothy Harrison, is the proud mother of a baby son, born at the West Lake hospital June 20.

Russell Small is seen dashing about in a new Plymouth car.

Mrs. Owen Sawyer and Mrs. Wm. Kleven spent Wednesday in Chicago.

Mr. and Mrs. Charles Buell and children are enjoying a few days in Terra Haute, Indiana.

Mr. Wm. Rands was guest of honor at the home of Mr. and Mrs. Rands.

ADDISON

Mr. and Mrs. Harber visited Mr. and Mrs. Atz Pfotenhauer Friday.

Miss Ellen Marquardt spent Sunday with relatives.

Mr. and Mrs. Fred Schultz from California are visiting his parents a week.

Miss Elsie Vermillion spent a few days in Chicago.

Mr. and Mrs. Tode are happy parents of a baby girl.

Louis Oestmann and family spent Sunday with Mr. and Mrs. Wm. Fiene.

Miss Bertha Osche of Maywood visited her sister, Mrs. Biesterfeld Wednesday.

Mrs. Sperry spent Thursday afternoon with Miss Hattie Beckenfelder.

The Ladies' Auxiliary had a picnic at the Orphan home Tuesday.

Mr. and Mrs. A. Vanderstuf from Elmhurst visited Mr. and Mrs. Hochmuths Saturday.

ROSELLE LIONS INVITE ALL TO THE BIG PICNIC

Free Dance all Afternoon, Rides, Amusements and Refreshments

Roselle will hold the annual July 4th celebration at Roselle Park next Thursday. With weather favoring a record crowd is expected to participate in this day of recreation and amusement which is sponsored by the Roselle Lions club.

As in former years, all the usual attractions are going to be available at Roselle. Rides of various kinds which are the delight of the kiddies, skill and coin games and like amusements which win the favor of the older folk, and plenty of food will be in store for all who attend.

Perhaps the leading attraction is the free dancing to good music all afternoon on the confines of the grove on a spacious floor. Along with the popular dances of the day the famous tunes of yesterday will be played and the older people will be given an opportunity to show how it used to be done, and if unpracticed limbs and feet will permit, how it still can be done today.

In the evening will be the big dance with music furnished by an excellent orchestra. Folks who can not arrange to be in Roselle during the afternoon should arrange to be on hand for the evening amusement.

There will be an abundance of good food and refreshments on the grounds afternoon and evening. Plenty of parking space has been made available by the Lions organization. Out of town people are invited to bring their picnic lunch and spend all day in Roselle.

David Rands Monday. The occasion in honor of his birthday.

Mr. and Mrs. Wm. Burnett and children and Mr. and Mrs. Henry Davis are enjoying this week at Gull Lake, Michigan.

The Bensenville business men meet at the Wm. Duntman home Monday evening.

Mr. Robt. Harmon and lady friend of Chicago, spent Sunday at the Wm. Harney home.

Mr. and Mrs. Arthur Bissel of Rome, New York and Mr. and Mrs. Geo. Shaw spent Monday in Madison, Wisconsin.

Don't forget the dance at Hack's Tavern Saturday evening.

Mrs. Richard Payne spent Wednesday in Chicago with her sister.

Mr. and Mrs. Harber visited Mr. and Mrs. Atz Pfotenhauer Friday.

Miss Ellen Marquardt spent Sunday with relatives.

Mr. and Mrs. Fred Schultz from California are visiting his parents a week.

Miss Elsie Vermillion spent a few days in Chicago.

Mr. and Mrs. Tode are happy parents of a baby girl.

Louis Oestmann and family spent Sunday with Mr. and Mrs. Wm. Fiene.

Miss Bertha Osche of Maywood visited her sister, Mrs. Biesterfeld Wednesday.

Mrs. Sperry spent Thursday afternoon with Miss Hattie Beckenfelder.

The Ladies' Auxiliary had a picnic at the Orphan home Tuesday.

Mr. and Mrs. A. Vanderstuf from Elmhurst visited Mr. and Mrs. Hochmuths Saturday.

NOTICE

Take notice that an application for retail liquor dealer's license outside incorporated village or town in Cook county has been made by the following:

Emil Herbold, "Dad's Tavern," located Irving Park Blvd. & Sutton road, R. F. D. Route No. 1, Elgin, Ill.

Joseph Mularski, location Higgins road east of Des Plaines river, Leyden township, Des Plaines, Illinois.

Ruban B. Noren, "Rob Roy Country Club" location Elmhurst road, 1 mile east of McDonald road, Mt. Prospect, Illinois.

Raymond Olsen "Olsen's Barbecue," location Route No. 1, River Road near Lawrence avenue, Leyden Township, P. O., Des Plaines, Ill.

Anthony Sikora, "Donkey Inn" location Plum Grove, 1 mile south of Palatine, Route No. 1, Palatine, Illinois.

Robert White, "Tropical Gardens" location N. W. Cor. Ballard road and Milwaukee avenue, East Maine township, P. O. Des Plaines, Illinois.

Objections to the granting of such license may be made to the president of the County Board as local liquor control commissioner in writing and signed by objector within five days stating specifically the grounds of objection.

CLAYTON F. SMITH,
Cook County Liquor Control Commissioner, 523 County Building, Chicago, Ill.

Many Rain Checks In Soft Ball League

With the clouds rolling away for short periods every day, the schedule of the soft ball league has been all shot to pieces. In an attempt to bring order out of chaos, this week's games are being transferred to the end of the schedule, while an attempt is being made to hold the previous postponed games this week. Yet Monday night there was a postponement of a postponed game.

The Tongs
Tongs are Chinese secret societies, and feuds between them, which are frequently attended by bloodshed, are called Tong wars.

THEATRE NEWS

At Rialto Theatre

Coming to the Rialto Theatre, Elgin, Sunday for four days, will be "No More Ladies," Metro-Goldwyn-Mayer's new Joan Crawford picture co-starring Robert Montgomery, is one of the finest pictures these two popular stars have ever made.

An uproarious comedy with strong underlying drama of the tactics used by a modern woman to hold the husband she loves, it was cleverly adapted from the Broadway stage hit by A. E. Thomas.

The featured cast is exceptionally brilliant, including Charlie Ruggles, Franchot Tone, Edna May Oliver, Gail Patrick and Reginald Denny. It would be a hair-splitting procedure to determine which turns in the most convincing characterization.

With an inspired wardrobe by Adrian and lavish backgrounds by Cedric Gibbons, Producer Irving Thalberg has framed his picture with characteristic originality and attention to detail. Edward H. Griffith's direction surpasses his customary high standard.

CLAYTON F. SMITH,
Cook County Liquor Control Commissioner, 523 County Building, Chicago, Ill.

AT THE CHICAGO

"Murder in the Fleet," Metro-Goldwyn Mayer's detective story starring Jean Parker, Robert Taylor, Ted Healy, Una Merkel, Nat Pendleton, Jean Hersholt, Arthur Byron and Frank Shields, comes to the Chicago Theater Friday, June 28.

The action of the picture takes place, practically in its entirety, aboard the ship. Murders are committed on visitors day, and civilians and naval crew find themselves in detention while a young naval officer turns detective to trail the killer. Every person on the ship is suspected, and the solution comes as a surprise in the final scenes. Desperate fights in the hold of the vessel, in a flooded powder magazine, the race to build a new firing gear, and other exciting details figure.

The ship's armory, power magazine, bridge, fire control rooms, and other details were part of the elaborate replica of a warship, housed on the largest stage at Metro-Goldwyn-Mayer for the picture.

FINAL PLANS MADE FOR STAGING BIG FIREWORKS DISPLAY AT MT. PROSPECT

Events Arranged by Committees Include Soft Ball Game, Barrel Contest by Village Firemen; All Organizations Lend a Hand

The big Fourth celebration will be staged on next Thursday night beginning at 6:30 with the soft ball game on the soft ball diamond. At 8:00 o'clock the water fight will take place on Elmhurst, and at 9 o'clock the fireworks display will begin. The program will terminate with a display of fireworks at the intersection of Elmhurst and Busse avenues.

The plans for the Fourth celebration received the final approval on Monday night at the general committee meeting. Almost enough money has been turned in to make the whole program assured, and the committee has been secured to make the celebration a success.

The committee has had a very short time to do its work and there has been little opportunity for any publicity, but cooperation on the part of the Village board, the Improvement association, the Masonic club, the V. F. W., the American Legion, the Lions club, and interested citizens has made the big event possible.

Married Men vs Single Men
No celebration in the Village would be complete without a soft-ball game. The married men will attempt to prove to the single men that marriage is no handicap and will try to avenge the defeat of last year. The final plans are made and teams are being formed for the game which will be staged on the soft ball diamond at 6:30 o'clock. Mr. C. R. Hennix is taking care of the arrangements for the soft ball game, which will be the first event on the program of the evening.

Water Fight Assured
The Village firemen have consented to have a water barrel fight. The barrel to be used has received its final coat of paint at the hands of Fred Busse in the Busse-Biermann store, and painted red, white and blue will be more easily seen than it was last year. The water fight will be staged on Elmhurst avenue at the same location as last year. The poles used for the fight last year are still in place, having been left by the telephone company. An exciting time is expected when two teams of expert fireboys turn streams of water under high pressure on the barrel.

Fire Works Display
The third major event of the program is the fireworks display which will be in charge of Mr. Leslie of the Theodor Duffield company who handled the display so well last year. This event will take place in the same location as last year, on the south side, in the area west of Elmhurst avenue and north of Busse avenue. The site selected last year proved ideal for the spectators who will have a clear view from the high ground east of Elmhurst avenue. The firemen have expressed a willingness to handle the crowds and will see to keeping the streets clear of cars in the area. The grass will be cut and removed, Edvin Haberkamp reported, before Thursday so the danger from fire will be eliminated. The display has been bought by Ralph Gould, C. L. McCoy, and O. L. Lendek, and there will be aerial bombs, rockets, sky illumination, and ground pieces of various forms, following in sequence that will keep everything going from the first bomb. If the unexpected happens and there is rain on the evening of the Fourth, the display will be given on the first fair night afterwards, within a week.

The Boy Scouts will have a booth on the street where they will sell refreshments to the spectators. They will have ice cream, pop, cake and sandwiches for sale.

It was voted at the meeting of the general committee to ask the Lions club to take the responsibility of starting the planning for the Fourth celebration next year a little earlier than it was started this year. The representatives of organizations all expressed a wish that the Lions club would take over the preliminary planning, just to get the celebration started, but not necessarily to sponsor it. A final meeting of the general committee will be held next Monday night in the Village hall, to hear the final reports of the various committees.

The committees making the canvass of the Village reported a total of \$146.85 collected and \$15.00 promised but not yet collected. The goal set was \$200.00. Enough money has been raised to assure the success of the celebration, but not quite enough to carry out the complete plans made. If anyone has not been seen, he should make his contribution directly to Otto Landeck at his store before Thursday.

Out of Town Cars Collide on Highway At Main Street

The average of one accident a week was maintained when a car driven by John Palaski of Norwood Park west bound on Main street failed to stop at the red light and crashed into a car driven by Wm. M. Murray of West Chicago south bound on North West highway last Wednesday morning at 11:30. Mr. Palaski was extracted from his car by Policemen George Whittemburg and kept at the police station until he made bond. He is said to have been drinking and the local officer experienced some difficulty with him. When the prisoner came to his senses he apologized profusely for his conduct. The front and fenders of both cars were damaged to the extent of more than twenty dollars each, but Mr. Palaski assumed the payment of the damages.

MOUNT PROSPECT

Mrs. P. H. Frey and Mrs. E. M. Luckner were guests of Mrs. Evans on Friday afternoon in Chicago.

Dr. A. L. Buck was a visitor at the Lions meeting Thursday night. He also visited the Village Sunday for the donkey ball game.

Betty Hohmann, daughter of Mr. and Mrs. Hohmann of S. Ioka avenue, sprained her ankle Monday.

Miss Bernice Tatge, Milton Sporleder, his sister, Louise and his mother went to Chicago on Sunday to celebrate the birthday of Mr. Sporleder's niece, Nancy.

The highway was flooded at the under-pass in Des Plaines on Monday evening and cars were experiencing a great deal of difficulty in getting through. Many detoured to Des Plaines by Elmhurst road.

Mr. Fred Mueller and daughter, Alice, attended the funeral of Mrs. Brockmeyer of Edison Park on Friday.

The Falkangers have returned from their vacation.

On Sunday, June 30, Mrs. P. H. Frey entertained about 25 relatives with dinner at the Chocolate Shop in Park Ridge. After dinner they returned to Mt. Prospect and enjoyed the remainder of the day in the P. H. Frey home. At a late hour the party disbanded and everyone wished for Mrs. Frey many more happy birthdays.

WHY?

"I WISH I knew some way of making Clarisse practice her music."

"Doesn't she practice?" "I should say not. If I didn't force her to go to the piano and stand there until she began playing she would not touch it. I've promised her everything but it's all no use."

"Why don't you try letting her alone for a change?"

"She wouldn't do a thing. I'm telling you. Know what she did last week? So deceitful. I was so upset I cried. I made her go to the piano and I stayed there until she got her music on the rack and began running her fingers up and down. I had people coming to dinner so I had to go. I listened every once in a while and I heard her playing. At least I heard the piano going."

"Well, her father came home early on account of the company and he came to me in the pantry and said, 'Mary, is Clarisse supposed to be practicing or what?' 'She's supposed to be practicing.'"

"But as a matter of fact she was reading a shocker and the kitten was doing the practicing."

"There she sat reading a perfectly awful book and every once in a while touching the keys, and letting her kitten go up and down the keyboard to fool me into thinking she was playing."

"I'd stop giving her music lessons."

"It's just a shame when Mrs. Clure's Marie plays like a streak. She gave a recital at the town hall last week and everybody was crazy about it. And I can't get Clarisse to do a thing."

You can't get Clarisse to do a thing but cheat if you feel like that. Making a child learn to play a musical instrument, take a professional course, learn to dance for public appearances so that you can enjoy the applause won't do. Children do not learn that way. An art must have its source in the child's soul. If it is not there you can never put it there. It is unfair to use a child that way and no good comes of it.

Fathers sometimes make the mistake of trying to make star sportsmen of their sons. A place on the big team, a seat in the shell, a medal for a first in track or field sometimes becomes so important that it wrecks a boy and shakes a home to its foundations.

If you have a star, well and good. Let it shine. If you have a pleasant rushlight tend it well and let it shine happily within its own little circle. It is better that way.

Genoa Throbs With Life
Genoa, Italy's animated Mediterranean port, throbs with modern life, with fine palaces and historical buildings which evoke memories of a glorious past. Genoa's works of art include the Cathedral of San Lorenzo and the Sixteenth and Seventeenth century palaces.

SEWER PROBLEM STILL IS NOT SETTLED

Various Plans Suggested; Nothing Decided At Meeting

The bad weather of last Friday night kept quite a number of people from attending the mass meeting for the discussion of the sewer problems of Mt. Prospect, but about fifty representative citizens were there. All who attended had the privilege of hearing the problems discussed by experts and asked questions about phases of the matter and made suggestion to solve the problems.

Mr. H. J. Thal, Village attorney, spoke first and outlined two possible ways of financing the sewerage treatment plant. The first plan was that the Village sell bonds locally and make a charge on each user of the sewer system to pay the bonds, with some sort of a fee which would equalize the payments on each house built after the sewerage treatment plant was in operation. The other plan was that the Village borrow money from the four billion fund of the Federal government and pay back the money by a service fee based on the use of water by the home owner. The biggest item of expense, Mr. Thal pointed out, in the construction of a sewerage treatment plant would be an intercepting sewer to pick up all drainage into Willow creek and connecting that sewer with a treatment plant.

Mr. C. E. Schwob, State Sanitary Engineer showed slides depicting the history of the development of handling sewage from the earliest history of mankind down to the present. He showed surveys made of all of the state of Illinois and he pointed out many bad places of contamination over the whole state. A hearing was held on May 18th and the Village was ordered to correct its sewage disposal. He stated that there are ten outlets into Willow Creek and one into the Des Plaines river from the Village which would be connected to a treatment plant. He suggested securing a loan and grant from the Federal Government to finance the construction.

Mr. Smith, of Consoer, Townsend and Older, next spoke and brought out that the flow of Willow Creek is insufficient to dispose of wastes from the Village. He suggested that all sewage, including storm waters would eventually have to be treated, but that overflows could be constructed at this time permitting only the treatment of the ordinary sewage and allowing rain and storm waters to run untreated into the creek. The first he named a chemical precipitation plant, which would be expensive to build and expensive to maintain. A trickling filter plant with a rock filter would treat and remove 90 per cent of the contamination, would be a little less expensive to build and would be less expensive to operate. An activating sludge plant which cost much less to build but more to operate was the third suggestion. According to an unofficial estimate given the meeting by Mr. Smith, the costs of building would be about 60 per cent for material and 40 per cent for labor, on the plant construction. The intercepting sewer would have only about a 35 per cent cost for material. If the service charge were to be used as a basis of levying costs against the house owner, the water bill in the winter time would be taken and not the summer bill when sprinkling was done.

The chief questions seemed to be why other towns have not been cited by the State. The construction costs would be about twelve to fifteen dollars per population served. The meeting closed without anything definite decided upon, but with the whole problem to be settled by the Village board.

A Rhyme O' Health

Here's a toast to health and charm And cheeks as smooth as silk, Fruits, vegetables—protective foods— And with them drink fresh milk!

BRavo! we cry and cheer with vim, at sentiments like these; for milk and fruit and vegetables are a combination sure to please!

It's unanimous! Mother, Dad, Brother and Sister agree on that without a dissenting murmur!

You've heard about eating to live and living to eat? Here's a suggestion: Why not compromise on the two ideas—do one to accomplish the other?

After all, there are just so many different types of food, and everything that you eat is just a variation of those types according to preparation, amount, and personal taste. There are some foods, however, that are considered absolutely essential for a well balanced and adequate diet.

Now, if you would like to be able to live long in order to eat include in your daily diet two servings of fruit (one citrus or tomatoes), two vegetables besides potatoes (one green leafy or yellow) and a quart of fresh pasteurized milk. If you do, you'll find that you're eating to live—healthily, happily, and "lengthily."

IN THE LION'S DEN

The Lions meeting on last Thursday night with the wives of the members present was very interesting. The speaker of the evening, Mr. A. Carlson of Maywood, made a very interesting talk. His subject was "A Philosophy of Life." His definition of a satisfactory philosophy was "One should live so that life will be better for some one else." All impulses should be subjugated to that which is good, he said. Everything should be taken in its relationship if it is to be of value. And good is that action which makes it easier for some one else to live. That is the philosophy of co-operation.

He said also that all our convictions are colored by our experiences. The pleasure seeking person is not worth much. His philosophy is not good, because it leads to individualism. Neither is the person who is entirely subjected to law regardless of its goodness or badness worth a great deal. This is the philosophy of the one who brags, "I can take it." And the philosophy of the person who says that the individual is a part of the whole is not a good philosophy. Of course we are all a product of what we have from others but this philosophy doesn't fit these days.

Following the dinner and the speech of Mr. Carlson the new members of the Lions were inducted into the organization in a very fitting manner, with Lion-tamer Kruse assisted by Lion-tamer elect Frank Biermann officiating. The installation of the newly elected officers followed.

DONKEY GAME PROVES BIG HIT SUNDAY

Interesting Game for Spectators as Well as for Players

The good time promised last week by the news that a donkey soft ball game was to be played on Sunday afternoon between the American Legion team and the Lions club team was put very mildly. The donkey ball game was one which will be remembered for a long time by all those who attended it. The sight of staid, sedate business men riding, or trying to ride the diminutive animals was quite uproariously funny to say the least.

While the rules of the donkey game were very definite, they were quite a bit different from the rules of the ordinary game. The catcher and the pitcher were the only ones besides the umpire who were not mounted. The batter hit the ball while unmounted, then climbed aboard a donkey, if he was fortunate enough to get one of the two which could be mounted. If he was lucky enough to draw the third donkey, he didn't climb aboard, he only tried. Though two men did manage to stay on the balking donkey, they gave a very undignified exhibition of riding.

After hitting the ball, the donkey mounted, the problem became one of getting to the first base before the fielder rode off his donkey. The batted ball, climbed off his donkey, climbed back on then threw the ball to a baseman. This all took time, of course, and the whole game was a study in slow motion.

The high light of the game were Frank Biermann stealing second base on his slow-moving animal with the whole infow of the Legion team gathered around to prevent him. He made it. The catcher of the Legion team so busily engaged in watching the antics of the base runner that he forgot he was playing and permitted Fred Meeske to make the one count for the Lions team. Doc Cunningham riding the balking donkey was another high spot of the game.

The crowd was estimated at well over five hundred persons, and the income from the game was quite satisfactory, it is said. The Lions and the Legion post will each use their share of the money for some project of betterment in the community.

The final score was tied at one to one, after an hour and a half of play.

Following the donkey game a regular soft ball game was played with the same men participating who had played from the backs of the animals. The final score of that seven inning game was 5 to 4 in favor of the Legion.

SO THEY TELL ME

ARLINGTON HEIGHTS OF THE FUTURE

In spite of the present park assets, Arlington Heights is still behind many progressive communities in providing for a large park area to serve as a community center. With the PWA providing for 45% of the cost for this kind of public improvement and with the necessary property available today much below its real value, a project of this nature, while not being promoted by the Herald, is well worth the consideration of Arlington Heights citizens who have an eye to the future.

WHO CARES?

Will Arlington Heights have a centennial celebration or not? 1935 marks the year of the One-hundredth birthday of the village of Arlington Heights but who knows it? And who cares?

Des Plaines and Deerfield are celebrating the century mark with a big celebration. Mount Prospect, our small neighbor, remembered its birthday last year. Elgin has made plans for its celebration this month.

Arlington Heights should be no less proud of its name and age. None of us shall ever see an even hundred birthday candles on the birthday cake of Arlington Heights again. Shall we let the year 1935 roll by unnoticed?

The Herald will be glad to receive suggestions.

OUR HEALTH SERVICE

At this time of the year the Arlington Heights health committee asks the village, the high school, elementary school, and other societies to pledge amounts which will make possible the continuation of the present health service.

The Herald feels that the health work being done by our community nurse is so worth while that it should not be curbed in any manner.

It is as important as any of the departments in the village government. It equals the work of any teacher in any of the schools within this village. It enters a field of its own and does some of the "nasty jobs" that only a big hearted, level-headed, sympathetic and hard working health worker can handle. Perhaps Arlington Heights has

RED WINGS JOIN MIDWEST BALL LEAGUE

Tough Games Scheduled for Arlington Ball Club; Finalists at Cubs Park

The Arlington Red Wings are now members of the strongest semi-pro baseball league in Chicago, a league that has been organized for better than 15 years. This will be a guarantee to their fans that only the best ball teams will be scheduled to play at Arlington Heights as the Red Wings are registered as a home club, they will play all games at home, until the finals, providing the Red Wings can manage to stay in the running, will be played off at the Cubs ball park.

Next Sunday, July 7, a Midwest team, who has not lost a game so far this season, the Geo. Forth Coals, will play here. This team was formally the Miller High Lifes now sponsored by Geo. Forth and is not the Geo. Forth Coals that played here the beginning of this season.

The Red Wings will travel July 4, to Elgin and play the Trade Council team, who are members of the Ill.-Wis. football league.

"Our boys will appreciate if the fans will travel to Elgin and give their support," says Chas. Page. "Elgin has an enclosed baseball park, and seating capacity sufficient to enable every one a seat, so lets everyone be on hand to encourage the boys to win, as the next three games will be plenty tough competition. July 4 at Elgin, July 7, Geo. Forth Coals and July 14 Peter's Union Giants at Arlington."

Last Sunday the Red Wings defeated the All Nations, score 14 to 2. Batteries for Red Wings, Wm. Deidrich, pitcher; Rox Bolte, catcher.

become so accustomed to Miss Jackson and her work here that some people do not realize the loss its abandonment would occasion to the community.

GOLDEN EGGS

Tidy sums in "butter and egg money" are made by farm women who use the telephone. A telephone call is a quick, easy and dignified way to sell. One call to the local market determines the highest prices being paid. Another call to each customer clinches the sale, assures delivery and often results in additional orders for poultry and seasonal produce at the best prices available. This is only one of many things the farm telephone can do at a profit! Employed every day, for a variety of uses, it can and repeatedly does show a profit above its cost. Remember, it works for small pay.

JULY 4—OLD TIME DANCE

MUSIC BY THE DIXIE HAYSHAKERS

So good follows good, and a staunch friend and fellow sufferer in our seemingly lost bank deposits tells us we are to have another so-called "dividend." He also says we should be glad our bankers have brought about a safe assurance of our life savings by their own efforts without having to call on Washington for help. We never did lose faith, nor will we blame those not to blame.

When all creation seems to be jittered out of gear, there is nothing so calm and assures us, as a garden. Have just been out to see well a few potato bugs—but we know how to deal with them, found one perky little tomato as big as the end of your thumb; peas, oh, ever so little. Of course Mrs. Cleveland had peas for Sunday dinner a fortnight ago. We don't mind, didn't start ours so early.

Ours is a most satisfying garden full of promise just like our statesmen. In it are flowers, a mass of color, corn flowers of every shade and color; brilliant poppies and oxeye-daisies. A sweet briar like a mountain of fragrance and wild rose shaped blossoms. Do you know the fragrance of the sweet briar?

I am sorry for the gardener Who cannot sell his stuff; And also for the farmer Who has troubles enough Yet I hope it isn't wicked When my heart gives joyful beats To see out in our garden A year's supply of eats.

Another cause for being glad for the good that is motivating the people of our townsmen, cutting the grass and weeds along the streets and parkways, and if all men who with their hurt pride who engaged in this work do that work as thoroughly and as well as the man who cut, even with a damaged scythe, the stiff wiry quack grass, over two feet high. I say if all did their work as well as that man who cut in front of our home, I'm sure they deserve high praise and a better job.

We see thistle commissioner Louis Clark busily marshalling his forces to stay the Canada thistles that have no respect for boundary lines, leagues of peace, but creep in our garden from all points of the compass. Like their boasted progenitor, their's is a dominion on which the sun never sets.

Here this old pen propels me and rattles on about everything in nature and the garden when should think about our great national Independence Day. Maybe it was realizing that Independence led me to write as I felt "moved" by the spirit of freedom.

It was the Fourth of sixty-one, A shot rang loud across our land; Our flag torn down by rebel hand, And the mad civil war begun.

It was the Fourth nineteen fourteen, From foreign shores a war cry came, Urging our youths under the screen, "To make the world safe for Democracy."

It was the fourth in thirty-three a century new, When all the world rejoiced in Peace, Our great fair spread a dazzling view, And everywhere showed wealth increase.

This nineteen hundred thirty-five We hail our Independence Day, With foes within, who stir and strive, To take our glorious rights away.

We are so stirred within, without, And men who boast learning their pride, Of "isms" fantastic write and shout Spreading dissension far and wide.

For our foundations, tried and strong, Wake up! Our countrymen unite, To put such foes where they belong Foes to our freedom out of sight.

All right, lets have a picnic, some one read the declaration of Independence, Will Rogers advice to an ambassador, and get "Andy" to make a map of Arlington Heights, while someone serves some of Huey Long's salad such as he served to the suffering senators that memorable night. Come on lets have a picnic, bring a good strong soap box and let each occupy it while airing long pent up opinions. Come on!

Maybe the prospect of that dividend has made us all a bit cheery, for we heard from a busy business man this morning. That in his balcony they had three times the business they had this time last year, and we know our neighbor, Mrs. Bauer worked nine hours a day last week and at the Seating company we hear the saw singing busily all day.

Another pleasing feature of the closing schools, we are glad to note that Miss Harriet, eldest daughter of Rev. and Mrs. H. A. Fricke, was graduated from St. Peter's church school with highest honor. She gave the valedictory and conducted her part most creditably. She now receives a scholarship entrance into the Arlington high school. We congratulate her on her well deserved success.

Coming to Arlington Heights after twenty-one years residence in the east Mr. B. L. Traub finds some difficulty in finding the old landmarks. So many changes in the homes and outlines of the old town. The expansion of the town is bewildering, yet he finds no difficulty in finding old friends of his family who are indeed glad to see him and to find he has grown to be a successful business man. Fortunately at the time of his father's illness he has been in Chicago.

One begins to realize their years when these people we think of as children are now almost grandparents. Here comes Bertie telling of his son seventeen years old, the trouble is when one doesn't keep up with their own added milestones.

This is to be a "hurry up" week in preparation for the Fourth. Many plans and parties are on the air, many of them like our president "must" edicts can you remember "way back when" someone asked you if you were "going to the Fourth?" Yes it was a genuine Yankee too, so we can't lay that to a foreigner. Newspapers and magazines are full of directions as to preparing lunches for picnics and yet we haven't found out what "Andy" took to the "Van Porters."

Despite the headlines and the honors we read about in the newspapers, the good outweighs the evil and we do read between the lines, in reports from all our Christian churches, there is a cry for return to the faith of our fathers; a more earnest realization of our spiritual life and our need of its deeper control in our lives. Too much do we magnify the body and neglect our spiritual growth the real living part of us.

Athletics are well enough, but when we strive to build the body and neglect the mind and spirit, we make a great mistake. Sport is well for sports sake, but strife to outdo someone else is harmful. If we could only look on the real ego, the mind, the soul. We need to build and strengthen our moral sense and as a saving grace, let me add "A sense of humor." Now forgive a digression and let us seriously consider "What is your wish for our town—Arlington Heights?"

What is your wish for our town, In all its spaces up and down; Your wish that it may be? The one great feature east or west To make it grow to be the best Of all the towns you see.

What is the one most needed thing Into our home town you would bring To bless humanity, One factor building highest good, For all our broader brotherhood, Your prayer for it to be. The old time faith, the old time trust, In God, that every Christian must Build in his family, Towers and public halls may rise, Our town is built in families In beauty yet to be.

What is the gain in all we say, If we forget the Sabbath day, Forget children to guide? Autos dash on and far away, Games and parties wild and gay, Over the country side.

Physical culture, great athletes, Hold in our schools the favored seats; Physical strength is well, Yet, if in building we forget The spirit being greatest yet Of this do leaders tell?

Strength of body, strength of mind Ruled by the spirit, thus combined In all our lives should dwell. Building the brutal pugilist, Who wins his millions with his fist The hords of crime still swell. For our new age, our later time, Brings us great miracles sublime; O let us not forget God brings these to the human mind, His spirit moving all mankind Gives greater blessings yet.

For every goodly gift that comes Into our schools, churches and

MORTON GROVE RAMBLERS TO HOLD ANNUAL OUTING

All arrangements have been completed for the annual outing of Morton Grove baseball club, which will be held next Sunday at Grays Lake. A cool, clean lakeside grove has been secured and from all advance indications a large turnout of fun-seekers will be in attendance. The committee in charge has arranged a very interesting program of varied events for both men and women, young and old alike.

There will be the usual dashes, a women's baseball throw, a horse-shoe contest, tug-of-war, and the ever comical nigger-in-the-woodpile game. A straight load of George Muscoogee waterlogged melons will be available to quench the thirst of the water-melon addicts. The program will reach its climax in late afternoon when the Ramblers team, meet the Grays Lake Grays in a regulation game at the home team's field.

The time for departure has been set at 9:30 and the automobiles will leave en masse from Monument Park on Lincoln avenue.

Last Sunday the Ramblers took another scalping from the Algonquin Indians. Inability to hit in the pinches by the losers and some very effective hurling by Jim Tallyho, Algonquin's full blooded Blackfoot Indian pitcher, meant the difference in the 6 to 2 score. The Ramblers' only consolation was the commendable performance of centerfielder Brown, whose delirious fielding was the feature of the game.

ST. JOHN'S EV. LUTHERAN CHURCH

L. A. Grotheer, Pastor

Sunday, July 7, two services will be held.

German at 9:30 a. m. English at 11 a. m.

These services are held for your benefit and edification. Don't fail to be regular in your divine worship during the summer months, also.

Sunday afternoon at 2 o'clock our regular quarterly voter's meeting will be held. Voting members, please take notice.

GLENVIEW

Girls Club Night at the Order of the Eastern Star was a happy event Friday, June 28, in the Glenview Civic building. The chapter room was beautifully decorated with baskets of flowers. There were visitors present from Chicago, Evanston, and Arlington Heights. The following serve as officers:

Gladys Harrison—Worthy Matron.

Arthur Palmgren—Worthy Patron.

Julia Meyer—Associate Matron.

Walter Hanneman—Associate Patron.

Edison Park Chapter.

Organist—Anna Baumhardt.

Adah—Dorothy Helm, Arlington Heights Chapter.

Treasurer—Agnes Stickrath.

Conductress—Mildred Kehle.

Associate Conductress—Myrtle Freese.

Chaplain—Dorothy Mittelstaedt.

Marshal—Adeline Rugen.

Organist—Anna Baumhardt.

Adah—Dorothy Helm, Arlington Heights Chapter.

Ruth—Laura Krueger.

Ether—Florence Miller.

Martha—Juliana Greming.

Electa—Fern Krueger.

Wardens—Lillie Palmgren.

Sentinel—Clara Rugen.

Soloist—Oliver Rugen.

Guest of honor was Laurine Harrison Borre, who was escorted and introduced.

Following the meeting and business, remarks were heard from the acting matron and patron, Gladys Harrison and Arthur Palmgren. Also we heard from Evelyn Meyer, Laurine Borre and Marvella Krueger, past president of the Girls' club, and George K. Volz of Arlington Heights, who was called the "daddy" of the club. Delicious refreshments of strawberry shortcake and coffee were served. The officers' table was beautifully decorated with pretty flowers and favors. Entertainment included a number of tap dances by a troupe of three girls, pupils of Mrs. Vivian Burt of Glenview, and two readings by Julia Meyer. Evelyn H. Meyer of Niles Center and Willis J. Staples of Chicago are the present matron and patron.

The trustees of the Congregational church held their July monthly meeting at the home of Mr. and Mrs. J. W. Sudam of Milwaukee avenue Tuesday night.

Mrs. Ernestine Freese and daughter, Myrtle, are spending this week on a tour to Washington, D. C. via the Pennsylvania railroad.

The Glenview Volunteer Fire company sponsored an old-time dance in Dilg's pavilion and grove Saturday night, the proceeds to go toward the purchase of new equipment. Those present report the usual good time.

Announcement was made last week of the marriage June 22, of Mr. Walter J. Hoffman, son of Mr. and Mrs. Harry Hoffman of Glenview, and Miss Ardath Walter, daughter of Mrs. Anna Walter of Glenview. Mrs. Hoffman was formerly a teacher at the Glenview public school. Mr. Hoffman is the new village manager. Both are graduates of the University of Illinois.

We extend best wishes.

Special services in the remodeled auditorium of St. Peter's Evangelical Neighborhood church, on Sherman avenue between Glenview and Northbrook, were held Sunday, June 30. The churches of the neighboring communities were invited to join in the services. An organ recital by Martin C. Dahlberg, music instructor at Northbrook school, was offered at the evening service. The congregation will celebrate the 90th anniversary of its founding this summer. The Rev. Armin Bizer is the pastor.

Mr. and Mrs. Bert Olcott of Detroit, Michigan, and their three children have been visiting at the home of Mr. and Mrs. Henry Mompier the past two weeks. Mrs. Olcott is the former Alice Mompier.

homes, Thank God, and own the best Is the old faith, the reverent trust, The basic rock on which we must Build our town strong to rest. I'm just one humble mortal Trudging along to heaven's portal; Not to claim a crown, Yet with hope and prayer sincere That God will lead his people here To build for Him our town.

Elinore Crisler Haynes.

EXAMINATION FOR POSTMASTER

To fill the vacancy in the position of postmaster in Arlington Heights, the United States Civil Service Commission has announced, at the request of the Postmaster General, and in accordance with an order of the President, an open competitive examination.

To be eligible for the examination, an applicant must be a citizen of the United States, must reside within the delivery of this post office, must have so resided for at least one year next preceding the date for close of receipt of applications, must be in good physical condition, and within the prescribed age limits. Both men and women are admitted.

Under the terms of the Executive order, the Civil Service Commission will certify to the Postmaster General the names of the highest three qualified eligibles, if as many as three are qualified, from which the Postmaster General may select one for nomination by the President. Confirmation by the Senate is the final action.

Applicants will not be required to assemble in an examination room for scholastic tests, but will be rated on their education and business experience and fitness. The Civil Service Commission will make inquiry among representative local business and professional men and women concerning the experience, ability, and character of each applicant, and the evidence thus secured will be considered in determining the ratings to be assigned to the applicants.

The Commission states that presidential postmasters are not in the classified civil service and that its duties in connection with appointments to such positions are to hold examinations and to certify the results to the Postmaster General. The Commission is not interested in the political, religious, or fraternal affiliations of any applicant.

Full information and application blanks may be obtained from the secretary of the local board of civil service examiners at the Arlington Heights post office, or from the United States Civil Service Commission, Washington, D. C.

NILES CENTER

Elmer W. Ruesch had the misfortune of being in an automobile accident last Saturday. It happened while driving the Royal Blue delivery truck.

Mr. and Mrs. F. L. Noetting and Mrs. Wille, motored to Camp Oh-Da-Ko-Ta Sunday to get their son, Frank, Jr., who had spent the previous ten days at camp. Boy Scouts Schoenberger, Schmidt, Mayer and Thoenep, returned Friday after having spent a week.

Miss Erna E. Kollmer of Northwood Park was a Sunday dinner guest at the home of Mrs. Louise Kiehm.

Mrs. Armin J. Mayer was a dinner guest of Mr. and Mrs. Charles Bugg of Rogers Park on Monday night.

Mr. Richard Kottke took Elmer Baumhardt with him to his summer cottage at Crivets, Wisconsin, to spend a couple days.

The A. G. Mayer family was very happy to have Ben Smith from Melbourne, Florida, as their guest Sunday.

Mrs. Adam Koester of Brown street is very sick at St. Francis hospital. Due to her diabetic condition, an operation for a tumor is impossible at this time.

The Schlote family of Keating avenue, returned Sunday from 10 day's vacation.

The Brown grocery store is now located on Cicero avenue, having moved into their new building the 1st of June.

The Hawks defeated the Glenview team Sunday on the Terminal diamond in a tight game 1 to 0. It allowed the visiting team six scattered hits, while the Hawks only made four hits off the Glenview pitcher, a walk and two hits gave the Hawks the lone score of the game.

Audry and Carl Goberville entertained about twenty friends at a party Saturday.

The Louis Burnmeister family are happy over the arrival of another grandson, the son of Mr. and Mrs. Raymond Burnmeister of Glenview.

EAST MAINE

Reverend Julius Toepel preached a mission sermon at Burlington, Wisconsin, Sunday, June 30, and accordingly Divine services at St. Matthew's Lutheran church were dropped for that day.

Emil W. Bergman is having a new barn erected on his farm on Cumberland and Dempster to replace the old structure recently destroyed by fire. Work is progressing steadily.

Fred Finner is up and around again after being severely ill with a touch of appendicitis and inflammation of the intestines.

Mr. and Mrs. John Moeller have been busy moving into and are now all settled in the Christ Jaacks home on Ballard road.

Committees are busy making arrangements for St. Matthew's annual church picnic which is to be held on the church grounds, Sunday, July 14, to which neighboring friends and congregations are heartily invited. There will be games and amusements for all, and plenty of good things to eat, so

APPROPRIATION ORDINANCE

BE IT ORDAINED by the President and Board of Trustees of the Village of Palatine, Cook County, Illinois:

Section 1. That the following sums of money, or so much thereof as may be authorized by law, are hereby appropriated from the sources indicated, for the fiscal year beginning June 1, 1935, and ending May 31, 1936, for the purposes designated, to-wit:

(a) For Police and Light:		
Police salaries	\$ 3,600.00	\$
Special police	200.00	
Street lighting	3,000.00	
Labor and supplies	200.00	
	7,000.00	
Appropriated from sources other than taxation:		
Estimated revenue from Liquor licenses	1,500.00	
Appropriated from taxes to be levied for General Corporate purposes	5,500.00	
	7,000.00	
(b) For Fire and Water:		
Engineer salary	1,800.00	
Electric power	800.00	
Labor and supplies	1,400.00	
Fire Dept. salaries	600.00	
Water meters	500.00	
	5,100.00	
Appropriated from sources other than taxation:		
Estimated revenue from water sales	5,100.00	
(c) For Streets and Drainage:		
Street cleaning labor	800.00	
Other labor	1,000.00	
Teaming	500.00	
Supplies	200.00	
Vehicle tags	75.00	
	2,575.00	
Appropriated from sources other than taxation:		
Estimated vehicle licenses year 1936	2,000.00	
Estimated 2% of Pub. Serv. Co. gas receipts	400.00	
Appropriated from taxes to be levied for General Corporate purposes	175.00	
	2,575.00	
(d) For Judiciary and Printing:		
Printing and publishing	300.00	
Supplies	200.00	
Liability insurance	425.00	
Treasurer's bond	100.00	
Telephone	75.00	
	1,100.00	
Appropriated from taxes to be levied for General Corporate purposes	1,100.00	
(e) For Grounds and Buildings:		
Fuel	400.00	
Supplies and labor	200.00	
Electric light and gas	100.00	
Miscellaneous	300.00	
	1,000.00	
Appropriated from sources other than taxation:		
Estimated rentals	300.00	
Appropriated from taxes to be levied for General Corporate purposes	700.00	
	1,000.00

Appropriations from Special Taxes in addition to the levy for General Corporate purposes		
(h) For Interest and Sinking Fund:		
Bonds maturing during year	1,000.00	
Interest on bonds at 5%	2,600.00	
	3,600.00	
Appropriated from taxes to be levied specifically for this purpose	3,600.00	
For Library Fund:		
Operation and maintenance of public library to be expended by the Palatine Library board	1,500.00	
Appropriated from a special tax to be levied for this purpose as authorized at a special election held May 31st, 1924	1,500.00	
(i) For Public Benefit Fund:		
To cover amounts levied against the Village as public benefits in special assessment proceedings	1,500.00	
Appropriated from a special tax authorized for this purpose	1,500.00	

Section 2: That all ordinances or parts of ordinances in conflict herewith, be and the same are hereby repealed so far as said conflicts exist.

Section 3: That this Ordinance shall take effect, and be in full force and effect upon and after its passage, approval and publication.

Attest: E. P. STEINBRINK, Village Clerk.

Approved July 1, 1935.

DROUTH GONE BUT BUGS MAY COST FORTUNE

Vegetable Growers Told How to Combat Insect Menace

While Illinois gardens are not being ruined by drouth this year, gardeners and vegetable growers still stand to lose between four and five million dollars from insects if the season is average. This is pointed out in a new circular, "Saving Garden Crops From Insect Injury," which has just been published by the College of Agriculture, University of Illinois.

Insecticides are essential in the control of injurious insects, but cultural practices are also of great benefit in reducing the damage, according to the circular, which was prepared by L. H. Stimpshire, field entomologist, and C. C. Compton, associate entomologist, Illinois State Natural History Survey, who are cooperating with the college.

Some 54 insects which commonly attack garden plants are listed in the circular. A description of each insect, its habits, method of injury, life history and the best means of control is given. Illustrations are included to help gardeners recognize the various kinds of injurious bugs.

Insects attacking each of the major vegetable and truck crops are grouped separately and control measures outlined for each of them. There are separate sections for insects attacking cabbage and related crops, potatoes, sweet corn, tomatoes and eggplant, vine crops, onions, peas and beans, asparagus, beets, spinach, lettuce, celery and dill; carrots and parsnips, horse radish and sweet potatoes.

NOTICE

Take notice that an application for retail liquor dealer's license outside incorporated village or town in Cook county has been made by the following:

Clarence E. Moeller, concessionaire, Mission Hills Golf Club, location, Northbrook, Illinois.

Thomas J. Hecklin "Arlington Country Club" location Dundee road, 2 miles west of Wheeling, Northfield, Illinois.

Objections to the granting of such license may be made to the president of the County Board as local liquor control commissioner in writing and signed by objector within five days stating specifically the grounds of objection.

CLAYTON F. SMITH, Cook County Liquor Control Commissioner, 523 County Building, Chicago.

EXECUTOR'S SALE OF REAL ESTATE

Notice is hereby given that on Tuesday, the 10th day of July, at 11:00 o'clock A. M. Daylight Savings Time, the Board Room of the Board of Appeals of Cook County, Room 337, Cook County Court House, Chicago, Illinois, the undersigned will offer for sale at public vendue to the highest and best bidder, for cash, to pay the debts of the Estate of Christof Wilke, the following real estate, to-wit:

Lot One (1) (except the South 16 feet thereof) of Block One (1) of a subdivision of Lots Twenty-three (23) to Twenty-five (25) of Assessor's Division in Section Thirty (30), Township Forty-two (42) North, Range Eleven (11), East of the Third Principal Meridian, in the Village of Arlington Heights, Illinois, known as No. 315 West Campbell Street, Arlington Heights, Illinois.

Said premises will be sold subject to an encumbrance of \$1000, now against said premises. No deed or deeds will be delivered until such sale has been approved by the Probate Court of Cook County.

Dated, Arlington Heights, Illinois, June 24, 1935.

HERMAN W. FRIESE, Executor of the last Will and Testament of Christof Wilke, Deceased.

H. J. Thal, Attorney. (7-6)

PALATINE

Twin Lakes and fishing again called Jim Toynton and son, Hollis, Bob Moser, and Francis Southard last week.

The class of '34 of P. T. H. S. held their class reunion Sunday on the beach at Crystal Lake.

A week of vacation at the Aeronautical University releases Russell Godknecht and James Ketterman, who are attending the school this summer. Russell is taking up an engineering course while James is studying from an administrative viewpoint.

Mr. and Mrs. Ed. Orth are spending this week in Milwaukee visiting Mr. Orth's mother.

Rain interrupted the picnic of the Sunday school class of Miss Vivian Stewart just as they were leaving for Deer Grove Monday.

Another Wisconsin fishing group included Don Thompson, Bill Schroeder, and Norman Schroeder.

The Palatine "Merchants" ball club defeated Long Grove 6 to 4 in a ten inning game last Sunday at Long Grove. Next Sunday the club will meet the Elgin "Parkies" on the home grounds of the local team, east of the high school.

Robert Mosser, of the legion committee, which recently conducted a carnival in Palatine, has been busy replacing card table tops, which proved defective.

S. P. Sorensen, an experienced registered pharmacist, who happens to reside near Palatine, is assisting at the O. A. Schroeder drug store.

Mr. Schroeder returned last week from his vacation, which he spent in the far north. Much of the usual pleasure was lacking, due to the cold weather.

Daniel E. Poellot has accepted a supply call as assistant pastor to the Rev. Ad. Potenhauer of the Lutheran congregation at Addison.

Mr. John Goetz and Miss Annemarie Petersen were united in marriage Saturday, June 29, in the Lutheran parsonage by Rev. Daniel Poellot.

Wayne Henry and Jane Alvina, twin children of Mr. and Mrs. Henry Schroeder, were baptized Sunday, June 30, in the Palatine Lutheran church by Rev. Daniel Poellot.

Mr. and Mrs. Gus Arps, Mrs. Anna Brockway and Mrs. Elmore Foster, attended the reception at the Soldiers and Sailors' Home at Wilmington, Tuesday in honor of Mrs. Ethel Mae Johnson, department president of the Woman's Relief corps and her staff of officers of which Mrs. Foster is the department press correspondent. There were 189 at the luncheon and members from thirty corps were present. Mrs. Lizette Coady of Detroit, Michigan, the national president of the Woman's Relief corps was present.

Sutherland Woman's relief corps will meet Friday afternoon at which time the July Birthday group will have a "Bundle Day Sale" and a tye parade. The corps will not meet again until August, the evening of August 16.

Dr. and Mrs. B. W. Wilson are here for the week. Mr. and Mrs. Rollin Wilson and daughter of Chicago, were guests at their home Monday.

Mrs. Mabel Tyson and daughter of Chicago, spent a few days with her mother, Mrs. Henry Bruhns, while Mr. Tyson was away on a business trip.

\$1

by Wilson Brothers

Once you've tried sports shirts you won't be without them for your summer sports. These are in smart waffle and rope stitch weaves which give you the ultimate in coolness, comfort and freedom. Their style and tailoring make them extraordinary values at \$1. White and assorted colors.

Palatine Cleaners
C. C. Uhrhammer
Men's Furnishings
Laundry - Tailoring

Mrs. Sarah Catlow of Evanston spent last week at the home of Mrs. Anna Brockway.

Mrs. Emma Longrehr has returned from the hospital where she underwent an operation.

Mrs. Vernon Drewes and daughter, Kathryn, spent Sunday at Benton Harbor, Michigan.

The Rebekah Circle gave a card party Tuesday night at the Odd Fellows hall, which was well attended. Mrs. Lena Deverman was chairman.

Cards have been received from the Clarence Hans family telling of the grand time they are having on their trip through the west, they are expected home this week.

Mr. and Mrs. John Umbdenstock and Johnnie O'Brien, went to Minneapolis, Minnesota, with Mr. O'Brien and family when they returned home from their visit here and at Grafton, Ohio.

Virgil and Betty Jane Bockelman are spending a week of their vacation with their cousin, Miss Ruth Lefebvre near Long Grove, Ill.

Mr. and Mrs. Reusser are visiting friends in Iowa.

Harry Kruse is entertaining his sister, Mrs. Alma Kruse of Green Bay, Wis.

The telephone directories were issued by the Illinois Bell Telephone company this week.

Dr. J. C. Clayton was taken suddenly ill Sunday morning, necessitating his removal to the Woodlawn hospital. He is still unable to return to his practice.

The Lutheran choir enjoyed their annual outing Sunday at the John Kretz woods. A soft ball game between the married and single men featured the afternoon. The married men were entirely outclassed losing to their brothers 21 to 9. Incidentally Postmaster Wm. Kehe has definitely retired from baseball.

He attempted to stop a line drive which was coming so fast that his hand was bruised and lacerations resulted that were very painful. Will has always considered himself in the young men's class. "In this case the only trouble was that there were some boys younger than I," says Mr. Kehe.

Paul Pohlman, Jr., of Barrington is planning to attend the Jamboree of the Boy Scouts of America in Washington, beginning August 19.

Mrs. Charles Morris is recovering from a knee injury she received when she fell at the Fair Store in Chicago recently.

Word received from Alfred Regenburg tells of the interesting experiences he is having in New York. Alfred is employed at one of the downtown hotels there.

Mrs. Ketterman is missing four of "her boys" this month. Le Roy and Lloyd Blake are spending their vacation on a farm near Woodstock; Clarence Lehman and Elery Cadiz are visiting relatives in Chicago.

Callers at the home of N. L. Thompson Sunday were Miss Harriet McCune, Jim McCune and Mr. Gray of Chicago.

George Herrmann, Jr. and Roy Skibbe left last Friday for a camp near Eagle River, Wis.

Mr. and Mrs. Gladys Voegel and children of Chicago are spending the summer at the home of McDowell. Mrs. Higgins, mother of Mrs. McDowell, returned recently to Chicago after spending several weeks with Mrs. McDowell.

Mr. and Mrs. Gray Sanborn will leave Saturday on a vacation trip that will take them around Lake Michigan. They will make a short stop at the home of a friend in Michigan.

Robert Mosser, J. H. Toynton and Hollis still have faith that there are fish at Twin Lakes. A reconnoitering trip of last week was followed by a trip Wednesday night when they were all armed with the "implements of war." We go to press to early to report casualties.

St. Paul's young peoples societies was represented this week at a three day conference held at Elmhurst. Miss Francis Neitz was a delegate from the Sunday school and Misses Mildred Bittner and Alice Neitz represented the young peoples society. They attended part of the sessions of the leaders' training school, which is in session at Elmhurst college from July 2 to 12.

Miss Phyllis Her of Downers Grove spent this week with Miss Louise Wente.

Dr. and Mrs. Ben Wilson are home for a week from Sterling. When he returns to his job Monday, he will be located at Warren, Ill.

There will be quite a party of young people at the Smith summer place near Oakshosh, over the week-end. Mrs. A. G. Smith with George and Harlow left for there Tuesday. Others arriving for the Fourth are Kathryn and Gilbert Smith, Misses Virginia Thorsander, Alberta Wetterer, Alice Smith and Herbert Shermer.

S. E. Pollock of Antioch, former M. E. pastor here, was a Palatine visitor last Friday evening.

Erwin Orth was called to Milwaukee Friday by the severe illness of his mother.

Art Uhrhammer and Wallace Nieske have improved their places on North Brockway street even if

First Installment of R.F.C. Loan Means Early Dividend at Barrington

William O'Connell, district bank receiver, reports that \$20,000 has been received as part payment of the R. F. C. loan for the First State bank of Barrington receiver-ship. More money is expected to fulfill the request of \$80,000 made some time ago. If the entire loan comes through, a payment of 20 per cent will be made to depositors.

The Indian River

The Indian river along the coast of Florida is really an arm of the sea enclosed by a string of long, narrow islands and a long, narrow peninsula. It stretches along the Atlantic seaboard from the northern extremity of Brevard county to north Martin county, a distance of 110 or 115 miles.

Ice Cream an Old Dish

The origin of ice cream is unknown, but varieties of frozen compounds are said to have been served in Italy as early as 1500 A. D. or a little before. The first factory for manufacturing commercial ice cream was established in Maryland in 1851.—Pathfinder Magazine.

their neighbors called them fugitives from "the chain letter gang." Garbed in overall uniforms and with pick and shovel they built as pretty a wall of stones as any of the boys in Joliet.

PALATINE CHAPTER HOLDS MATRONS AND PATRONS GUEST NIGHT

Palatine Chapter No. 585 O. E. S. entertained nearly a hundred guests Friday night in honor of matrons and patrons night. The chairs were filled by officers of the east, past and present, from fourteen neighboring chapters. A special feature was the presentation of a short play, "Right About Faces" with the cast composed of local members.

The dining room was very prettily decorated in roses with the guest table adorned with rose arbors and climbing roses. The guests filling the stations were: Gertrude Goosman W. M. of Campbell, Worthy Matron. Edward Fund W. P. Leyden, Worthy Patron.

Anna Dean, W. M. DesPlaines, Associate Matron. Nathaniel Carlson, W. P. Arlington Heights, Associate Patron.

Jennie Carlson, W. M. Arlington Heights, Conductress. Beatrice Meyer, W. M. Deerfield, Associate Conductress.

Mrs. Fenton, A. P. Bensenville, Secretary. Wm. C. Muller, Past W. P. Palatine, Treasurer.

Martha Hinton, W. M. Antioch, Chaplain. Agnes Dobbins, W. M. Milburn, Marshal.

Bertha Hierek, Past W. M. Park Ridge, Organist. Estella Guenther, W. M. Norwood Park, Adah.

Amanda Bischoff, W. M. Edison Park, Ruth. Gussie Linderman, W. M. Bensenville, Esther.

Hattie Barkell, Past W. M. Des Plaines, Martha. Mae Clark, W. M. Wheeling, Elcta.

Otto Skala, W. P. Des Plaines, Warder. Irving Tesch, Arlington Heights, Sentinel.

Ruth Anderson, Soloist of Park Ridge, Soloist. Myrna Fosket, Guest of Honor.

IMMANUEL EV. LUTHERAN CHURCH

Daniel Poellot, Pastor Sunday, July 7, "The Lord is not willing that any should perish, but that all should come to repentance." 1 Peter 3, 9.

Boy Scout News

WHAT'S DOING IN SCOUTING Friday, July 5—Overnight camp for Methodist camp troops at Des Plaines.

Saturday, July 6—Boy Scout day at Des Plaines camp grounds.

Thrilled at the thought of being able to participate in so huge an event the Boy Scouts who are registered as members of the Northwest Suburban Contingent to the National Jamboree next August, enjoyed hearing some of the facts and figures concerning that affair at a meeting held in Des Plaines last week. Imagination ran wild as the local group tried to visualize how large a pile the nine hundred bushels of potatoes required for a meal would make. There were similar contemplation concerning the seven thousand eggs or one hundred thousand flapjacks were required for breakfast. Two tons of sugar together with thirty thousand quarts of milk will be required for one days food supply. It is expected the Jamboree group will consume at least fifteen thousand pounds of bread daily. These facts along with others having to do with the thirty thousand scouts and six thousand officers that will make up the personnel of the first National Jamboree proved most interesting.

A goodly portion of the evening was given over to discussion of plans for the local group. A special three-day training camp will be conducted at Camp Oh-De-Ko-Ta about the first of August. Scouts will then return home and on Saturday afternoon, August 17, will bring in their duffle bags for inspection in preparation for leaving via a C. & N. W. Boy Scout train, Monday evening, August 19. Other tentative plans provide for transferring to a B. & O. special train in Chicago to arrive in Washington in mid-afternoon of the next day after a short stop over at Harper's Ferry. The local group will be encamped with other scouts from Region 7.

In addition to enjoying the Jamboree program with its demonstrations, camping and scouting activities and association with scouts from all states of the union and many foreign countries, they will make a bus tour of Washington, a boat trip on the Potomac to Mt. Vernon and a series of hikes to various points of interest in the Capital city. It is expected that President Roosevelt will personally participate in a number of the programs.

Plan for Additional Recruiting Although fifteen scouts and leaders are already registered for the Jamboree, members of the local committee anticipate that additional registrations will bring the number involved up to the vicinity of the original estimate of 30. Those registered are: Allen Mathis, Robt. Stewart, Walter Kuhn, Edward Green, Edward Coughlin, Edward Fritz, Joe Murphy of Park Ridge; Bill Miles of Arlington Heights; Paul Pohlman and Bruce Bierman of Barrington; Raymond Barwick of Des Plaines; LeRoy Walsh of Mt. Prospect; Rex Hampton and Harry Mueller of Morton Grove. The leaders are Edw. H. Stehman of Park Ridge; R. H. Boettcher of Morton Grove and Scout Executive C. O. Nimtz.

With the largest first week enrollment in recent years, Camp Oh-De-Ko-Ta, the summer home for local Scouts opened June 23. In spite of inclement weather during the previous week that made the task of getting the camp ready a difficult one, everything was in good order on the opening day and within a few hours after the local scouts arrived at the camp they were in full swing of camping activities. As usual the scouts had the choice of participating in any one of the four camping programs. The first, the most popular, was a large number of opportunities for in-camp with opportunities for in-camp with its program of Indian lore and dancing or the nautical unit with its aquatic program of boating, sailing, canoeing, swim-

ming, life saving and similar features.

Two Local Scouts on Staff Two Northwest Suburban Scouts are included on the fine staff of young men headed by Howard A. Gately, Scout Executive of the Kenosha council who personally directs the camp. The local leaders are Eagle Scout Armand Baker of Troop 11 of Park Ridge and Edward Foster of Troop 26 of Elmhurst. Scout Harpham is assistant director of the Indian unit and has charge of the dining hall while Edward Foster is an assistant at the water front section.

Deer Visits Jewel Park

A lone deer called upon Jewel Tea employees, Barrington, last week and remained in the vicinity for approximately half an hour and then disappeared. No notice has been given of any deer missing

from private places and there is some reason to believe that this one is wild, possibly came from Deer Grove.

Barrington Bank Cashier Elected President of District Bankers Association

Charles A. Elsner, cashier of the First National bank, was honored last week at the annual meeting of the northeastern district of the Illinois bankers association by election to the office of president. The district includes the country and suburban towns of several counties in the metropolitan district. Mr. Elsner has been cashier of the Barrington bank for the last three and one-half years.

Contain 100 Fireplaces The English houses of parliament contain about 100 fireplaces.

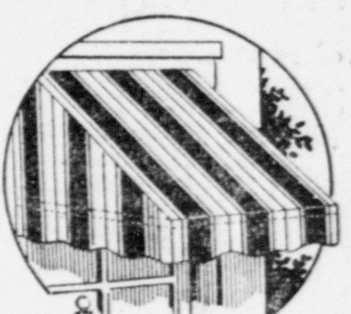

Large Attendance At Barrington Pool

1934 attendance at the Barrington Park pool was the largest in 4 years of existence according to the Park Board. A total of 112,027 swimmers have been recorded since its opening. The record for daily attendance at the pool reached 928 last year. Not only residents of Barrington attend the pool but a large proportion are from the surrounding communities.

FIND STILL NEAR CARY

Reminiscent of prohibition days, Federal officers raided the Charles Zogus farm near Cary last Tuesday and uncovered a large still with alcohol and mash vats. When the officers approached the operators fled into a rye field and made their escape. The still was of 60,000 gallon and capable of producing 1000 gallons a day.

AWNINGS

Residential and Commercial

Northwest Awning Co. 11 N. N. W. Highway PARK RIDGE Phone Park Ridge 190

YOU ALWAYS GET BETTER QUALITY AT NO HIGHER PRICE WHEN YOU BUY A FIRESTONE TIRE WITH FIRESTONE NAME AND GUARANTEE

Tires may look alike on the outside, but on the inside where blowouts start, they are different. Firestone Tires are made blowout-proof by Gum-Dipping, a patented extra process which soaks every cotton cord and insulates every strand with pure liquid rubber. In fact, every 100 pounds of cotton cords absorb eight additional pounds of liquid rubber. This special process prevents internal friction and heat, the main cause of blowouts. No other make of tire is Gum-Dipped, yet you pay no more for Firestone blowout-proof protection than you are asked to pay for tires built without this patented safety construction feature.

The make of tires you buy for your car becomes a matter of vital importance when you realize that there were 882,000 automobile accidents in 1934 injuring 954,000 people and killing 36,000 and that 43,000 of these accidents were caused by blowouts, punctures and skidding.

Firestone High Speed Gum-Dipped Tires hold all world records on road and track for safety, speed, mileage and endurance. These records emphasize the undisputed evidence that Firestone Tires are not only blowout-proof but give greatest protection against skidding.

THERE ARE THREE QUESTIONS AND ANSWERS THAT WILL SOLVE YOUR PROBLEM OF WHAT TIRES TO BUY

1 "Will the tread give me the greatest traction and protection against skidding?"

Recent tests by a leading University show that Firestone High Speed Non-Skid Tires stop a car 15% quicker than any other of the leading makes. For eight consecutive years Firestone Tires have been on the winning car in the dangerous Pike's Peak Race where a skid means death. This is undisputed evidence that Firestone gives car owners greatest protection against skidding.

2 "Are they blowout-proof?"

Firestone Gum-Dipped Tires have the most amazing records for being blowout-proof of any tires ever built. In the gruelling 500-Mile Race at Indianapolis, May 30th, every one of the 33 cars was equipped with Firestone Gum-Dipped Tires. Kelly Peltito won the race and broke the record over this 26-year-old rough brick track without tire trouble—in fact, not one of the 33 drivers had tire trouble of any kind.

Ab Jenkins drove his 5,000 pound car on Firestone Gum-Dipped Tires over the hot salt beds of Utah, 3,000 miles in 23½ hours, at an average speed of 127.2 miles per hour, with temperatures as high as 120°, without tire trouble of any kind. These are most amazing proofs of blowout protection ever known.

3 "Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

Firestone High Speed Tires not only give you more than 50% longer wear, but also lowest cost per mile. This is made possible by the tough, wear-resisting tread built with higher shoulders and a wider, flatter contour. This thick, rugged, scientifically designed tread is held securely to the Gum-Dipped cord body by Firestone's patented construction of two extra layers of cords under the tread. This is a special construction feature not used in any other tire. Unequaled mileage records by thousands of car owners add undisputed evidence of the longer wear and greater economy of Firestone High Speed Tires.

GUERNSEY FIELD DAY IS SET FOR NEXT WEDNESDAY

Dairy Farmers are Expected at St. James Farm Near Wheaton

Recent encouraging upturns in the dairy industry are expected to help swell the turnout of Guernsey cattle breeders for the annual field day of the Illinois Guernsey Cattle Breeders' Association which will be held on the St. James Farm, near Wheaton next Wednesday.

Approximately 500 probably will attend, according to those in charge of the program. Prof. C. S. Rhode, of the dairy department, College of Agriculture, University of Illinois, will be master of ceremonies for the day's program, and E. I. Pichard, boys' 4-H club specialist of the college, will be in charge of a Guernsey judging contest open to teams of 4-H club members from any part of the state.

In addition to the contest other features of the program will include an inspection of the St. James farm, which is one of the best representatives of the Guernsey breed in the state. Outstanding animals as well as methods of feeding, breeding, and managing the herd will be attractions.

L. R. McNeil, Tuscola, is president of the Illinois Guernsey Cattle Breeders' Association, which is arranging the field day. H. C. Horneman, Danville, is secretary-treasurer, and directors are H. W. Winkler, Belleville; R. E. Muckelbauer, Carbondale; and L. C. Studer, Roanoke.

Local Democrats to Hold Annual Picnic At Plum Grove

The first district Democratic organization of which Oscar S. Johnson of Mt. Prospect is district leader, will hold their annual picnic at Wilder's Grove near Sunday, July 7. The picnic is at Plum Grove road one mile south of Palatine.

Soft Ball Game
Two picked teams from Palatine will compete for the trophy and should provide plenty of interest to soft ball fans.

Dancing and Games
There will be dancing both afternoon and evening. A series of races and games of skill will be offered to those who feel their "outs."

No Admission Charge
The public is invited to attend and there will be no charge for either admission to the grounds or dancing.

FIND STILL NEAR CARY

Reminiscent of prohibition days, Federal officers raided the Charles Zogus farm near Cary last Tuesday and uncovered a large still with alcohol and mash vats. When the officers approached the operators fled into a rye field and made their escape. The still was of 60,000 gallon and capable of producing 1000 gallons a day.

Mt. Prospect Cop Tries "Morgue Treatment" on Two Women Speeders

It was June 21, the morning that two autoists were killed in an accident at Stonegate. A speeding car was stopped by Officer Whittenberg of Mt. Prospect. The driver was a woman. The officer with the wisdom of a King Solomon, ordered the car to follow him to Stonegate, where he asked the occupants, two ladies, to leave their car. Pointing to blood stains upon the pavement, he said, "right here two people met their death three hours ago. They were traveling no faster than you were."

The driver surrendered the wheel to her companion and promised to continue her journey to Madison at 35 miles an hour.

Vegetable Growers Asked To Bring Their Troubles New Growers Association

A call has been issued for a meeting of the independent vegetable growers association which will be held in the school house on Wolf road, near the Joliet road Monday, July 8 at 8 p. m.

Vegetable growers who have "troubles on their chests" are urged to bring those troubles to this meeting. Christ Struck of Itasca, who is a director, says, "there are a lot of stories being circulated that should be cleared up. At this meeting is the place to do it."

Former Arlington Lads Named in Indictments

A stolen automobile found in the possession of Alf Kellum and Edward Magoon of Des Plaines, formerly of Arlington Heights, led to the indictment of six men, by the Cook County grand jury last week. The six men are charged with operating a "car-stripping ring" in Kane and northwestern Cook counties.

Nordic Club Robbed Last Friday Night

Four masked men robbed the Nordic country club, southwest of Itasca, of \$400 late last Friday night. Miss Clara Rash, cashier of the club, was seized in her room and forced to open a safe in an adjoining room and give the intruders access to the club funds.

Although told to "keep quiet," Miss Rash resisted strenuously and with her kicking, screaming and bawling caused the masked men no little concern. When one of them grabbed her to hush her screams she sank her teeth into his finger.

The robbery was completed without awakening any of the other employees of the club. The intruders were apparently familiar with their surroundings and addressed Miss Rash by name. After getting the money from the safe, the men left immediately.

PALATINE BALANCES ITS BUDGET

Economy Measures Prove Worth While; Corporate Expense Is \$17,000

The finances of the village of Palatine were conducted upon a balanced budget last year, according to the figures contained in a report that was made Monday evening to the board by Arthur Mess, chairman of the finance committee.

This balanced budget means that the expenses incurred were \$1500 less than the revenue, estimating that 60% of the 1934 taxes will be collected and paid into the village treasury.

However, the financial condition is still very bad due to the withholding of tax funds by the county treasurer, a situation with which readers of this paper are familiar. Efforts are now being made to get some of the many thousands of dollars belonging to the village and in the hands of the county. The village has very little money in the treasury today, but the situation is much better than it was a year ago.

The report of Mr. Mess is not given in lieu of an annual financial statement, but the following figures are interesting:

Receipts	
Liquor licenses	\$1,441.67
Water receipts	8,052.43
Water taps and meters	135.00
Vehicle licenses	2,471.75
Pub. Serv. Co., a/c gas	
receipts	441.67
Rent, dog tax, etc.	526.43
Total taxes	
levied	\$10,075.00
Estimated loss	
in collection	4,000.00
Total revenue	19,143.00
Expenses	
Police and light	\$ 6,428.00
Fire and water	5,687.64
Streets & drainage	1,987.02
Judiciary & printing	972.73
Salary and election	1,907.43
Sidewalks	16.72
Contingent	768.06
Total gen'l corp exp.	\$17,767.60

Palatine Doctor Addresses Graduating Nurses

Doctor J. C. Schmidtke of Palatine gave the address at the graduation exercises of the Sherman Hospital School of Nursing, Elgin, Thursday evening, June 27. The topic of his address was "By-ways of Nursing." Dr. Schmidtke is a past president of the staff.

Wm. Busse, Jr., Member of Agricultural Com. of State Bankers Assn.

Wm. Busse, Jr., president of the Mt. Prospect State Bank, was informed this week that he had been appointed to the important agricultural committee of the State Bankers association.

There is probably no business association in the state of Illinois that is more active than the Illinois State Bankers association. All of the banking officials in the state are kept informed relative to conditions, which in turn often influence the policies of local banks.

Homer J. Byrd Shows Improvement; Mrs. Byrd Returns Home

Mrs. Homer J. Byrd, who accompanied Mr. and Mrs. B. Hoss to Washington, D. C. to see her husband who was recently injured in a plane accident, returned home last week. She reports that some of the complications have been overcome and bones are knitting nicely. Homer is keeping up his nerve and is looking forward to a return home before the end of the summer.

Mr. Byrd was injured when a plane in which he was a passenger, struck an air pocket and fell some distance before it could be righted. He was thrown against the ceiling of the cabin and back to the floor.

ARLINGTON OPENS IN THE RAIN

Lower Admission Price; The Country's Best Stables Represented

Arlington Park's thirty day \$400,000 race meet got off to a flying start Monday afternoon in the worst rain of the season. History repeated itself for a year ago Arlington's opening was also staged in the heaviest rain of the season.

The only thing missing to make Monday's opening a duplicate of last year was the absence of Indian Runner, winner of the 1933 and 1934 inaugural handicap, but Warren Wrights Some Pomp took care of the feature race this year by bounding home a winner by six lengths after having led the procession all the way.

Monday's opening day crowd was of good proportions. Considering the weather, it was considerably better than last year and the mutual handle appeared to be considerably better than a year ago.

Arlington Park's cut in the price of admission to 75 cents including tax, seemed to meet with popular approval from the race fans. The 75 cent admission prevails on all days except Saturdays and the Fourth of July on which days the admission will be \$1.00, all tax included. These prices are the lowest ever offered to the public by any of the big tracks and this new policy of Arlington Park is found to meet with hearty public approval and increased attendance.

It was Arlington Park which first introduced dollar admission prices and set the pace for lowered admission prices at all tracks in the Chicago area, correspondingly low prices prevail for admission to the enclosure.

The long shot players had a banner day at the opening and got off to a flying start when Bibbies Choice at over 50 to 1 romped home with the opening dash. Not until the last race on the program did a favorite win. In the last race, Easy a favorite, did reward the form players by coming home in front.

Despite the terrific showers, all afternoon, the time made was surprisingly good during most of the program.

The Arlington meeting gives promise of being one of the most successful meetings in this area for some years. The finest horses in the country are at the track and with the big \$400,000 purse distribution, some of the best races of the season are bound to result.

All leading stables are represented at Arlington and a big proportion of the country's star jockeys are here or will be during the meeting.

The Arlington Classic on Saturday, July 20, will again just about decide the three year old championship. The Classic will bring together Omaha, winner of the Kentucky derby and numerous large eastern stakes; Roman Soldier, Detroit derby winner; Black Hellen, winner of the American derby; Teatout, first in the Latonia derby and numerous others of the top notch three year olds.

The Classic bids fair to be a race of derby winners and contenders and should turn out to be one of the best races of the year, a race in which any one of a half dozen or more starters has a good chance to grab gold and glory.

Off to a good start despite the bad weather, it seems all Arlington needs to come out on the right side of the ledger this year is a break from the weather man and since it has been raining ever since the racing season opened May 1, it seems probable that the law of averages is bound to work pretty soon and give the big Arlington plant a break for the better.

The huge racing plant with its shrubs, rose hedges, trees, lakes and sweeping acres of lush green grass is a beautiful sight and with the attractive program arranged for the best horses in training Arlington Park should be host to many thousands during this month and should have a more successful season than for some years.

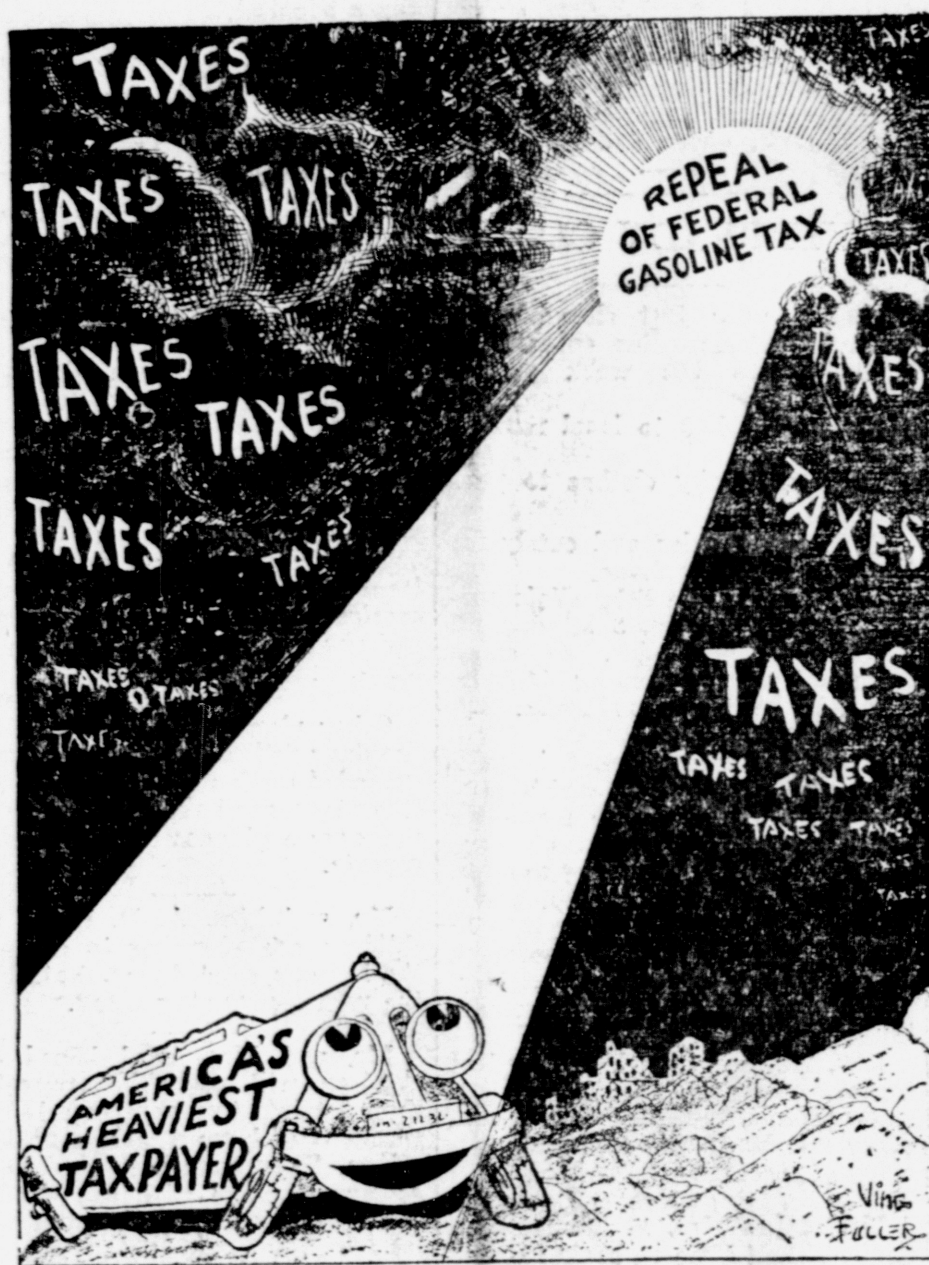

Large Attendance At Barrington Pool

1934 attendance at the Barrington Park pool was the largest in 4 years of existence according to the Park Board. A total of 112,027 swimmers have been recorded since its opening. The record for daily attendance at the pool reached 926 last year. Not only residents of Barrington attend the pool but a large proportion are from the surrounding communities.

Arlington Girl Wins Four Year Scholarship

Miss Marcia Martens of 402 Vail avenue, Arlington Heights, was awarded a four year scholarship to the University of Illinois. In a competitive examination held in the office of the county superintendent June 1, Miss Martens placed second in the contest. Although only first place usually deserves such a scholarship, Miss Martens was also elected because of her high scholastic average, taking the award that another county had failed to qualify.

One Ray Of Hope

FINAL GRANT OF UNCLE SAM TO ARLINGTON NOW IN EFFECT, IN VILLAGES

Cancels \$4500 in Bonds; Previous Payment Was \$10,000

Finis is about to be written upon the co-partnership of Uncle Sam and the village of Arlington Heights in the erection and completion of improvements to the water works system of 1934. The contractors were paid in full months ago. The government purchased at par \$40,000 worth of water bonds drawing 4% interest. The government had also paid \$10,000 in cash as part of the outright grant. There still remained final financial settlement.

Figures of the village have been checked and rechecked many times by government auditors. The village was entitled to a total grant of \$45,000. Everything must be in order and conclusively proved to be in accordance to the rigid specifications of the government.

Attorney Thal presented a letter to the Arlington Heights village board Monday evening, in which Uncle Sam offered to make final settlement with the cancellation of 2 one thousand dollar bonds due in 1935 and 1936 respectively, and up on the payment of \$500, by the village, cancel the last three thousand dollar bonds of the series, making a total payment of \$4,500 to the village.

The terms of final settlement are agreeable to the village except that the board is asking that the bond due in 1937, be one of those to be cancelled in place of a subsequent one.

All of these bonds and interest are protected by a special fund set up by the water department.

Miss Louise Harmening Is Bride of Edward Shaw

Miss Louise Harmening and Edward Shaw were married in Bloomingdale last Thursday evening of last week at the home of the Rev. Walter Kleffman, pastor of St. Paul's Evangelical church. The bride is the daughter of Mrs. Louise Harmening of Roselle and the groom is the son of Mr. and Mrs. George Shaw of Bensenville.

The bride was attended by Miss Leona Mesleke of Mount Prospect and the groom by his brother, Geo. Shaw. Mr. and Mrs. Elmer Kaiser of Elgin were also present at the ceremony.

The bride wore blue chiffon and carried sweet peas and roses, while her attendant, Miss Mesleke was attired in pink chiffon.

After the ceremony, the couple went to the home of the bride's mother, where a reception was held. They will make their home in Roselle.

Hiccoughs Three Hours, Then Halted by Doctor

Hiccoughs defied the efforts of a doctor for three hours Saturday night. Mrs. Walter Swanson of Arlington Park was affected with the spell.

Jobless Make Soap

Unemployed residents of Hinsdale are making use of their spare time in making soap. They maintain a factory of their own and expect to install a soap flake machine soon.

THREE YOUTHS FIND DEAD MAN IN OLD FACTORY

Bensenville Authorities Believe Him Hobo; Re- mains Unidentified

An unidentified man between 45 and 50 years of age was found dead in the old brick paint factory west of the Geo. Franzen Lumber Company in Bensenville Wednesday morning by three youths who had gone there to get sawdust.

The man, who is believed to be a hobo, was seen there lying on an old mattress Tuesday morning by the same youths, Fritz Wolf, Roy Imrie and Eugene Patterson who thought he was asleep and did not disturb him. Finding him in the same position twenty four hours later they investigated and found him dead.

Harry Kolze, police officer, was notified and later the body was moved to the Geils Funeral home where it awaited the county coroner who was expected to take charge of the case Wednesday.

It is believed that the man has been dead a week or ten days. His dress and appearance indicate that he was a typical hobo. He wore a khaki shirt and overalls and in an old flour sack carried all the paraphernalia necessary to the life of a wayfarer. The bag contained scissors, comb, needle and thread, knife, fork and spoon, other articles and clothes. He carried no money and nothing was found to tell who he was, where he lived, or where he had been.

Authorities believe it unlikely that he died of hunger or want. It is probable that he passed away from a heart attack or from some chronic ailment.

The old red brick building where he was found has been unoccupied for many years and during this time has been known as a "hoboes retreat."

Woman Killed as Auto Fails to Obey Stop Sign

Mrs. Helen E. Nielsen, 35 years old, Hinsdale, was killed and her husband, Otto, a cost engineer for the International Harvester company, was injured when Nielsen, according to the Elgin state police apparently disregarded a stop sign and crashed into a milk truck at Algonquin and Barrington roads last week. The driver of the truck, Charles Wagner, 27, owner of the Wagner Dairy Company, 2242 So. Ridgeland avenue, and Miss Alice Johnson, 21, 5841 South Sacramento avenue, who was riding with him escaped uninjured. Nielsen suffered lacerations of the scalp and face.

State police report two arrests have been made since the accident for failure to obey the stop sign on the fateful corner.

Judge Knoch Postpones Sanity Hearing which Came Up Last Monday

Due to the death of his mother Judge Knoch was unable to preside at an important sanity case in his chambers on Monday, July 1. For the next few days Probate Judge, Edgar F. Thoma, will preside in Judge Knoch's place. There will probably be few, if any, cases for Judge Thoma to try, as they have been continued until Judge Knoch's return.

The sanity case, at which the judge was to preside, concerned a Mrs. Florence Greist and her husband, who had made the charge that his wife was insane.

Mr. and Mrs. Greist had been married until February, 1935, when they were divorced. A month or so later they were remarried, and a short time later Mr. Greist pressed the charges against his wife's sanity.

Miss Florence Wiese Wed to Ernst Lueth Saturday Evening

Miss Florence Wiese, daughter of Mr. and Mrs. Herman Wiese of Roselle and Ernst Lueth, son of Mr. and Mrs. John Lueth of Bensenville, were married at the bride's home last Saturday evening at 7 o'clock. The ceremony was performed by the Rev. W. H. Mehlberg.

The bride wore white mouseline de soi with veil and carried a bouquet of white roses and lily of the valley. Attending her were Miss Agnes Wiese, who acted as maid of honor and wore blue mouseline de soi and carried a bouquet of yellow roses and blue delphiniums, and Miss Margaret Lueth, in pink mouseline de soi carrying pink roses and white larkspur, who acted as bride's maid. Mr. William Baruth of Itasca attended the groom.

Fifty relatives and friends were present at the wedding. A nuptial dinner was served after the ceremony. The couple will reside at the home of the groom's parents.

The preceding Thursday a shower was given for the bride by Miss Agnes Wiese and Miss Edna Meyer. Fifteen of their friends were present and gave her many pretty gifts.

AUTO ACCIDENT NEAR CAUSE OF GIRL DROWNING

Miss Verlie Wickenkamp, of Arlington Heights had a narrow escape from drowning and sustained severe injuries at 3 a. m. Sunday when the car in which she was riding was hit by a speeding auto and overturned into the ditch west of the race track.

Miss Wickenkamp sustained two fractures of the lower jaw and other bruises, and is in the Community hospital at Palatine. The other occupants of the car were Arthur Porep, the driver and Otto Kuhl, who were uninjured. All were thrown into the water. The boys were able to get their companion out of the water, but first aid had to be used for her to regain consciousness.

LEGISLATIVE GRIST HEAVY THIS SESSION

Old Age Pension Bill Gets Horner's Immediate Approval

The 59th General Assembly which has just wound up a busy session at Springfield has probably put as many laws upon the statute books as any previous legislature in the history of the state. Not all of the bills have been signed by Governor Horner, but it is probable that most of them will be.

Among bills passed and awaiting the governor's signature is the state auto license reduction bill which reduces the old \$8 fee to \$6.50 and the \$12 fee to \$9.

Perhaps the most popular piece of legislation passed by this legislature is the old age pension law which has already received the governor's approval. The law provides a dollar a day pension for citizens 65 years of age and over who have been residents of Illinois for 10 out of the past 15 years. An appropriation of \$5,000,000 has been made toward these pensions. It is understood that an amendment to the pension bill will be necessary before the law goes into effect January 1, 1936. The Federal government will shoulder a portion of the pension expense. The law will be administered by the individual counties in the state.

Another bill awaiting the Governor's signature reduces the county collector's bond from ten to five per cent during preceding three years instead of five years and changes other requirements on the county collector's bonds so as to reduce them.

A bill of importance locally provides for four year terms for all city and village elective officers. This law, if signed by the Governor, will take effect in 1937.

A law which will be of interest to taxpayers throughout the state of Illinois, outside of Cook county, is to do with the publication of the delinquent tax list. Ever since he law requiring publication of delinquent taxes was first passed, his list has been published in one paper in each county. Under the new law just enacted, publication must be made in the city or village where taxes are collected, or if there is no newspaper so published here in the nearest newspaper.

The life of Relief in Illinois has been extended to 1937. \$43,000,000 has been appropriated for the relief of the delinquent tax list. Ever since he law requiring publication of delinquent taxes was first passed, his list has been published in one paper in each county. Under the new law just enacted, publication must be made in the city or village where taxes are collected, or if there is no newspaper so published here in the nearest newspaper.

A zoning bill, introduced by Senator Barry, and another one that the county has been interested in for a long time, was also passed by the legislature. This bill provides for county zoning and creates a zoning commission, which will enable the county to do away with junk yards, garbage dumps, and other "eyesores" to the various communities.

An amendment to the Blind Relief Act was also passed by the legislature. This amendment provides that when the general county fund for the blind is insufficient, a special tax may be levied on counties of 500,000 or more. It also defines blindness and excludes persons from benefits of the Act who were physically or mentally incapacitated by age, prior to loss of eyesight, or who own or have an interest in property valued at \$2,500 or more.

An amendment to the Mother's Pension Act was also passed. This amendment makes specific reference to women who are mothers and whose husbands are dead. It provides for payment of pensions by the county board on the first day of each month. If a child is physically incapacitated for work after he attains the age of sixteen, the court may order the pension to continue until he arrives at his majority.

BLOOMINGDALE ASSESSMENTS IN THIS ISSUE

Additional Copies Available at the Office of the Register

This week the Roselle Register publishes the assessment list for Bloomingdale township which is compiled and submitted by the office of the county collector, Arthur L. Hellyer.

Every four years the collector is obliged to publish all real estate and personal assessments, hence this list contains a description of all lands and lots within Bloomingdale township, also the amount of personal property of each individual.

The description of lands and lots is published every four years so that each owner of real estate may see the assessed value of property on which taxes will be determined for the next four years. If anyone has fault to find with his assessment, he may file a complaint with the board of review now in session at Wheaton. Such complaints should be filed at once.

All persons on this assessment list are entitled to a copy and the Register is making it a point to mail a copy of the entire paper to every citizen in Bloomingdale township. For those who for some reason fail to receive a copy, there will be additional ones at the Register office in Roselle.

DesPlaines Camp Grounds To Be Host to Boy Scouts Of The Chicago Area

Invitations have been extended to Boy Scouts and troops of Methodist churches in the entire Chicagoland area to attend an overnight camp and Boy Scout day at the Des Plaines campgrounds today and tomorrow. It is expected groups will arrive between 4:00 and 8:30 p. m. today to set up camp and prepare for an evening in the grove at the eastern part of the campgrounds. At 8:30 p. m. a huge campfire will be lighted and a program of entertainment and inspiration will keep both boys and their guests and laymen of the Methodist church that will be assembled occupied for at least an hour. Bishop Ernest Lynn Waldorf will personally speak to the group at this time and the entertainment will include Scout Executive Carl Fearless of Elgin with his group of Boy Scout Indian dancers. Scouts will retire early to get a good night's rest for Saturday's big program. Scouts will prepare their own morning and evening meals. Lunch will be served by the Campgrounds association. A short inspirational service and swimming activities will occupy a large part of the morning's program. In the afternoon Scouts will compete in a series of scoutcraft events which include water boiling, flapjack cooking, signalling, tent pitching, compass contest, unassisted and dressing contest, fire building by friction and flint and steel, first aid and knot tying. The affair, the first of its kind, will close with a fellowship campfire, Saturday evening. The officials and committee in charge are: Rev. P. T. Bohi, L. S. Ingeman, Douglas Cork, F. A. Pribbenow, E. J. Anderson of Des Plaines; C. M. Fennell, C. J. Luedders, Carl E. Halen, A. Metz of Chicago; Edw. H. Stehman of Park Ridge; A. C. Ward of Berwyn; Merle W. Tibbets of Lake Forest; Jos. Butella of Downers Grove; Benjamin Core of Wilmette; and Chas. O. Nimitz of Park Ridge.

New Postmaster Named at Wheaton

Charles McDonald, prominent DuPage county Democrat, has been appointed as acting postmaster at Wheaton to fill the interim vacancy between now and the date a new postmaster will be named. Examinations for this position have been held and the civil service commission is expected to announce the results shortly. Eighteen took the civil service test.

William W. Bentz, who has held the office many years, is the retiring postmaster.

"Darkest Corner" In Arlington Heights Is Near Busiest Corner

Here is something to think about. The "darkest corner" in Arlington Heights is the center of the business district. So the members of the village board were informed Monday night. The intersection of Dunton and Davis street is without a street light. After the adjoining stores close for the night, it is as near a black wilderness as any place in the village. It will soon be changed, however, and become more like the brightest place in town. The board ordered a new light placed there, even if they have to rob some other corner to get it.

Mr. and Mrs. George Bayne en-
tertained eight relatives from Mil-
waukee, Wis., last week-end.
Mrs. Willet of Flint, Mich., en-
joyed visiting her sister, Mrs. Roy
Brakke this last week.
Miss Lillian White was confined to
her home several days this week
due to illness.
Mr. and Mrs. Harry Salsgaber
and children, left Tuesday evening
for Perry, Iowa, where they will
visit his parents.
Bert Johnson, a clerk for the Mil-
waukee road, certainly fooled the
boys lately when he has been mak-
ing such frequent trips to Iowa.
Last Thursday Bert returned from
his last visit and along with him
was a charming wife. The bride is
from Clinton, Iowa. Bert's many
friends wish he and his wife the
best of luck and loads of happiness.
Miss Loretta Adams of Boscobel,
Wis., is visiting her sister, Mrs. L.
S. Schmitt.
The large number of theft ar-
rests doesn't seem to bother some
of the hoodlums that are still seek-
ing their enjoyment ransacking
homes. Last Wednesday evening
while the Jim Gary family was out
someone broke into their home and
took several articles which were ap-
pealed to them and also Mr. Gary's
pocket book which contained sev-
eral bills and some change. Police
authorities were summoned and
fingerprints were taken to aid in
the capture of the molesters.
Mr. Wm. Sawyer, who has been
making his home with his son,
Owen, left Thursday for Missouri
where he will stay with his daugh-
ter, Lena.
Last week one of our local boys
who is in a COC camp in Waterloo,
Illinois, wrote his mother, Mrs. A.
P. Heim asking her if he could
subscribe for the Register and have
it sent to him at camp. We are
now sending copies to Russel and
hope he enjoys each issue. Several
of our subscribers now vacationing
in Florida, California and Oregon,
are receiving their papers weekly
and each look forward to each is-
sue.
Mr. and Mrs. Ronald Perry and
son of Winona, Minn., are enjoying
this week at the Elmer Harkness
home.
It certainly isn't a pleasure to
walk along our streets with the
weeds and grass as tall as the av-
erage person. Perhaps if some of
our residents would send our clean-
ing and repairing bills to the vil-
lage, we would have a little action
in getting them cut. There are
plenty of fellows who would be glad
to spend a day cutting them and
would appreciate the chance to earn
a couple of dollars.
Mr. and Mrs. Charley Draper of
Franklin Park celebrated their sil-
ver wedding anniversary at Koebbe-
man's pavilion last Friday evening.
Mr. and Mrs. Thor Kleven and
children are enjoying a visit with
relatives in Milan, Minn.
Mr. and Mrs. Robert Dival en-
joyed the week-end in Lancaster,
Wis.
Mr. Castle Kuhn is enjoying a
visit with his sister who is here
from Indiana.
Mr. Leonard Runge, who is em-
ployed in Chicago, spent the week-
end with his parents, Mr. and Mrs.
George Runge.
Mrs. Neighbors of Maywood,
formerly, Dorothy Harrison, is the
pride mother of a baby son, born
at the West Lake hospital June 20.
Russel Smull is seen dashing
about in a new Plymouth car.
Mrs. Owen Sawyer and Mrs. Wm.
Kleven spent Wednesday in Chi-
cago.
Mrs. Richard Payne spent Wed-
nesday in Chicago with her sister.
Mr. Wm. Rands was guest of
honors at the home of Mr. and Mrs.
David Rands Monday. The occa-
sion in honor of his birthday.
Mr. and Mrs. Wm. Burnett and
children and Mr. and Mrs. Henry
Davis are enjoying this week at
Gull Lake, Michigan.
The Bensenville business men
meet at the Wm. Duntman home
Monday evening.
Mr. Robt. Harmon and lady
friend of Chicago, spent Sunday at
the Wm. Harney home.
Mr. and Mrs. Arthur Bissel of
Rome, New York and Mr. and Mrs.
Geo. Shaw spent Monday in Mad-
ison, Wisconsin.
Don't forget the dance at Hack's
Tavern Saturday evening.

FRIEDENS EVANGELICAL CHURCH
H. Wagner, Pastor
Sunday school at 9:30. The
"Caddy Club" meets every Tuesday
at 7-8 p. m., the attendance in pro-
portion to the attendance in Bible
school is good. Let us use every
opportunity to increase our Bibli-
cal knowledge and faith and so
build up a Christian character.

Topic, Freedom "If the Son of man
shall make you free ye shall be
free indeed."
Ladies' Aid Society meets July
11. The annual picnic shall be held
July 21.
Sunday afternoon at 2:00 p. m.,
the semi-annual church meeting
will be held.
The Sunday school teachers and
officers meet July 11 at 8 p. m.
The "Willing Workers" started
to paint the rest of the church beau-
tiful salad forks from the aid mem-
bers. A short talk was given by
Rev. Mehlberg. The evening was
spent playing bunco. Mrs. Edward
Hanke, Mrs. William Fenz, Mrs.
Henry Brackman, Mr. Wm. Thie-
man, Mr. Arthur Binneboese and
Mr. Albert Pfotmiller were award-
ed prizes. Delicious refreshments
were served.
Miss Louise Ruehr of Chicago
was a week-end guest of Miss El-
rena Fenz.
Norbert Pitt, son of Mr. and
Mrs. Thomas Pitt is home from
the Belmont hospital, where he
underwent an operation.
Mr. Wm. Schuler is at the Aug-
ustana hospital in Chicago for an
X-ray this week.
Little Naomi Binneboese cele-
brated her seventh birthday Mon-
day afternoon by inviting several
little friends to her home.
Mr. and Mrs. George Sieben
spent the week-end with friends at
Dixon.
Mr. and Mrs. Roy Gerber and
children of Des Plaines, were guests
at the home of Mr. and Mrs. Wm.
Clucas.
Mr. and Mrs. Mark Schultz and
daughter, Corlyn, spent a few days
with Mr. and Mrs. Walter Wash-
ean at Berwyn.
Mrs. Herman Thieman has been
on the sick list the past couple of
weeks.
Marion Sunderlage is spending
the week with relatives in Wauke-
gan.
Mr. and Mrs. Elwin Kuehn and
Mr. and Mrs. Clarence Schmidt
are leaving the 4th for a couple
of weeks fishing trip in Minn.
Rosedale Chapter No. 979 O. E.
S., are observing past officers and
their seventh birthday at the Ita-
asca village hall Wednesday even-
ing, July 10. Mrs. Amanda Meyer
will serve as worthy matron and
Mr. L. Broker as worthy patron and
the other past officers will fill the
remaining stations.
The Ladies' Aid of the Methodist
church will meet at the home of
Mrs. Walter I. Turner, Thursday,
July 11, for a 1 o'clock luncheon.
Mrs. Wm. Schuler will be assist-
ant hostess. Come and bring a
friend.

ROSS WHEAT, JR.
Ross Wheat, Jr., born Jan. 1,
1914, in Chicago, Ill. There he at-
tended the public school. In 1925
he came with father and mother
and brother to Bensenville, he held
a position at the St. Paul R. R.
Since 1931 he worked only part
time—a hard lot for many young
men in these depression years.
Wednesday evening, June 26, he
was found in the garage, overcome
by carbon monoxide, restorations
were of no effect, he passed away
at an age of 21 years 5 months and
25 days.
He is mourned by his father,
Ross Chapman Wheat, who, at the
time, was still in Washington
Boulevard hospital, recovering
from an operation; also by his
mother, Mrs. Elizabeth Wheat, by
his brother, Raymond Wheat; by
his grandparents, Mr. and Mrs.
Walsh; by his uncles, Herman, Ed,
Paynd, Mentor and Hale Wheat;
by his aunts, Cary Marshall, Edith
and Grace Wheat; and from moth-
er's side, Mamie Lafleur and Edith
Carl, and other relatives and
friends.
Funeral services were held at
Geil's Funeral Home Sunday, June
30, at 2 o'clock, Rev. H. Wagner,
officiating. He was laid to rest in
Elm Lawn cemetery.
Mrs. Anna Magers sang two con-
soling solos, accompanied by Miss
Cora Warnecke. Many flower to-
kens were presented.
IN MEMORIAM
Busse — William Busse, who
passed away July 6, 1927:
Just a prayer in your memory,
Just this token fond and true;
Just to say how much I miss you,
And how my heartaches for you;
But how sweet to know will meet
again.
Where parting is no more,
And the one I loved so dearly,
Has only gone before.
For death cannot sever
True love forever.
Happy with dear Willie and Esther
Loving Wife.

What does electric refrigeration COST?
● The cost of an average refrigerator, spread over a ten year period, is between three and four cents a day. With the electricity it consumes the combined cost amounts to less than ten cents a day.
But is this the net cost? No. An electric refrigerator eliminates food spoilage. It permits buying of perishables in quantity at money-saving prices. These savings, figured on a conservative basis, exceed 20c a day in the average home.
Electric refrigeration is a good investment. It offers much in convenience, economy, and protection of the family's health. No home should be without it. Visit your nearest dealer or Public Service Store and learn how easily you can own one.

KARNER AND HATTENDORF
'NIP LINCOLN'S
The Lincoln A. C. lost 11 to 1
Sunday, to break their string of
victories at six games. They were
taken into camp by the Wheaton
Reds, who played bang up ball be-
hind 5 hit pitching of W. Karner,
the famous Hanover Dodge twirler.
Karner and Hattendorf, another
Dodger player also did their share
of the run getting for the Reds,
with their extra base hits with Kar-
ner getting a home run and a dou-
ble and a single for himself, while
Hattendorf satisfied himself with a
two doubles, a single and a walk.
The Lincoln's however must be
given much credit, to the good sup-
ply of Red runs for they gener-
ously kicked in with nine errors.
They certainly were not the Lin-
coln's we watched other Sundays.
The whole flock of them off their
stride, except Manager Reher, who
never fought harder to win in his
life, but it was all in vain, when
his team mates failed to hustle
with him. Manager Reher received
a nasty cut over his left eye when
he was hit with a badly thrown
ball which he tried to block.
Later he was hit in the left arm
by a pitched ball, and scored the
Lincoln's lone run after stealing
second base and scored on R.
